City Manager, Mr. Mark Rothert, presented the request to Council to approve and adopt Resolution No. 113-20/21 Authorizing the Purchase of Additional Garbage and Recycling Carts. Mr. Rothert explained that due to low inventory of garbage and recycle carts, staff recommended purchasing carts from Cascade utilizing Sourcewell.

Solid Waste Supervisor, Mr. Olson described the different sizes of the carts and their prices. The recycling grant can no longer be used for carts.

Council discussed the order date of the carts.

9.3. Resolution No. 114-20/21 Authorizing the Purchase of a Camera Van through EJ Equipment

City Manager, Mr. Mark Rothert, introduced the agenda item to approve and adopt Resolution No. 114-20/21 Authorizing the Purchase of a Camera Van through EJ Equipment. Mr. Rothert explained that the City's 2008 camera van is outdated and purchasing a new camera is vital for infrastructure inspections. Mr. Rothert stated that staff recommended making this purchase using an Ohio state bid that was vendor approved. The current van would be traded in to receive maximum equity.

Mayor Luft spoke in favor of the agenda item stating that it is the most important tool for infrastructure in preparing for future projects.

Councilmember Abel spoke in favor of the agenda item.

Council discussed the air conditioning of the van with regards to protecting the software and any updates to the software.

9.5. Resolution No. 116-20/21 Approve an Amendment to the IDOT Maintenance of Municipal Streets Agreement

City Manager, Mr. Mark Rothert, introduced the request to Council to approve and adopt Resolution No. 116-20/21 Approve an Amendment to the IDOT Maintenance of Municipal Streets Agreement. Mr. Rothert explained that the City received notification from IDOT for an adjustment in compensation the City receives for maintenance and providing snow plowing of IL Route 29.

Councilmember Orrick spoke against the item and expressed that the State should be responsible for the maintenance and snow plowing of the road.

City Engineer, Ms. Josie Esker, clarified that the agreement was for minor maintenance such as pot hole filling and snow plowing. IDOT should maintain the road.

Council discussed the history of the maintenance of Court Street and how the City was responsible for doing a mill and overlay.

Solidwaste Supervisor, Mr. Brett Olson, also added that the City is only responsible for pothole filling and snow plowing, not striping.

Council discussed the last time the State came into the City to do maintenance.

Mr. Rothert stated that it was on Court Street in 2010 according to his records.

City Attorney, Ms. Kate Swise, read a section of the contract that the City's responsibility included routine service of pothole repairs, crack sealing, litter clean-up, routine operational services, did not appear the city was responsible for mill or overlay. Contract is terminable with 90 days' notice.

Mr. Rothert explained that the agenda item is only to amend the compensation, the contract still exists.

Attachment: COUNCIL MINUTES OF JUNE 8, 2020 (2251 : Minutes of June 8, 2020 5:00 PM)

Mayor Luft clarified that the vote tonight was to approve a dollar amount and that Council could come back to decide if they wanted to continue with the contract.

Councilmember Orrick stated that he agreed as long as a vote was taken as to whether they continue with the contract within two months.

Mayor Luft confirmed that everyone was in agreement to vote on the additional funds tonight and come back to determine where Council needed to be contractually as far as maintaining the road.

Councilmember Orrick agreed that it made sense.

9.6. Resolution No. 117-20/21 Approving Grant Agreement for Electric Buses with Edwards Power Plant

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 117-20/21 Approving Grant Agreement for Electric Buses with Edwards Power Plant. Mr. Rothert explained that a settlement was made in this case for Plaintiffs in the amount of $8.6M to benefit projects to the greater Peoria area affected by the Edwards coal-fired plant. Funding was awarded to several different projects as broken down in the request for Council action. The City during the application round submitted two applications, one for an electric bus and one for a solar array project. The City was granted funding for an electric bus. Any associated battery, charging equipment or infrastructure will be included in the grant. Mr. Rothert continued to explain that the resolution approves a grant agreement with Plaintiffs to procure the electric bus and identifies Williamsfield Community Unit School district as a signatory.

Council discussed the average daily miles of 125 miles of the electric bus.

Fleet Manager, Mr. Dan Jost, added that the miles cover standard routes and other routes for charters. The plan was to put this bus on the route that sees the most miles. Energy footprints would be reported back. The lifecycle of the bus is uncertain but 10 years would not be unrealistic. Mr. Jost stated that the City owns two school buses that would be sold to reimburse costs to help reduce the diesel carbon footprint. The City would be responsible for maintenance that included tires and brakes.

Council discussed the alternative of the agenda item not getting approved and the funding reverted back to the Plaintiffs.

RESULT:	**ADOPTED [UNANIMOUS]**
MOVER:	Rick Hilst, Councilman
SECONDER:	Lloyd Orrick, Mayor Pro-Tem
AYES:	Garrison, Hilst, Hohimer, Orrick, Abel, Luft

9.7. Resolution No. 118- 20/21 Approving Quotes for Material Requests 2020

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 118-20/21 Approving Quotes for Material

Attachment: COUNCIL MINUTES OF JUNE 8, 2020 (2251 : Minutes of June 8, 2020 5:00 PM)

Request 2020. Mr. Rothert explained that the resolution is annual to approve MFT funds to purchase materials for hot mix asphalt and cold patch through United Ready Mix.

Council discussed exceeding the $50K max amount and how long the quotes were good for.

City Engineer, Ms. Josie Esker, explained that IDOT would not allow the City to exceed that amount without an additional resolution.

Council also discussed other companies that did not submit quotes and that prevailing wage rates did not apply for materials.

RESULT:	**ADOPTED [UNANIMOUS]**
MOVER:	Rick Hilst, Councilman
SECONDER:	Michael Garrison, Councilman
AYES:	Garrison, Hilst, Hohimer, Orrick, Abel, Luft

9.8. Ordinance No. 2889-20/21 Authorizing the Establishment of a Tax Increment Financing Interested Parties Registry for the Proposed Court Street TIF District

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Ordinance No. 2889-20/21 Authorizing Establishment of a TIF Interested Parties Registry for Court Street. Mr. Rothert explained that last November the City Council directed staff to pursue the creation of a TIF district and Business Development district along Court Street and other areas of the City. The City is required to adopt Registration Rules and authorizes the City Clerk to create an interest parties registry. A public hearing will be held July 13th.

Council discussed that every resident within 50 feet will receive a mailing. A map was provided to Council last November.

RESULT:	**ADOPTED [UNANIMOUS]**

ANY OTHER BUSINESS TO COME BEFORE THE COUNCIL

Mayor Luft confirmed that no comments were received from the public.

City Manager, Mr. Mark Rothert, announced that City Hall will be open by appointment only until the Governor declares the area Phase 4 of the COVID-19 pandemic. Mr. Rothert added

Attachment: COUNCIL MINUTES OF JUNE 8, 2020 (2251 : Minutes of June 8, 2020 5:00 PM)

that a peaceful demonstration was held last Saturday and credit was given to the police department.

Councilmember Hilst discussed weed spraying of the brick streets and the assessment of the building on 228 Margaret Street. Mr. Rothert added that asbestos was found in the roof tiles and the demolition company is trained to dispose of it properly.

Council discussed the maintenance of the islands and the State's involvement as well as 3rd Street maintenance, and the limits of the City.

Councilmember Abel requested that the corner of 8th Street and Amanda be cleaned up. Councilmember Hohimer expressed concern for the dead trees all over Pekin and requested that the City look into grant money to help residents dispose of them property to avoid anyone getting hurt.

Councilmember Orrick expressed appreciation and gave credit to the entities that helped assist in the peaceful protests the last few weeks.

Mayor Luft also gave thanks and credit to the Sheriff, Chief Dossey and the City Manager for their assistance as well. Mayor Luft added that the City did get approval of a $20M grant for Court Street and also acquired a $2.3M grant. Signs will be forthcoming by the Street Department to make travelers aware of upcoming construction projects.

10.1. Proposed Court Street TIF District Public Meeting Announcement

City Manager, Mr. Mark Rothert, announced that a public meeting will be held on July 13, 2020 at 5:00 PM anticipated meeting by Zoom. Alternatively, those interested can view online and provide City Clerk any public comment related to the TIF creation to allow the taxing bodies having property and residents of the City's intent of a redevelopment plan.

Council discussed providing accommodations for the public to comment via Zoom if not meeting in person.

RESULT:	**PRESENTED**

ADJOURN

There being no further business coming to Council, a motion was made by Councilmember Abel to adjourn, seconded by Councilmember Garrison. Motion carried viva voce. Mayor Luft adjourned the meeting at 7:53 PM.

5.1. Receive and File Bids for Phase III CSO Project

NEW BUSINESS

6.1. Resolution No. 120-20/21 Reject All Bids for the Phase III CSO Sewer Project

Mr. Rothert presented the agenda item to approve and adopt Resolution No. 120-20/21 Reject All Bids for the Phase III CSO Sewer Project.

