Study results indicated Pekin had a high level of management and good management of City services. Council Members commented on the following recommendations that they supported, prioritizing realistic goals, strategic plan building, short-term and long term goal setting, multi-year forecast of revenues and expenditures, annual objective setting processes, an initiative to work with the County, Park District on joint purchases, training and agreements. 1. "No Right Turn on Red" Request – Broadway & S. 14th St.

This request was made by Leia Stewart (353-8665) 1313 Highland Ave. and was discussed at the last meeting. It was noted that Ms. Stewart has been accepted into the CityLift paratransit service. It was reported at this meeting that the stop bar lines at the intersection have been painted and stop for pedestrian signs have been installed. Mike will continue to look into what is available regarding walk countdown signage. Will made a motion to leave the area as is at this time. John seconded. All in favor.

2. No Parking Request – 1200 Block of Maple St.

This request had been made by Daniel Steinbach (360-6671), Twisted Spoke Saloon, 251 Derby St. and discussed at the last meeting where it was decided to make a recommendation to City Council. The item was pulled from the City Council Agenda for further review by the Traffic Safety Committee. Chairman Kurt rechecked the area and it was noted that the business does have a parking lot in front along Derby St. It is up to the property owner to make arrangements for their product deliveries. Rather than a traffic safety or parking issue, this matter is a civil issue between the two parties involved. John made a motion to leave the area as is. Mike seconded the motion. All in favor.

New Business:

1. No Parking Sign – 100 Block of Elizabeth St.

This request had been made to Police Patrol. After review of this location and discussion of this request it was the consensus of the committee that this is not a traffic safety issue. Will made a motion to leave the area as is at this time. Bob seconded the motion. All in favor.

2. Line of Sight – Intersection of Summer St. & Washington St.

This request was received via e-mail from Rick Hilst (no contact information provided). John seconded the motion. All in favor.

3. No Parking Request – S. 10th St. Between Park Ave. & Washington St.

This request was made by Renee Spradlin (645-5733), 1403 S. 10th St. She is concerned with the traffic congestion in this area when vehicles are parked on both sides of the street. It was also noted that this is a school bus route. After review of this location and discussion of the request, John made a motion to make a recommendation to City Council for No Parking on the East side of S. 10th St. from Park Ave. to Winter St. Will seconded the motion. All in favor.

4. Stop Sign/No Left Turn – Red Bud at Court St.

This request was made by Arvella Guidotti (369-2201), #3 Beachcomber Pl. regarding vehicles making left turns coming out of Red Bud onto Court St. After review of this location and discussion of this request, it was noted that there are already signs in this location. Enforcement will be stepped up in this area.

Around the Table

John reported that the recommendation to change the price of parking ticket fines will be an agenda item for the next City Council meeting.

John reported that the issues regarding trucks on Lakeshore Dr. improved after the letters were sent out to businessowners, but the volume of truck traffic and truck parking on the street has increased again. This item will be brought back to the next meeting for discussion.

Mike reported that there are trees hanging over the traffic signs on Sabella at S. Capitol.

Mike reported that VFW Road is expected to open on September 28th.

Will reported that on 18th St. north of West Shore Dr. there are overgrown trees in the area hampering the line of sight.

John Kennedy, Chair asked for approval of the August 10, 2016 Minutes.

MOTION by Mary Lanane, seconded by Brandon Dentino to approve the Minutes of August 10th, 2016 as presented. On roll call vote, All present voted **AYE**. **MOTION APPROVED**.

Application #1:

Hearing #1: Open: 5:05pm Closed: 5:10pm

To allow Mike Frye, a variance to change to allow a 42" wide driveway, which is currently not allowed as stated in the current Zoning Code for RM-2 (Multiple Family Residential) with a PIN# 04-04-23-402-004 and Legal Description as Sec 23 T25N R5W Pekin Edgewater Park Sec 1 Lot 23 SE ¼ located at 2422 and 2420 Lakeshore Drive.

Refer to Pekin Zoning Ordinance; Section 9-12-1-2 Board of Appeals, B. Jurisdiction 3. Variance. (9-12-1-2-B-3) and Section 9-9-1 Schedule of regs, RM-2 use District.

Kim Joesting asked if the driveway was already done. He stated it looked pretty nice.

Mary Lanane stated if this was new construction (duplexes) she does not see this as a hardship case. We have variances in place.

Mike Frye was present to state his case and remained for questions.

Mr. Frye stated this was okayed by former Building Inspector Ron Sieh and permits were already pulled. He did not see this as an issue and was surprised to hear from Shana Wade. Building Inspector/Code Enforcement Officer. Mr. Frye does not have a written statement by Ron Sieh. Mr. Frye stated this all should have been addressed when he pulled his permits 4 to 5 months ago. The driveways are already finished. This is new construction with 3 duplex's. He does have pictures on his phone. These units both have double driveways and keeps the cars off the street. Mr. Frye stated the driveways look nice. If he has to tear them out, it won't look as nice and will create a parking issues. Thinks it's a little unfair to have to tear out concrete now.