City Engineer, Ms. Josie Esker, explained that this project was part of the City's long term control program for a number of years and worked for a number of years to get out to bid, but was disappointed with the bids received. Ms. Esker continued to explain that there has been a lot of work coming out of the State, contractors were busy, which resulted in less bids on projects. Ms. Esker stated that this project near the railroad is very complex. The City received one bidder, Williams Brother Construction, unfortunately they knew they were the only bidder. Ms. Esker did not feel comfortable awarding the bid amount. Instead, Ms. Esker suggested going a different direction. The project is tied to IEPA funding, which that date concludes two days from now. Ms. Esker felt that this funding did not make sense for the City and felt it was smarter to get a more economical loan. Ms. Esker explained that part of the project runs underneath Front Street and needs to be completed quickly in order to tie in the Front Street. The plan was to split out that section and bid again in the next two weeks to keep it

Minutes Acceptance: Minutes of Jun 15, 2020 5:30 PM (Approval of Minutes)

moving. Ms. Esker stated that Pat Sheridan from Farnsworth was available for questions.

Councilmembers discussed with Ms. Esker the price of splitting the project out but had to provide one bid in its entirety. The first section was estimated at $4-5M. The other two sections would be bid out later and apply for IEPA funding for those projects.

Councilmember discussed what would happen if no bids were received going forward. Ms. Esker explained that it would then go back to Council to approve awarding a high bid for the first section or to try and do something at Front Street to tie projects in.

City Manager, Mr. Mark Rothert, reminded Council that if voting yes as the resolution is written would reject the bid and a no vote would accept the bid.

6.2. Resolution No. 119-20/21 Authorizing Supplemental COVID-19 Small Business Assistance Grants

City Manager, Mr. Rothert, presented the agenda item to approve and adopt Resolution No. 119-20/21 Authorizing Supplemental COVID-19 Small Business Assistance Grants. Mr. Rothert explained that after comments and input about certain businesses, particularly salons, barbershops and fitness trainers hit hard by pandemic not having one on one with customers. The resolution allows owners to receive up to $5K instead of the $2K as originally proposed. The resolution was amended to also include funding to a fitness trainer at Parkside, who was previously denied because paperwork showed they had a business address outside of Pekin, which was an error.

Community Development Manager, Mr. Dave Bess, was available for questions.

6.3. Resolution No. 122-20/21 Lease of Police Vehicles through Enterprise Fleet Management

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 122-20/21 Lease of Police Vehicles through Enterprise Fleet Management. Mr. Rothert gave a brief background of the company and outlined the proposal and strategy to follow up the presentation presented by Enterprise during the last Council meeting. Enterprise proposed to sell the City's 10 most dated vehicles, lease 10 new Dodge Durango's for three years at a cost of $117,207 and lease one new Chevrolet Silverado to replace a vehicle involved in a collision. Propose 18 vehicles to sell and re-leased back to the City at a cost of $64,793 per year. In total, cash coming back to the City is $226,150 to offset the total lease cost every year. All new vehicles would have a three year warranty. Christina Cortina from enterprise Fleet Manager is on the line for questions.

Minutes Acceptance: Minutes of Jun 15, 2020 5:30 PM (Approval of Minutes)

Council discussed the option to terminate the lease agreement should funds not be appropriated in the budget and sustaining the ongoing maintenance needed for other vehicles in the budget at an approximate cost of $40-50K.

Councilmember Abel spoke in favor of the agenda item.

Councilmember Nutter stated that the leased vehicles should be part of the City's five year capital improvement plan. Councilmember Nutter also showed concern that local dealerships were not contacted to see if they would be interested with doing the lease for the City.

Ms. Christian Cortana explained to Council that there were no mileage restrictions or over mile charges on the leased vehicles but the maintenance is the responsibility of the City. Recommendations were made based on the annual mileage. Annual mileage drove the recommendation for the lease term length.

Mr. Rothert explained that there are 39 total vehicles in the police department and Enterprise works directly with the manufacturers. The goal is to get the entire fleet on a replacement schedule that fits age and wear and tear. Mr. Rothert continued to explain that an analysis would be run by Chief Dossey and Fleet Manager, Mr. Dan Jost in the future. The City did not reach out to the other dealerships as Enterprise utilizes Sourcewell that has been vetted providing a competitive rate.

City Attorney, Ms. Kate Swise, pointed out that an omission was made in the packet regarding the quote for the Chevrolet Silverado.

Councilmember Hilst questioned the additional cost not reflected in the proposal and stated spoke against the agenda item.

Ms. Cortana explained that the additional cost would be the cost of any new vehicles leased in the future in addition to any current payments.

6.4. Resolution No. 121-20/21 Intergovernmental Agreement with CityLink

City Manager, Mr. Mark Rothert, presented to Council to approve and adopt Resolution No. 121-20/21 Intergovernmental Agreement with CityLink. Mr. Rothert explained that the City and the Greater Peoria Mass Transit District annually enters into an intergovernmental agreement to provide public transportation via fixed routes and ADA complimentary paratransit service. Pekin's transit service provides over 100,000 rides each year to those that are elderly, disabled, economically disadvantaged or without primary transportation. Mr. Rothert continued to explain that the proposed agreement rate did not exceed $210,000 and was based on the terms of the 2019-2020 agreement. Due to increased ridership, the cost had increased to the City by $5,000.

Council discussed the application process and the cost savings to the City.

Councilmember Nutter suggested inquiring about a three year contract instead of renewing each year.

Mr. Rothert added that it would be noted for next year's approval.

ANY OTHER BUSINESS TO COME BEFORE THE COUNCIL

Mr. Jim Mangan, spoke via electronic attendance regarding the status of Brentwood Ditch and the SEICO survey results.

Mr. Nicholas Hall, spoke via electronic attendance regarding racial exclusion and protests of black lives matter.

City Manager, Mr. Mark Rothert commented that this was a challenging time for a lot of communities and individuals impacted by what is going on in the world, the City is doing their best to be leaders of that change. Mr. Rothert pointed out that the City has a very diverse staff and that there are things that need to change in the world. Chief Dossey looks at policies to create healing in this community and creates open dialogue. Mr. Rothert appreciated those comments and assured they were not put on deaf ears. The City will all try and work to a better future.

Mayor Mark Luft agreed with Mr. Rotherts' comments. Mayor Luft added that changes are coming, changes are needed, and the City has worked very hard creating those, with a the team here to make that happen, not just in that area but all aspects of our community. Some changes have been seen and some have not, just depends where you are at that moment. The team we have here is known for making changes and strides in our community. Mayor Luft expressed appreciation for the efforts of the council and staff.

Councilmember Orrick also spoke regarding racial inequities and stated that he wishes people would concentrate and give us credit for the positive. Dirksen was senate minority leader, got all republicans to get 1964 voting rights passed. Demonstrated over the years, what people label us we are not that today, wish people would judge us on actions today.

Councilmember Hohimer commented on an email regarding morning garbage being picked up at a commercial location and stated that the City does not pick up commercial garbage.

Councilmember Abel commented on the diverse ethnicity statistics of the City's employees.

Councilmember Nutter commented on an email regarding Tharp Avenue, the transitions within the building inspections department, and agreed with the other Councilmembers regarding racial ethnicity and promoting positive change.

Councilmember Hilst pointed out the error in the start time of the public hearing next Monday night and confirmed that it should be at 4:30 PM.

Minutes Acceptance: Minutes of Jun 15, 2020 5:30 PM (Approval of Minutes)

Mr. Mark Rothert confirmed that public hearing would begin at 4:30 PM and the purpose was to discuss a grant application he plans to submit to the State of Illinois for one section of Court Street from Parkway to Hilltop drive, which is the most dilapidated.

Councilmember Hilst inquired if wearing a mask was mandatory.

Mayor Luft agreed that it was.

NEW BUSINESS

7.1. Resolution No. 124 - 20/21 Approving Master Service Agreement with Maurer Stutz Inc. for Construction Phase Engineering Services

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 124 - 20/21 Approving Master Service Agreement with Maurer Stutz Inc. for Construction Phase Engineering Services. Mr. Rothert summarized the purpose of the master services agreement and stated that its intention is for the assistance from Maurer Stutz Inc for construction engineering professional services over the course of the next three years. Due to the amount of the engineering agreement, IDOT requires local public agencies to use a qualifications based selection. Mr. Rothert continued to explain to ensure compliance with any project that arose over the next three years staff recommended that Maurer Stutz be selected to assist construction oversight and project administration on an as needed basis.

City Engineer, Ms. Josie Esker, explained that after the duration of the master services agreement the qualifications based selection process would start over. Ms. Esker added that if things changed dramatically the City would be able to cancel the contract at any time.

Mr. Rothert commented that the agenda item was not to approve any amount of expenditures and that each additional work orders would come to Council to approve up or down.

Councilmember Nutter expressed concern as to whether or not the Illinois Code was being followed in the selection process, as staff only chose two firms instead of three, and felt it comprised the competitive bidding process.

Ms. Esker explained that generally the top three firms are selected and contract negotiations would begin. Should no agreement be reached negotiations would begin with the second firm and so on. Ms. Esker added that in her opinion she did not feel that there was enough work to have a third firm selected. Should no agreement be reached the selection process would start over. All the consulting engineers are pre-qualified through the State.

7.3. Resolution No. 126 - 20/21 Approving Agreement with Millennia for Construction Phase Engineering Services on Court Street between Valle Vista and Veterans

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 126 - 20/21 Approving Agreement with Millennia for Construction Phase Engineering Services on Court Street between Valle Vista and Veterans. Mr. Rothert explained that this item followed up with the last item to hire Millennia to do construction engineering on Court Street.

City Engineer, Ms. Josie Esker, explained that the primary purpose was to ensure the construction was complete according to building specifications and plans, answering contractor questions, contract administration, calculating all quantities that are placed in the field and variety of other items. This particular contract was about a $2.1M construction contract. Ms. Esker stated she hoped to utilize city staff as much as possible to stay under the amount to be awarded.

Council discussed the authority for change orders and how involved the City Engineer was in approving those.

RESULT:	**APPROVED [UNANIMOUS]**
MOVER:	Lloyd Orrick, Mayor Pro-Tem
SECONDER:	Karen Hohimer, Councilwoman
AYES:	Garrison, Hilst, Hohimer, Nutter, Orrick, Abel, Luft

7.4. Resolution No. 127 - 20/21 Approving an Agreement with Midwest Engineering for Lake Kennedy Trash and Debris Reduction Project

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 127 - 20/21 Approving an Agreement with Midwest Engineering for Lake Kennedy Trash and Debris Reduction Project. Mr. Rothert summarized the agenda item that included an agreement for engineering design, preparation of plans and specifications, and permitting. Last fiscal year, a study of Brentwood Ditch and Lake Kennedy was completed and is on the City's prioritization of the storm water issues list for FY 2021. Mr. Rothert pointed that an additional item may be added if the Army Corp should require an individual permit.

Councilmember Nutter discussed the anticipation of land acquisition.

Councilmember Abel applauded the neighborhood on the follow through of this project.

7.5. Resolution No. 128-20/21 Approving an Agreement with Midwest Engineering for the High Point Lane Outfall Repair Project near Pekin Housing Authority

City Manager, Mr. Mark Rothert, presented the agenda item to approve and adopt Resolution No. 128-20/21 Approving an Agreement with Midwest

Minutes Acceptance: Minutes of Jun 22, 2020 5:30 PM (Approval of Minutes)

Engineering for the High Point Lane Outfall Repair Project near Pekin Housing Authority. Mr. Rothert explained that the agreement was for engineering design, preparation of plans and specifications for the High Point Outfall Repair project near the Pekin Housing Authority due to storm sewer outfalls causing significant erosion and safety issues near the playground. The project would be completed prior and split off from the larger Broadway Farms project and therefore would not be redone.

Council discussed the location of the project to be addressed.

AYES:	Garrison, Hilst, Hohimer, Nutter, Orrick, Abel, Luft

7.6. Resolution No. 129 - 20/21 Approving Agreement with Hanson for Design Engineering of Court Street from Valle Vista to 8th Street

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 129 - 20/21 Approving Agreement with Hanson for Design Engineering of Court Street from Valle Vista to 8th Street. Mr. Rothert explained that the request was to enter into an agreement for final design as was done for the preliminary design with Hanson in 2014. The City recommended terminating the existing agreement upon execution of the new agreement due to the age of the contract and the proposed plan changes. Mr. Rothert described the agreement to include services such as preliminary design, final design, development of plans and specifications, and land acquisition services. Mr. Rothert added that final design and shovel ready status on Court Street was only from Valle Vista to Veteran's, the area the Fast-Track grant application covered, the other sections were not in final design and need to get there to apply for other grant opportunities.

Council discussed land acquisitions after phase I was completed, funding, and not utilizing some of the plans previously decided.

Ms. Esker explained that land acquisition does not include the cost of the land only the paperwork. Some of Phase I had been completed with a previous study, some preliminary geometrics had been completed and a large amount spent on providing different options, such as lane reductions. It was agreed by Council not to take that route due to the amount of required engineering work. Of the $1M, $428K had been utilized, which said contract with Hanson was not completed and terminated with the new agreement.

Councilmember Hilst questioned the construction on Court Street from 5th Street to 8th Street and if any were in the TIF district.

Ms. Esker added that standards and design requirements change and felt that section should would be planned in the distant future due to limitations in funding, the proposed section in the request would currently be the best action to move forward.

7.7. Resolution No. 130 - 20/21 Support for Fair Housing

City Manager, Mr. Mark Rothert, presented the agenda item to approve and adopt Resolution No. 130 - 20/21 Support for Fair Housing. Mr. Rothert explained that the City anticipated submitting a grant to the State which was due on June 30, 2020. It was Mr. Rothert's hope to apply to the State this week to help go towards Court Street. Mr. Rothert reminded Council that the City received a $20M grant for Court Street revitalization, leaving a $10M gap to fill. The application focused on funding support to complete revitalization work on Court Street from Parkway to Hilltop Drive. Mr. Rothert described the specific application requirements for municipalities as outlined in the resolution for support. Mr. Rothert added that the City had a fair housing code that was adopted in 2009, this Resolution was a simpler way to say the City supports fair housing in Illinois. No discrimination complaints have been brought to the City that Mr. Rothert was aware of, most cities refer those type of complaints to the State level.

7.8. Resolution No. 131-20/21 Resolution of Local Support for Rebuild Illinois Public Infrastructure Grant

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 131-20/21 Resolution of Local Support for Rebuild Illinois Public Infrastructure Grant. Mr. Rothert explained that this was a follow up on last resolution as part of the grant application to the Rebuild Illinois Public Infrastructure grant. The City was required to provide a local resolution supporting local dollars to be committed to the project. The City's total project for this segment from Parkway to Hilltop is a little over $6M, the max grant award is $5M, there is a gap to fill with local dollars. Those local dollars to be used were in part with, some already budgeted in the capital fund dedicated to Court Street, as well as monies received from IDOT when they issue their allocation to local government. One could consider them to be local funds and Mr. Rothert wanted to be safe and included those dollars in the resolution. The City's commitment is $1.5M as the local match to be made up from the capital fund and the IDOT funds that were not budgeted but anticipated. Mr. Rothert continued to explain that the City has already received one payment. Spending cannot be done in advance but rather as the City receives funds.

7.9. Ordinance No. 2890 - 20/21 Redevelopment Agreement with Pekin Outreach Initiative CBD TIF

Minutes Acceptance: Minutes of Jun 22, 2020 5:30 PM (Approval of Minutes)

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Ordinance No. 2890 - 20/21 Redevelopment Agreement with Pekin Outreach Initiative CBD TIF. Mr. Rothert explained that the Pekin Outreach Initiative recently purchased 515 Elizabeth Street to feed the homeless, provide snack packs, hot meals, toiletries, showers and laundry, etc. The organization approached the city to help them provide assistance through the Central District TIF to offset costs of rehab of the facility to make it more ADA compliant, help with acquisition, and architectural engineering cost up to $30K. Mr. Rothert pointed out that the attached agreement was a 5 year forgivable loan by 1/5 each year.

Councilmember Orrick, Councilmember Abel, and Mayor Luft spoke in favor of the agenda item and how positive the organization is has been for the community.

Councilmember Hilst commented that he supports the program but as not for profit organization in the TIF district not paying real estate taxes, he struggles with the
TIF district process.

Councilmember Nutter discussed parking requirements and utilizing CDBG Funding rather than TIF.

7.10. Resolution No. 132-20/21 DACRA Software Maintenance Renewal

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 132-20/21 DACRA Software Maintenance Renewal. Mr. Rothert explained that the software is a very intrical part of the police departments operations.
Chief Jon Dossey added that this runs the entire process from when the ticket is issued to the collection process up to the comptroller's office. This solution is much more cost effective than other options.

7.11. Resolution No. 133 - 20/21 Agreement to Purchase Investigative Forensic Software

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 133 - 20/21 Agreement to Purchase Investigative Forensic Software. Mr. Rothert explained the request is to assist the police department in doing their daily operations. The City currently shares the forensic application with the Sheriff's Department that is used to investigate electronic equipment. The City pays an access fee to utilize the equipment with the County annually. Mr. Rothert continued to explain that the County maintains first priority to use the equipment first, with it being used more so by the County, the City has had to wait to use the equipment. It is invaluable to the investigators and helps with increase efficiency to investigate cases. Mr. Rothert pointed out

Minutes Acceptance: Minutes of Jun 22, 2020 5:30 PM (Approval of Minutes)

that he name had been redacted to maintain confidentiality of the vendor and so not to compromise the City.

Chief Dossey explained that the City paid $5K annually to access the software. The proposed equipment may have a maintenance fee that would need to be updated annually as technology changes. Chief Dossey added that the police department had been utilizing the equipment amount 18 months and has had a lot of success.

Councilmember Hilst questioned the amount of funds in the proposed line items allocated.

Mr. Rothert added that the Iron Eagle fund is a restricted fund only used for certain expenditures, the fund balance was around $30K as a fund balance for those restricted funds. Mr. Rothert stated that $5K would come out of the Iron Eagle and $5K out of the Federal Iron Eagle.

Councilmember Hilst discussed the equipment received from the foundation based on an article he read to secure phones so they could not be remotely wiped.

7.12. Resolution No. 134 - 20/21 Authorization to Execute Supplier Agreement Related to Electric Aggregation

City Manager, Mr. Mark Rothert, presented the agenda item to Council to approve and adopt Resolution No. 134 - 20/21 Authorization to Execute Supplier Agreement Related to Electric Aggregation. Mr. Rothert summarized the request to execute a supplier agreement through an upcoming re-bid process selecting new energy pricing with the lowest responsible bidder to provide electric supply under the aggregation program if the current rate is lower than current amount with Homefield Energy. Mr. Rothert continued to explained that Good Energy provided a draft contract from the prospective bidders, Council's options on the selection of energy and the costs associated with each type. Mr. Rothert corrected the request and noted that the City did charge the civic administration fee of $.0010.

Council discussed the timeframe of the contract and how it affects the competitive rate.