Kim Joesting's stated he thought the duplex's and driveways looked nice.

Brandon Dentino asked if there were 3 units on one lot. If the driveway was removed would that create a parking issue? Sounds like too much on one lot on new construction.

Shawna Wade stated she has had to contact 3 contractors to inform them of the Building Codes and that they did not know they needed a driveway permit. Chair John Kennedy asked if letters were sent out and if so how many returned with comments. Shana stated about 60 letters went out and she did not receive any calls or letters back.

MOTION made by Kim Joesting, to approve the variance. There was no second. **Motion FAILED.**

MOTION made by Brandon Dentino to deny the variance, seconded by Mary Lanane. On roll call vote, All present voted; Kim Joesting and John Kennedy Nay, Aye votes Brandon Dentino, Chris Lang, Mary Lanane, and Wayne Altpeter. **MOTION PASSED.**

Shana Wade stated the next step would be for him to tear out the driveway. He would have to get it down to what the code states.

Attorney Sue Bosich will get a legal opinion on the Zoning Board Appeals process. Mr. Frye can appeal this decision and come back before Zoning. Attorney Bosich will email Paula the legal opinion and she will send that information out to the Zoning Board. For now Mr. Frye does not have to tear out the concrete driveway, until we get the legal opinion.

PUBLIC INPUT:

Dennis Wyatt attended the meeting on behalf of his Mother Evelyn Wyatt at 906 Monroe Street. Mrs. Wyatt had an accident involving her car and running through the garage and hitting her existing metal shed. Mr. Wyatt did not realize there were setbacks to replacing the existing 10x13 shed. He already purchased a new 10x8 shed and then spoke with Shana Wade in the Building and Inspections Department. Ms. Wade informed him of the Building Code Rules and Regulations.

Zoning Board of Appeals informed Mr. Wyatt there is a process that he has to go through. Building and Inspections Department has to send out letters to the neighbors, he has to apply for a variance, supply a drawing, and then come back before the Zoning Board of Appeals. Our next meeting is Wednesday, October 12th, 2016 at 5:00pm.

John Kennedy, Chair asked for a motion to adjourn.

MOTION by Kim Joesting, seconded by Brandon Dentino to **ADJOURN** the meeting.

Meeting Adjourned at 5:26pm

REQUEST FOR COUNCIL ACTION

To: Council Members

CC: City Clerk

Date: September 19, 2016

From: Sarah Newcomb, Human Resources Director/Interim City Manager

AGENDA ITEM: Pekin Chamber of Commerce Dues

AGENDA DATE REQUESTED: September 26, 2016

ACTION REQUESTED: approve donation of \$14,000.00 to Pekin Chamber of Commerce

DESCRIPTION: Attached is the request for contribution to the Pekin Chamber of Commerce for FY 16-17. The City of Pekin has contributed to the Pekin Chamber of Commerce for more than 60 years and from 2010 to 2013 the amount was \$12,600 and has remained at the \$14,000 since 2014. The purpose of the Chamber of Commerce is to support and promote local businesses. The Pekin Chamber of Commerce has been a champion for the City of Pekin roads through its Transportation Committee and has proven to be an effective lobbying group for state projects within the City of Pekin. Chamber of Commerce officials sit on our EDAC, Human Rights and Tourism committees providing valuable information and insight into the business community within Pekin.

Most recently, the Chamber of Commerce stepped up to help with tourism related issues when the City's employee in that department went elsewhere. The Chamber offered to maintain the EnjoyPekin website and provide information for the Tourism Committee in the interim. The Chamber understands the purpose of tourism in the promotion of quality of life and wishes to enhance the image of the community and expand the tax base through diversity of events and increased sales, gas, food and beverage and hotel/motel taxes generated by visitors which relieves some tax burden to the actual residents.

The Chamber has been a constant and key advocate with the City of Pekin in regard to issues at the federal level as well, especially the prison here in town. The Chamber is a willing and effective partner for the City of Pekin and it is my recommendation to approve the donation.

FINANCIAL IMPACT: \$14,000.00 dollars that were budgeted in FY16-17

NEIGHBORHOOD CONCERNS: n/a

IMPACT IF APPROVED: Continues the decades long participation with the Chamber and their assistance with tourism will potentially eliminate the need for a city employee

IMPACT IF DENIED: The City will need to allocate in house human resources to the tourism role immediately and the City's advocacy in economic development and transportation realm will be significantly hindered and damaged.

ALTERNATIVES: The City would have to provide resources both human and financial to advocacy projects.

Ms. Sarah Newcomb
City of Pekin
111 S. Capitol
Pekin, IL 61554

Dear Ms. Newcomb:

On behalf of the Pekin Area Chamber of Commerce, thank you for the City Of Pekin's on-going support of our programs and efforts. Our success would not be possible without the support (both financial and human resources) of our investors. I truly appreciate that the City of Pekin has been a leader in the support of the Chamber for at least six decades.

Since our 2015 request, we have updated our strategic plan – a plan that we believe benefits our members, the City, and the entire community.