Mr. Rothert added that the entire group had to agree on the timeframe and felt the best rate was at 18 months with the traditional route of electric production. Citizens were already enrolled and had the option of opting out but should compare their competitive rate. The $.0010 equated to about $72-80K per year in the general operations budget under Good Energy revenue.

Minutes Acceptance: Minutes of Jun 22, 2020 5:30 PM (Approval of Minutes)

City Manager, Mr. Mark Rothert, presented the agenda item to approve and adopt Resolution No. 135 - 20/21 Extending Mayor's Executive Order Regarding Outdoor Sales Areas. Mr. Rothert explained that it was anticipated that the State would transition to Phase 4 with the Restore Illinois Plan on Friday and the intent of the city to extend the ability for restaurants and taverns to allow for outside dining subject to capacity limits, social distancing and sanitary requirements by the State and local authorities. Mr. Rothert continued to explain that the resolution puts that into effect once Phase 4 is underway until October 31, 2020.

Mayor Luft discussed how the resolution gives the option for customers not comfortable with inside dining to remain to have the option to dine outdoors.

7.15. Policy Discussion: Use of Remaining CDBG Funding Allocated to Small Business Grants

City Manager, Mr. Mark Rothert, introduced the policy discussion regarding the use of the remaining CDBG funding allocated to small business grants. Mr. Rothert noted that a one page sheet had been emailed to Council in preparation of the meeting that was not included in the Council packet. Mr. Rothert described the City's CDBG program was budgeted for $1,194,843 in expenditures and the City allocated $1,010,768 towards small business assistance grants in response to the COVID-19 pandemic. To date $544K has been allocated to small businesses leaving leftover funds. The program also budgeted other expenditures such as housing rehab for carry over projects and service grants to non-profits. Mr. Rothert continued to explain that the City has an option to make additional contributions to non-profits. Due to the City's economic concerns, it was recommended to expend the funds on admin, demolition of 228 Margaret Street and other structures in need of demolition, fire prevention and response, infrastructure or non-profit city facilities, public service grants to non-profits, and residential rehab to address carry over projects. A public hearing to amend the plan would be scheduled along with a public comment period. Mr. Rothert addressed the cost delay and preferred to use TIF funds to disburse the funds sooner.

Mayor Luft, Councilmember Orrick and Councilmember Abel spoke in favor of having a percentage expended toward demolition projects.

Minutes Acceptance: Minutes of Jun 22, 2020 5:30 PM (Approval of Minutes)

Council discussed the allocation of non-profit grant funding.

Councilmember Orrick felt the non-profit grant funding should be increased.

Mr. Rothert clarified that the non-profit organizations have to be providing a service of low to moderate income people or a new service. Mr. Rothert advised Council that directions should be given should they feel money should be moved.

Councilmember Hilst spoke in favor of dividing the leftover funds to the rest of the small businesses. Councilmember Orrick was open to the idea but needed more time to decide.

Councilmember Hilst spoke against expending the grant funds towards the demolition of 228 Margaret Street as he felt the funds should come from TIF.

Mr. Rothert stated that feedback is welcomed from Council but his goal was to refund some of the priorities listed before COVID hit, balance TIF funds and consider where resources should be utilized.

Council discussed the need for new fire vehicles and other new apparatuses.

Council also discussed the spending plan and receiving funds upfront and paying it back with future money.

7.16. Accounts Payable To Be Paid Proof List thru June 12, 2020

Mayor Luft let Councilmember Hilst take the lead on the agenda item.

Councilmember Hilst questioned the expenditure regarding the line item for material testing and consulting services at 228 Margaret Street.

City Manager, Mr. Rothert, explained that when coding expenses they are going into the correct line item.

Finance Director, Mr. Bruce Marston, added that the line item was purchase of property and any cost related of the property getting assessed or inspected would go into that line item.

Councilmember Hilst also spoke against the reimbursement of cell phone usage by employees.

ANY OTHER BUSINESS TO COME BEFORE THE COUNCIL

Councilmember Orrick discussed the timing of the release of the draft and final agenda to Council.

Councilmember Nutter discussed the addressing the SEICO parking lot at the next meeting and CDBG changes tied into the capital improvement plan and requested an update of the list of houses on the demolition schedule.

Councilmember Hilst commented on the PUATT application projects for Court and Parkway down to Stadium Drive, the improvement for 14th to 7th Street and for the future. Mr. Rothert clarified that the application for Court Street was submitted but not the application for Derby Street. Councilmember Hilst also addressed manhole covers.

Mayor Luft addressed other areas of manhole repairs.

Minutes Acceptance: Minutes of Jun 22, 2020 5:30 PM (Approval of Minutes)

Mayor Luft read a comment from Mr. Nicholas Hall regarding black lives matter and people of color being killed.

Mayor Luft announced that a statement would be forthcoming but felt the events happening was all horrific.

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

	5 Year CIP. The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness
	Police & Fire Pension Obligation. To meet the 90% funding level by the year 2040 it is essential the City plan carefully and maintain financial discipline to meet its $63 million dollar obligation.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

CONTRACTOR CERTIFICATIONS

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shou the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance wit the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United Stat which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee sc convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrat to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neitl authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United Stat which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result c conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmenta entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made ar admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committe bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not curre under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this w may be cancelled.

CONTRACTOR CERTIFICATIONS

County Tazewell
Local Public Agency City of Pekin
Section Number
Route Sidewalks

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed should the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neithe authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of th firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currentl under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this wor may be cancelled.

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shoul the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance wit the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neithe authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currently under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this work may be cancelled.

PAPER BID BOND

WE The PIPCO Companies, Ltd. 1409 W. Altorfer Drive Peoria, IL 61615 as PRINCIPAL,

and Nationwide Mutual Insurance Company 1100 Locust St., Dept. 2006 Des Moines, IA 50391-2006 as SURETY,

are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements set forth in the preceding paragraph, then the LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this 6th day of July, 2020

1. Proposal of Gale Court Outfall Erosion Project

for the improvement of the above section by the construction of Reset section of existing concrete pipe, place precast concrete pipe and end section, and place RR4 riprap to control erosion, and all related work.

a total distance of _____ feet, of which a distance of _____ feet, (miles) are to be improved.

2. The plans for the proposed work are those prepared by City of Pekin and approved by the Department of Transportation on _____

3. The specifications referred to herein are those prepared by the Department of Transportation and designated as "Standard Specifications for Road and Bridge Construction" and the "Supplemental Specifications and Recurring Special Provisions" thereto, adopted and in effect on the date of invitation for bids.

4. The undersigned agrees to accept, as part of the contract, the applicable Special Provisions indicated on the "Check Sheet for Recurring Special Provisions" contained in this proposal.

5. The undersigned agrees to complete the work within _____ working days or by September 30, 2020 unless additional time is granted in accordance with the specifications.

6. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Contract Proposals, will be required. Bid Bonds will be allowed as a proposal guaranty. Accompanying this proposal is either a bid bond if allowed, on Department form BLR 12230 or a proposal guaranty check, complying with the specifications, made payable to:

City of Pekin Treasurer of _____

The amount of the check is 5% Bid Bond ( ).

7. In the event that one proposal guaranty check is intended to cover two or more proposals, the amount must be equal to the sum of the proposal guaranties, which would be required for each individual proposal. If the proposal guaranty check is placed in another proposal, it will be found in the proposal for: Section Number n/a.

8. The successful bidder at the time of execution of the contract will not be required to deposit a contract bond for the full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu thereof. If this proposal is accepted and the undersigned fails to execute a contract and contract bond as required, it is hereby agreed that the Bid Bond or check shall be forfeited to the Awarding Authority.

9. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price.

10. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

11. The undersigned submits herewith the schedule of prices on BLR 12200a covering the work to be performed under this contract.

12. The undersigned further agrees that if awarded the contract for the sections contained in the combinations on BLR 12200a, the work shall be in accordance with the requirements of each individual proposal for the multiple bid specified in the Schedule for Multiple Bids below.

CONTRACTOR CERTIFICATIONS

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shoulc the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neithe authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currently under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this work may be cancelled.

PAPER BID BOND

WE Otto Baum Company, Inc., 866 N Main St, Morton, IL 61550 as PRINCIPAL,

and Travelers Casualty and Surety Company of America, One Tower Square, Hartford, CT 06183-6014 as SURETY,

are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements set forth in the preceding paragraph, then the LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this 7th day of July 2020

CONTRACTOR CERTIFICATIONS

County Tazewell
Local Public Agency City of Pekin
Section Number
Route St Clair Dr

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed should the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currently under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this work may be cancelled.

All contractors are required to complete the following certification:

☒ For this contract proposal or for all groups in this deliver and install proposal.

☐ For the following deliver and install groups in this material proposal:

Illinois Department of Transportation policy, adopted in accordance with the provisions of the Illinois Highway Code, requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are (1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and (2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.

II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.

III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all of the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

Operators # 649
Laborers # 231

Attachment: G A RICH & SONS INC (2239 : Receive and File St. Clair Sewer Repair Bids)

IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners or members and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership. ☐

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all of its subcontractors. In order to fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

Department of Public Works

SUMMARY OF WORK

The City of Pekin is accepting bids to repair a section of sewer that is in need of repair and has caused a sink hole in St Clair Drive in Pekin, IL. The work will consist of removing and replacing sanitary sewer and all associated work.

Project shall be substantially complete by August 21, 2020 unless extension granted by the City Engineer due to weather restrictions.

All questions can be directed to Josie Esker at (309) 478-5399 or Lorri Winchester at (309) 478-5348.

SCOPE OF WORK

It is understood and agreed that the quantities mentioned herein for unit price items are only approximate and are assumed SOLELY for the comparison of quantities of the various classes of work that are to be performed under the Contract, and that if awarded, the Contract for the WORK therein mentioned, the undersigned will not make any claim for damages or for loss of profits, or for an extension of time for the performance of the WORK because of difference between the quantities of the various classes of work assumed for comparison of bids and the quantities of work actually performed. It is understood that there may be unforeseen circumstances that may result in additional work. Prior approval from the City Engineer will be required before that work will be authorized to be performed.

All work will be done in accordance with the Standard Specifications for Water and Sewer Main Construction in Illinois, the Illinois Department of Transportation Standard Specification for Road and Bridge Construction adopted April 1, 2016, and the Illinois Department of Transportation Supplemental Specifications. In addition to the following:

8 inch PVC SDR 26 Gravity Sewer (Foot) – Removal of existing VCL 8" pipe and replace with PVC SDR 26 meeting ASTM D-3034. Contractor shall verify the existing slope prior to installation of repair. One connection for PVC to Clay Pipe will need to be made. All connections made between existing sewer and new sewer shall be made by use of a rubberized connection creating a water-tight seal and will be incidental to the price of pipe. Explanations TAZEWELL COUNTY

ASBESTOS - See Laborers

CARPENTERS (NORTH) - That part of the county North including the towns of Marquette Hts., Morton, Creve Coeur and Deer Creek.

LABORERS (NORTHWEST) - The area bounded by the old city limits of East Peoria.

MILLWRIGHTS - See Carpenters PILEDRIVERS - See Carpenters

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - Removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

CONTRACTOR CERTIFICATIONS

County Tazewell
Local Public Agency City of Pekin
Section Number
Route St Clair Dr

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shoulc the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neithe authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United State which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of th firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currentl under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this wo may be cancelled.

and to bind the Company thereby, as fully and to the same extent as if such instruments were signed by the duly authorized officers of the Company; and all acts of said Attorney pursuant to the authority given are hereby ratified and confirmed.

This power of attorney is made and executed pursuant to and by authority of the following resolution duly adopted by the board of directors of the Company:

"RESOLVED, that the president, or any vice president be, and each hereby is, authorized and empowered to appoint attorneys-in-fact of the Company, and to authorize them to execute and deliver on behalf of the Company any and all bonds, forms, applications, memorandums, undertakings, recognizances, transfers, contracts of indemnity, policies, contracts guaranteeing the fidelity of persons holding positions of public or private trust, and other writings obligatory in nature that the business of the Company may require; and to modify or revoke, with or without cause, any such appointment or authority; provided, however, that the authority granted hereby shall in no way limit the authority of other duly authorized agents to sign and countersign any of said documents on behalf of the Company."

"RESOLVED FURTHER, that such attorneys-in-fact shall have full power and authority to execute and deliver any and all such documents and to bind the Company subject to the terms and limitations of the power of attorney issued to them, and to affix the seal of the Company thereto; provided, however, that said seal shall not be necessary for the validity of any such documents."

This power of attorney is signed and sealed under and by the following bylaws duly adopted by the board of directors of the Company.

Execution of Instruments. Any vice president, any assistant secretary or any assistant treasurer shall have the power and authority to sign or attest all approved documents, instruments, contracts, or other papers in connection with the operation of the business of the company in addition to the chairman of the board, the chief executive officer, president, treasurer or secretary; provided, however, the signature of any of them may be printed, engraved, or stamped on any approved document, contract, instrument, or other papers of the Company.

IN WITNESS WHEREOF, the Company has caused this instrument to be sealed and duly attested by the signature of its officer the 27th day of February, 2019.

Antonio C. Albanese, Vice President of Nationwide Mutual Insurance Company, AMCO Insurance Company, Allied Property and Casualty Insurance Company

ACKNOWLEDGMENT

STATE OF NEW YORK, COUNTY OF NEW YORK: ss
On this 27th day of February, 2019, before me came the above-named officer for the Company aforesaid, to me personally known to be the officer described in and who executed the preceding instrument, and he acknowledged the execution of the same, and being by me duly sworn, deposes and says, that he is the officer of the Company aforesaid, that the seal affixed hereto is the corporate seal of said Company, and the said corporate seal and his signature were duly affixed and subscribed to said instrument by the authority and direction of said Company.

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

	5 Year CIP. The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness
	Police & Fire Pension Obligation. To meet the 90% funding level by the year 2040 it is essential the City plan carefully and maintain financial discipline to meet its $63 million dollar obligation.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

Sealed proposals for the furnishing or delivering & installing materials required in the construction/maintenance of the above Section will be received and at that time publicly opened and read at the office of City of Pekin City Clerk, 111 S. Capitol Street, Pekin, IL 61554 (Address) until 10:00 AM (Time) on July 8, 2020 (Date)

1. Plans and proposal forms will be available in the office of City of Pekin City Clerk 111 S. Capitol Street, Pekin, IL 61554 (Address)
2. ☒ Prequalification. If checked, the 2 low bidders must file within 24 hours after the letting an "Affidavit of Availability" (Form BC 57), in duplicate, showing all uncompleted contracts awarded to them and all low bids pending award for Federal, State, County, Municipal and private work.
3. The Awarding Authority reserves the right to waive technicalities and to reject any or all proposals as provided in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals.
4. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals, will be required. Bid Bonds will be allowed as a proposal guaranty.
5. The successful bidder at the time of execution of the contract will be required to deposit a contract bond for the full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu thereof. Failure on the part of the contractor to deliver the material within the time specified or to do the work specified herein will be considered just cause to forfeit his surety as provided in Article 108.10 of the Standard Specifications.
6. Proposals shall be submitted on forms furnished by the Awarding Authority and shall be enclosed in an envelope endorsed "Material Proposal, Section 20-00000-02-GM".

By Order of City of Pekin (Awarding Authority) _____ (Date) _____ (County Engineer/Superintendent of Highways/Municipal Clerk)

Material Proposal or Deliver & Install Proposal

To City of Pekin (Awarding Authority)

If this bid is accepted within 45 days from date of opening, the undersigned agrees to furnish or to deliver & install any or all of the materials, at the quoted unit prices, subject to the following:

1. It is understood and agreed that the "Standard Specifications for Road and Bridge Construction", adopted April 1, 2016, and the "Supplemental Specifications and Recurring Special Provisions", adopted January 1, 2020, prepared by the Department of Transportation, shall govern insofar as they may be applied and insofar as they do not conflict with the special provisions and supplemental specifications attached hereto.
2. It is understood that quantities listed are approximate only and that they may be increased or decreased as may be needed to properly complete the improvement within its present limits or extensions thereto, at the unit price stated and that bids will be compared on the basis of the total price bid for each group.
3. Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the acceptance at the point and in the manner specified in the "Schedule of Prices". If delivery on the job site is specified, it shall mean any place or places on the road designated by the awarding authority or its authorized representative.
4. The contractor and/or local agency performing the actual material placement operations shall be responsible for providing work zone traffic control, unless otherwise specified in this proposal. Such devices shall meet the requirements of and be installed in accordance with applicable provisions of the "Illinois Manual on Uniform Traffic Control Devices" and any referenced Illinois Highway Standards.
5. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

Discounts will be allowed for payment as follows: _____ % _____ calendar days: _____ % _____ calendar days.
Discounts will not be considered in determining the low bidder.

County Tazewell
Local Agency City of Pekin
Section 20-00000-02-GM

All contractors are required to complete the following certification:

☒ For this contract proposal or for all groups in this deliver and install proposal.

☐ For the following deliver and install groups in this material proposal:

Illinois Department of Transportation policy, adopted in accordance with the provisions of the Illinois Highway Code, requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are (1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and (2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.

II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.

III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all of the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

See Attached

Attachment: RA CULLINAN & SON DIV OF UCM INC (2243 : Receive and File 2020 Chip Seal Project Bids)

IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners or members and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership. ☐

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all of its subcontractors. In order to fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

2020 (FY21) ROADWAY MAINTENANCE FINAL SELECTIONS

Illinois Department of Transportation

Special Provisions

Local Public Agency	County	Section Number
City of Pekin	Tazewell	20-00000-02-GM

The following Special Provision supplement the "Standard Specifications for Road and Bridge Construction", adopted April 1, 2016, the latest edition of the "Manual on Uniform Traffic Control Devices for Streets and Highways", and the "Manual of Test Procedures of Materials" in effect on the date of invitation of bids, and the Supplemental Specification and Recurring Special Provisions indicated on the Check Sheet included here in which apply to and govern the construction of the above named section, and in case of conflict with any parts, or parts of said Specifications, the said Special Provisions shall take precedence and shall govern.

CONTRACTOR INFORMATION:
The selected contractor shall supply the following to the municipality within one week of being selected:

* Certificate of insurance
* One year warranty on all completed work
* Day and night phone numbers for contractor's representative
* Staging locations
* Start and completion dates
* Street seal coating schedule

COMPLETION DATE:
All work shall be completed by August 31, 2020.

FAILURE TO COMPLETE WORK ON TIME:
Should the contractor fail to complete work by August 31, 2020, the contractor shall be liable to the City of Pekin at the rate of $475 per calendar day without an approved written time extension request.