- Our vision, our preferred view of the future, is *that Pekin will be the community of choice for home, business and recreation.*
- Our mission is *to foster and promote a vibrant business environment that improves the quality of life in the Pekin area.*
- Our goals (broad, long-term aims that define accomplishment of our mission) include:
 - Membership Value: Offer programs and services that benefit chamber members
 - Business and Job Creation: Improve Pekin's socio-economic position
 - Strategic Alliances: Partner and collaborate with strategically aligned organizations, businesses, governments, and educators - both current and future leaders - to promote and advance our mission
 - Destination Marketing: Promote Pekin's assets to become the community of choice to live, work, shop and play.

Our committees remain focused on our objectives. We continue to collaborate with and support local organizations that share our vision. A few examples of this effort include the work of our Transportation Committee, and our collaboration with Pekin Main Street, and the City's human rights, tourism, and economic development efforts.

Our July 4th Honor America Celebration and our Pekin Marigold Festival are two of Pekin's biggest and best quality of place events enjoyed by visitors and residents. Our

R. David Tebben Community Leadership Academy prepared another 24 leaders for active service in our community. And, we continue to be a resource for visitors, prospective businesses and potential new residents.

We respectfully request your continued financial support of our organization in the amount of \$14,000. This is the same amount as the past two years. As with other major supporters of our organization, we will continue to provide you with tickets to our events, registrations, leadership academy tuition, etc.

We look forward to continuing the collaborative relationship we have enjoyed with the City. Your continued investment is vital to the Chamber's effort to promote the growth of Pekin. If you have any specific questions about our programs, or if I can provide any additional information, please give me a call.

Sincerely,

REQUEST FOR COUNCIL ACTION

To: Mayor and Council

CC: City Clerk

From: Kurt Nelson, Fire Chief

AGENDA ITEM: Ordinance 1462-A348-16/17 – Amending Title 8, Chapter 4, Sections 1. D of the Code of the City of Pekin 1995 Regarding No Parking Schedule

AGENDA DATE REQUESTED: 09/26/2016

ACTION REQUESTED: Approval of the “No Parking Request” from Traffic Safety Committee for the area on *South 10th street Between Park Avenue and Washington Street*. The request is for the No Parking on the East side of South 10th Street from Park Avenue to Winter Street.

DESCRIPTION: Recommendation of the Traffic Safety Committee to restrict parking on 10th Street

HISTORY: This area has been an area of concern for quite some time. Due to traffic congestion and vehicles parked on each side of this road, this road becomes very unsafe with vehicle’s having to back up at times when meeting another vehicle in the roadway. This road is very narrow and does not have the capability to allow travel north and South while still having parking on both sides.

FINANCIAL IMPACT: Cost will be placing No Parking signs on street. Cost of signs and 30 mins labor.

NEIGHBORHOOD CONCERNS: Limits parking to one side of the road.

IMPACT IF APPROVED: Increased safety of travelers North and South on this street

IMPACT IF DENIED: Continued issues pertaining to unsafe roads with an increased chance of accidents.

REQUEST FOR COUNCIL ACTION

To: Council and Interim City Manager

CC: City Clerk

From: Michael Guerra, City Engineer

AGENDA ITEM: To Award the Annual Street Seal Coating Project

AGENDA DATE REQUESTED: June 27, 2016

ACTION REQUESTED: To award the contract to R.A. Cullinan for the Annual Street Seal Coating Project 16-00000-01-oGM in the amount of \$70,180.94

DESCRIPTION: This is to award the proposal for the annual seal coating project to R.A. Cullinan. This year's project limits include Sheridan Road from Redwood Dr. to city limits, 5th St from approximately the houses to Veteran's Drive, and Audubon Drive from Court St. to City limits. Included in this year's project are Red Bud Drive from Court Street to Dragon Dr. and Dragon Drive from redbud to Recreational Dr. in which the City partnered with the Park District to utilize joint coordination for bidding. The Park District will be responsible for the cost of the roads in their boundary.

These roads are heavily patched, weathered, cracked and have PCI ratings near 60 making them ideal candidates for seal coating. Seal coating is intended to help slow the deterioration of the roadway thus extending the life of the roadway.

R.A. Cullinan was the only bidder on this project and their proposal was \$1,940.94 (2.8%) more than the estimate but still within the acceptable range to award according to IDOT standards. Overall the bid is still within the MFT resolution amount. Receiving one bid has been the typical scenario over the past few years.

I recommend that this proposal be awarded.

HISTORY:

MFT resolution for funding this project was approved by council on 6/27/16 in the amount of \$75,000

The seal coating last performed on this section of 5th St is unknown as it was not a city roadway.

Sheridan Road had not been seal coated in last six years.

Audubon Drive had not been seal coated in last six years.

FINANCIAL IMPACT: \$70, 180.94 out of the \$75,000 approved MFT Funding

NEIGHBORHOOD CONCERNS: Delays during installation and loose rock for several days

IMPACT IF APPROVED: The contract will be awarded and the project will begin

IMPACT IF DENIED: The contract will not be awarded and the project will not be completed this year. MFT funding will have to be reallocated.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.