PUBLIC SAFETY AND CONVENIENCE:
The contractor shall at all times conduct their work so as to ensure the least possible obstructions to traffic and inconvenience to the general public and the residents in the vicinity of the work, and to insure the protection of persons and property in a manner satisfactory to the City Engineer or their designee. No road or street shall be closed to the public except with the permission of the City Engineer or their designee and proper governmental authority. Fire hydrants on or adjacent to the work shall be kept accessible to fire-fighting equipment at all times. The contractor is responsible for all traffic guidance or detours within the project area.

The Contractor will be responsible for notifying residents of street construction and ensuring that parking on the street will be prohibited during construction. The Contractor will supply the City in writing the plan for notification prior to the start of construction for approval. Notification to the residents shall be made a minimum of 24 hours prior to construction on the corresponding street.

The cost of furnishing any material for notification purposes shall be included in the price of the contract and no additional payments shall be allowed.

SCHEDULE OF CONSTRUCTION:
The Contractor will coordinate with the City Engineer or their designee prior to beginning any work.

PUNCH LIST ITEMS:
All punch list items shall be completed by the date agreed upon unless additional time is granted in accordance with the specifications.

TRAFFIC CONTROL PLAN:
Traffic control shall be in accordance with the applicable sections of the Standard Specifications for Road

and Bridge Construction, the applicable guidelines contained in the Illinois Manual on Uniform Traffic Control Devices for Streets and Highways, these special provisions, and any special details and Highway Standards contained herein and in the Plans.

The cost of furnishing and maintaining barricades, warning signs, and warning lights, as required herein shall be included in the price of the contract and no additional payments shall be allowed.

RIGHTS OF THE MUNICIPALITY:
The Municipality reserves the right to increase or decrease quantities at the unit price bid and/or delete any item completely.

MAILBOXES AND SIGNS:
Any mailboxes or signs that require removal must be replaced at their exact locations. This work and all materials required to perform this work shall be included in the price of the contract.

SEEDING:
Any seeding required because of disturbance by construction shall be completed under the direction of the City Engineer or their designee's direction. This work and all materials required to perform this work shall be included in the price of the contract.

STREET SWEEPING:
The Contractor will be responsible for sweeping the roadways prior to applying seal coat. No sweeping will be required after the placement of the rock. This work and all materials, equipment, and labor required to perform this work shall be included in the price of the contract.

MANHOLES, VALVES, INLETS, & CURBS:
Manholes, valves, and inlets shall not be sealed over; they shall remain clean and visible. Protection of the manholes, valves, and inlets shall be completed prior to the application of the bituminous material. Locations where concrete curb pan is present shall not be sealed over. Cost of protecting existing manholes, valves, inlets, and curbs shall be included in the price of the contract.

BITUMINOUS MATERIAL (SEAL COAT):
The work to be done for under this item shall be accomplished, measured and paid for according to Section 403 of the "Standard Specifications." Bituminous materials for seal coating shall be a Cationic Rapid Setting Polymer (CRSP) modified emulsion and shall be applied at a rate within the range of 0.38 gal/sy to 0.42 gal/sy. The contractor shall have the proposed application rate of the CRSP approved by the City Engineer or their designee prior to construction. It will be the Contractor's responsibility to provide the City Engineer or their designee with all the necessary inspection and specific gravities of the bituminous material. The Contractor shall be responsible for supplying the City Engineer or their designee with a sample of the emulsion from each tanker delivered on this project. Said sample shall comply with City and/or IDOT requirements. The samples will be tested by the City for compliance with the "Standard Specifications." The contractor shall be liable for the failure of those materials to satisfy the "Standard Specifications." Seal coat work shall be done at various locations as specified by the City Engineer or their designee and the work shall be performed as directed by the City Engineer or their designee. All patching of the existing surface, or scarifying and blading shall be performed by others at no expense to the Contractor.

The contractor shall furnish all necessary signs, barricades, and flaggers to insure that the streets are kept free of traffic until such time as the seal coat aggregate has been applied and properly rolled. The cost of necessary equipment, labor, signing, barricading and other necessary work to complete this item of construction shall be included in this pay item.

This work and all materials required to perform this work shall be paid for at the contract unit price per gallon for BITUMINOUS MATERIALS CRS-P.

SEAL COAT AGGREGATE (CRUSHED BLACK ROCK)
The work to be done under this pay item shall be accomplished, measured and paid for according to Section 403 of the "Standard Specifications." Seal coat aggregate shall be applied at a rate within the range of 22lb/sy to 24lb/sy. The Contractor shall have the proposed application rate of the aggregate approved by the City Engineer or their designee prior to construction. The Contractor shall supply one rubber (pneumatic) tire and one steel roller to compact the seal coating materials. All aggregate shall be washed. All the necessary equipment, labor, signing, barricading, and other necessary work to complete item shall be included in the unit price.

Because of its use in residential and commercial areas, the seal coat aggregate shall be crushed black rock ("trap rock") and shall meet the following additional requirements:
* The percentage of material passing the washed 200 sieve shall be less than one percent (1%) in the stockpile at the gravel pit location.
* The material is to be crushed and screen to meet the applicable portions of Article 1004 of the "Standard Specifications"
* The specific gravity shall be between 2.25 and 2.75
* The LA Abrasion Number shall be 19 or less.
* The gradation shall be CA-16 or CM-13.
* The pit shall be required to furnish copies of stockpile gradations to verify that the specifications and weight requirements are met.

This work and all materials required to perform this work shall be paid for at the contract unit price per ton for SEAL COAT AGGREGATE.

PAPER BID BOND

WE R.A. Cullinan & Son, A Division of United Contractors Midwest, Inc. as PRINCIPAL,

and Travelers Casualty & Surety Company of America as SURETY,
are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE, if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements as set forth in the preceding paragraph, then LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this 8th day of July, 2020.

6.4b Total number of times study room(s) used by the public during the fiscal year	2,520

ASSETS AND LIABILITIES (7.1 - 7.13)

The below sections request information regarding property, fiscal accumulations and outstanding liabilities. These sections are required by statute [[75 ILCS 5/4-10, 75 ILCS 16/30-65] to be included in the annual report. Please provide the requested information in each section.

Property

Libraries are required by statute [75 ILCS 5/4-10(4), 75 ILCS 16/30-65(a)(3)] to provide a statement as to property acquired through legacy, purchase, gift or otherwise. Please provide this information in the section below.

7.1 What is the estimated current fair market value for the library's real estate (land and buildings including garages, sheds, etc.)?	$9,270,000
7.2 During the last fiscal year, did the library acquire any real and/or personal property?	No

IF YES, how much of the property was acquired through the following options? (Enter dollar amount for each option 7.3-7.6 that applies)

7.3 Purchase	
7.4 Legacy	
7.5 Gift	
7.6 Other	
7.7 Provide a general description of the property acquired.	

Fiscal Accumulations

Libraries are required by statute [75 ILCS 5/4-10(7), 75 ILCS 16/30-65(a)(4)] to provide a statement as to the amount of any fiscal accumulations and the reasons for the accumulations. Please provide this information in the section below.

7.8 Does your library have fiscal accumulations (reserve funds, outstanding fund balances, etc.)?	Yes
7.9 IF YES, then provide a statement that details the dollar amount(s) and the reason(s) for the fiscal accumulations.	603,795 in endowments for future purchases and construction; 8007 for technology savings; 102,971 for capital projects and repairs

Liabilities

Libraries are required by statute [75 ILCS 5/4-10(8), 75 ILCS 16/30-65(a)(5)] to provide a statement as to any outstanding liabilities, including for bonds still outstanding. Please provide this information in the section below.

7.10 Does your library have any outstanding liabilities including bonds, judgments, settlements, etc.?	Yes

Attachment: LIBRARY ANNUAL REPORT 2020 (2250 : Pekin Public Library Annual Report 2020)

7.11 IF YES, what is the total amount of the outstanding liabilities?	$4,390,000
7.12 IF YES, then prepare a statement that identifies each outstanding liability and its specific dollar amount.	4390000 for the 2015 building renovation project

OPERATING RECEIPTS BY SOURCE (8.1 - 8.21)

Libraries are required by statute [75 ILCS 5/4-10(1)(9), 75 ILCS 16/30-65(a)(6)] to provide an itemized statement of operating receipts. "Operating receipts" are the monies received and utilized during the library's fiscal year to support the provision of ongoing, day-to-day library services. Only include funds received during the report period. If the library was awarded a grant, but only received part of the funds during the report period, report only the portion of the grant received, not the whole amount of the grant.

Exclude revenue for major capital expenditures, contributions to endowments, revenue passed through to another agency, funds unspent in previous fiscal years (e.g. carryover), and tax anticipation warrants.

NOTE: Round answers to the nearest whole dollar.

Local Government

This includes all local government funds designated by the community, district, or region and available for expenditure by the public library. For example, include receipts from: local property taxes (library taxes), impact fees (IL Highway Code), the Mobile Home Local Services Tax Act. Do not include the value of any contributed or in-kind services or the value of any gifts and donations, library fines, fees, or grants. Do not include state, federal, and other funds passed through local government for library use. Report these funds with state government revenue or federal government revenue, as appropriate.

8.1 Local government [PLSC 300] (includes all local government funds designated by the community, district, or region and available for expenditure by the public library, except capital income from bond sales which must be reported in 12.1a only)	$1,129,819
8.1a Is this library's annual tax levy/fiscal appropriation subject to tax caps [the Property Tax Extension Limitation Law, 35 ILCS 200/18-185, et seq.]?	No
8.1b Local government funds for the ensuing or upcoming/current fiscal year (includes all local government funds designated by the community, district, or region and available for expenditure by the public library, except capital income from bond sales.)	$1,154,750

State Government

These are all funds distributed to public libraries by state government for expenditure by the public libraries, except for federal money distributed by the state. This includes funds from such sources as penal fines, license fees, and mineral rights.

Note: If operating revenue from consolidated taxes is the result of state legislation, the revenue should be reported under state revenue (even though the revenue may be from multiple sources).

If you are not sure if funds you received through the State of Illinois are federal of state funds, please contact Pat Burg (217-785-1168, pburg@ilsos.gov).

8.2 Per capita grant	$42,618
8.3 Equalization aid grant	$0
8.4 Personal property replacement tax	$125,671
8.5 Other State Government funds received	$1,433
8.6 If Other, please specify	South Pekin Per Capita Grant: 1433
8.7 Total State Government Funds (8.2 + 8.3 + 8.4 + 8.5) [PLSC 301]	$169,722

Attachment: LIBRARY ANNUAL REPORT 2020 (2250 : Pekin Public Library Annual Report 2020)

Federal Government

This includes all federal government funds distributed to public libraries for expenditure by the public libraries, including federal money distributed by the State of Illinois (e.g., LSTA grants paid directly to your library).

If you are unsure if the funds you received through the State of Illinois were federal or state funds, please contact Pat Burg (217-785-1168, pburg@ilsos.gov).

8.8 LSTA funds received	$0
8.9 E-Rate funds received	$3,239
8.10 Other federal funds received	$0
8.11 If Other, please specify	-1 Not Applicable
8.12 Total Federal Government Funds (8.8 + 8.9 + 8.10) [PLSC 302]	$3,239

Other Income

This is all operating revenue other than that reported under local, state, and federal funds. Include, for example, monetary gifts and donations received in the current year, interest, library fines, fees for library services, or grants. Do not include the value of any contributed or in-kind services or the value of any non-monetary gifts and donations.

8.13 Monetary Gifts and Donations	$10,480
8.14 Other receipts intended to be used for operating expenditures	$58,419
8.15 TOTAL all other receipts (8.13 + 8.14) [PLSC 303]	$68,899
8.16 Other non-capital receipts placed in reserve funds	$0

Total Operating Receipts

8.17 TOTAL receipts (8.1 + 8.7 + 8.12 + 8.15) [PLSC 304]	$1,371,679

Safeguarding of Library Funds

This section requests information to verify that libraries meet the statutory required minimum level of insurance for library funds [75 ILCS 5/4-9 and 75 ILCS 16/30-45(e)]. According to these statutes, "the library shall provide the Illinois State Library a copy of the library's certificate of insurance at the time the library's annual report is filed."

For municipalities of less than 500,000 population, 75 ILCS 5/4-9 requires that the bond be "...not less than 50% of the total funds received by the library in the last fiscal year...," or the insurance policy or other insurance instrument's coverage "...shall be in an amount at least equal to 50% of the average amount of the library's operating fund from the prior 3 fiscal years."

For public library districts, 75 ILCS 16/30-45(e) requires that the bond be "...based upon a minimum of 50% of the total funds received by the district in the last previous fiscal year...," or the insurance policy or other insurance instrument's coverage "... shall be in an amount at least equal to 50% of the average amount of the district's operating fund from the prior 3 fiscal years."

8.18a The library safeguards its funds using which option?	Surety Bond
8.18b Proof of Certificate of Insurance for Library Funds	-1 Have Surety Bond
8.19 What is the coverage amount of either the surety bond OR the insurance policy/insurance instrument?	$700,000
8.20 Is the amount of the surety bond, insurance policy or other insurance instrument in compliance with library law?	Yes
8.21 The designated custodian of the library's funds is:	Other

OPERATING EXPENDITURES BY CATEGORY (9.1 - 11.2)

Libraries are required by statute [75 ILCS 5/4-10(2), 75 ILCS 16/30-65(a)(6)] to provide an itemized statement as to how operating revenues have been expended during the fiscal year report period. "Operating expenditures" are the current and recurrent costs necessary to support the provision of library services.

Include: Significant costs, especially benefits and salaries, that are paid by other taxing agencies (government agencies with the authority to levy tax) "on behalf of" the library may be included if the information is available to the reporting agency. Only such funds that are supported by expenditure documents (such as invoices, contracts, payroll records, etc.) at the point of disbursement should be included.

Exclude: Do not report the value of free items, estimated costs, and capital expenditures.

NOTE: Round answers to the nearest whole dollar.

STAFF EXPENDITURES (9.1-9.3)

This section gathers information on staff benefits and salaries. If the information is available, include benefits and salaries for staff that are paid by other taxing agencies (government agencies with the authority to levy tax) "on behalf of" the library.

NOTE: Round answers to the nearest whole dollar.

9.1 Salaries and wages for all library staff [PLSC 350]	$649,619
9.2a Fringe benefits, for all library staff, paid for from either the library's or the municipal corporate authority's appropriation [PLSC 351]	$210,337
9.2b If this library answered question 9.2a as zero, please select an explanation from the drop-down box.	
9.3 Total Staff Expenditures (9.1 + 9.2) [PLSC 352]	$859,956

COLLECTION EXPENDITURES (10.1 - 10.4)

Include expenditures for all materials in all formats (e.g., print, microform, electronic) whether purchased, leased or licensed. Exclude charges or fees for interlibrary loans and expenditures for document delivery.

NOTE: Round answers to the nearest whole dollar.

10.1 Printed Materials (books, newspapers, etc.) [PLSC 353]	$97,684
10.2 Electronic Materials (e-books, databases, etc.) [PLSC 354]	$39,978
10.3a Other Materials (CDs, DVDs, video games, etc.) [PLSC 355]	$25,863
10.3b Please provide an explanation of the other types of material expenditures.	-1 Not Applicable
10.4 TOTAL Collection Expenditures (10.1 + 10.2 + 10.3) [PLSC 356]	$163,525

OTHER OPERATING EXPENDITURES (11.1 - 11.2)

This includes all expenditures other than those reported for Staff Expenditures and Collection Expenditures. Exclude purchases of major fixed assets, which should be reported in capital expenditures (12.7).

NOTE: Round answers to the nearest whole dollar.

11.1 All other operating expenditures not included above (supplies, utilities, legal fees, etc.) [PLSC 357]	$295,226
11.2 TOTAL operating expenditures (9.3 + 10.4 + 11.1) [PLSC 358]	$1,318,707

Attachment: LIBRARY ANNUAL REPORT 2020 (2250 : Pekin Public Library Annual Report 2020)

CAPITAL REVENUE AND EXPENDITURES (12.1 - 12.7)

This section gathers information on capital revenue and expenditures. Provide information for funds received and spent during the fiscal year report period only. If the library was awarded a grant, but only received part of the funds during the report period, report only the amount of the funds received, not the entire grant award.

Capital Revenue

Include funds received during the fiscal year report period for: site acquisitions; new building(s); additions to or renovations of existing buildings; furnishings, equipment, and initial collections for new buildings, building additions, or building renovations; computer hardware and software used to support library operations, to link to networks, or to run information products; new vehicles; or other one-time major projects.

Exclude revenue for: replacement and/or repair of existing furnishings and equipment, regular purchase of library materials, investments for capital appreciation, income passed through to another agency (e.g., fines), and funds unspent in previous fiscal year (e.g., carryover).

NOTE: Round answers to the nearest whole dollar.

12.1a Local Government: Capital Income from Bond Sales	$0
12.1b Local Government: Other	$0
12.1c Total Local Government (12.1a + 12.1b) [PLSC 400]	$0
12.2 State Government [PLSC 401]	$0
12.3 Federal Government [PLSC 402]	$0
12.4 Other Capital Revenue [PLSC 403]	$180,231
12.5 If Other, please specify	insurance recoveries
12.6 Total Capital Revenue (12.1c + 12.2 + 12.3 + 12.4) [PLSC 404]	$180,231

Capital Expenditures

Include funds expended during the fiscal year report period for: site acquisitions; new building(s); additions to or renovations of existing buildings; furnishings, equipment, and initial collections for new buildings, building additions, or building renovations; computer hardware and software used to support library operations, to link to networks, or to run information products; new vehicles; or other one-time major projects.

Exclude expenditures for: replacement and/or repair of existing furnishings and equipment, regular purchase of library materials, investments for capital appreciation, income passed through to another agency (e.g., fines), and funds unspent in previous fiscal year (e.g., carryover).

NOTE: Round answers to the nearest whole dollar.

12.7 Total Capital Expenditures [PLSC 405]	$185,524

Attachment: LIBRARY ANNUAL REPORT 2020 (2250 : Pekin Public Library Annual Report 2020)

PERSONNEL (13.1 - 13.46)

Include all positions funded in the library's budget whether those positions are filled or not. Report position figures as of the last day of the fiscal year. Include only paid employees. Do NOT include volunteers.

Report personnel in the appropriate categories based on the type of library work being performed rather than on an employee's educational qualifications.

The FTE (full-time equivalent/employee) calculator utilizes the IMLS/PLSC national standard for a full-time work week as 40 hours per week. Illinois libraries should report each staff member's hours per week based on the number of hours worked. If your library considers 35-39+ hours per week as a full-time work week, then report using those figures. DO NOT inflate the hours your library considers as a full-time work week in order to force the resulting calculation to equal 1 FTE. For national comparison purposes, your library must report the total hours per week based on your local standard. For example, for an Illinois library that considers 37.5 hours per week as a full-time work week, the FTE calculation reported nationally will be .9375 or .94 rather than 1.00.

SERVICE HOURS/LIBRARY VISITS (14.1 - 14.3)

This section collects information on the number of library service hours and visits. Use an actual annual count, if available; otherwise, calculate an estimate based on a typical week and then multiply by the number of weeks open.

Minor variations in actual public service hours need not be included; however, extensive hours closed to the public due to natural disasters or other critical events should be excluded from the annual calculation.

Attachment: LIBRARY ANNUAL REPORT 2020 (2250 : Pekin Public Library Annual Report 2020)

PROGRAMS & ATTENDANCE (15.1 - 15.17)

Programs:
A program is any planned event which introduces the group attending to any of the broad range of library services or activities or which directly provides information to participants. Programs may cover use of the library, library services, or library tours. Programs may also provide cultural, recreational, or educational information, often designed to meet a specific social need. Examples of these types of programs include film showings; lectures; story hours; literacy, English as a second language, citizenship classes; and book discussions.

Count all programs, whether held on- or off-site, that are sponsored or co-sponsored by the library. Exclude programs sponsored by other groups that use library facilities. If programs are offered as a series, count each program in the series. For example, a film series offered once a week for eight weeks should be counted as eight programs.

Note: Exclude library activities delivered on a one-to-one basis, rather than to a group, such as one-to-one literacy tutoring, services to homebound, resume writing assistance, homework assistance, and mentoring activities.

Passive Programs:
A passive program is any planned event for which the patron can participate on their own (instead of at a designated time with a group). Registration is not required. A staff member may monitor the activity, but may or may not directly interact with the participants. Examples of these types of events include drop-in craft sessions, library scavenger hunts (when not done as part of a group), etc.

Count all passive programs, whether held on- or off-site, that are sponsored or co-sponsored by the library. Exclude programs sponsored by other groups that use library facilities. If programs are offered as a series, count each program in the series.

	15.1 Programs	15.2 Attendance	15.3 Passive Programs	15.4 Passive Program Attendance

15.17b Please describe the programming provided.	Extraordinary Storytime			

REGISTERED USERS (16.1 - 16.4)

This section collects information about the number of resident and non-resident library users. A registered user is a library user who has applied for and received an identification number or card from the public library that has established conditions under which the user may borrow library materials and gain access to other library resources.

Note: Files should have been purged within the past three (3) years.

16.1 Total Number of Unexpired Resident Users Cards	7,231
16.2a Total Number of Unexpired Non-resident Users Cards	325
16.2b What was the total amount of the fees collected from the sale of non-resident user's cards during the past fiscal year?	$3,889.64
16.3 Total Number of Registered Users (16.1 + 16.2a) [PLSC 503]	7,556
16.4 Is your library's registered user/patron file purged a minimum of one time every three years?	Yes

Attachment: LIBRARY ANNUAL REPORT 2020 (2250 : Pekin Public Library Annual Report 2020)

RESOURCES OWNED (17.1 - 17.9)

Libraries are required by statute [75 ILCS 5/4-10(3), 75 ILCS 16/30-65(a)(6)] to provide a statement as to the number and character of items in the library's collection available for use as of the last day of the fiscal year report period.

This section of the survey collects data on selected types of materials. It does not cover all materials (i.e., microforms, loose sheet music, maps, and pictures) for which expenditures are reported under Print Materials Expenditures, Electronic Materials Expenditures, and Other Material Expenditures. Under this category report only items the library has acquired as part of the collection and cataloged, whether purchased, lease, licensed, or donated as gifts that have been purchased, leased or licensed by the library, a consortium, the state library, a donor or other person or entity. Included items must only be accessible with a valid library card or at a physical library location; inclusion in the catalog is not required. Do not include items freely available without monetary exchange. Do not include items that are permanently retained by the patron; count only items that have a set circulation period where it is available for their use. Count electronic materials at the administrative entity level; do not duplicate numbers at each branch.

For guidance in counting electronic materials, please reference the following guide: Counting Electronic Materials for the IPLAR

17.1 Print Materials [PLSC 450]	105,260
17.2 Current Print Serial Subscriptions [PLSC 460]	119

17.6b DVDs/Videos: Downloadable Units Held at end of the fiscal year [PLSC 455] [1]	23,911

Electronic Collections

Report the number of electronic collections. An electronic collection is a collection of electronically stored data or unit records (facts, bibliographic data, abstracts, texts, photographs, music, video, etc.) with a common user interface and software for the retrieval and use of the data. An electronic collection may be organized, curated and electronically shared by the library, or rights may be provided by a third party vendor. An electronic collection may be funded by the library, or provided through cooperative agreement with other libraries, or through the State Library. Do not include electronic collections that are provided by third parties and freely linked to on the web.

Electronic Collections do not have a circulation period, and may be retained by the patron. Remote access to the collection may or may not require authentication. Unit records may or may not be included in the library's catalog; the library may or may not select individual titles. Include electronic collections that are available online or are locally hosted in the library.

Note: The data or records are usually collected with a particular intent and relate to a defined topic.

Report the number of electronic collections acquired through curation, payment or formal agreement, by source of access.

PATRON SERVICES (19.1-19.2)

This section gathers information on services the library provides to its patrons. Please fill in the information requested.

Reference Transactions

Reference Transactions are information consultations in which library staff recommend, interpret, evaluate, and/or use information resources to help others to meet particular information needs.

A reference transaction includes information and referral service as well as unscheduled individual instruction and assistance in using information sources (including web sites and computer-assisted instruction). Count Readers Advisory questions as reference transactions.

NOTE: It is essential that libraries do not include directional transactions in the report of reference transactions. Directional transactions include giving instruction for locating staff, library users, or physical features within the library. Examples of directional transactions include, "Where is the reference librarian? Where is Susan Smith? Where is the rest room? Where are the 600s? Can you help me make a photocopy?"

If an annual count is not available, then select a typical week and multiply by 52 to estimate the annual count.

19.1 Total Annual Reference Transactions [PLSC 502]	14,851

REQUEST FOR COUNCIL ACTION

Agenda Date: **July 13, 2020**
To: **Council Members**
From: **Josie Esker, Assistant City Engineer**

AGENDA ITEM:	Resolution No. 137-20/21 Award Contract for 2020 Sidewalk Improvements to C&G Concrete
ACTION REQUESTED:	Approve and Adopt the Resolution.

DESCRIPTION: This request is to award the 2020 Sidewalk Improvement project contract to C&G Concrete Construction Co. Inc. This project is to remove and replace sidewalks at various locations within the City. Most of the locations are for the City's annual 50/50 program. The City received two bids for this project. The low bid was 10% percent below the Engineer's estimate of $36,959.00, making this a favorable bid for the City. In reviewing the unit costs for the project, the bid seems reasonable and responsible, and staff's recommendation is to award this bid as to complete the improvement as planned.

FINANCIAL IMPACT:

Requested Amount:	$33,253.50
Line Item:	445-041-534900
Budgeted Amount:	$50,000.00
Remaining Funds:	$50,000.00

IMPACT IF APPROVED: The contract will be awarded.

IMPACT IF DENIED: The contract will not be awarded.

ALTERNATIVES: Re-bid the project.

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

X	**5 Year CIP.** The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

CONTRACTOR CERTIFICATIONS

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shou the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance wit the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United Stat which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee sc convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrat to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neitl authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United Stat which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result c conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmenta entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made ar admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committe bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not curre under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this w may be cancelled.

City of Pekin

Department of Public Works

SUMMARY OF WORK

The City of Pekin is accepting bids for removal and installation of PCC sidewalk, PCC Curb, and related items at various locations around Pekin, IL. The work will consist of installing sidewalk to PROWAG standards, which may include but is not limited to the removal and replacement of existing PCC sidewalk, installation of datable warning pads, aggregate base, grading, and curb removal and replacement.

All questions may be directed to Josie Esker at (309) 478-5399 or Lorri Winchester at (309) 478-5348.

SCOPE OF WORK

All work will be done in accordance with the Illinois Department of Transportation Standard Specification for Road and Bridge Construction, 2016 and the Proposed Pedestrian Right of Way Accessibility Guidelines. In addition to the following:

Remove & Replace Combination Concrete Curb and Gutter (FOOT) – This work shall consist of removing existing curb and pouring curb at various locations on the job limits. Curbs shall be constructed in accordance with IDOT Standard Specifications for Road and Bridge Construction Section 606. Two #5 dowels shall be drilled and epoxy grouted into the existing curb at each location. Curb shall either be type B.6-12 or M.2-12, depending on the location. See attached IDOT Standards.

Pavement Removal (SF) – This work shall consist of removing damaged sections of existing concrete sidewalk and/or driveway. Any damage done to adjacent retaining walls, landscaping, or sidewalk shall be repaired at the contractor's expense.

PCC Sidewalk/Ramp 4" (SF) – This work will include placing PCC sidewalk at various locations throughout job limits in accordance with IDOT Standard Specifications for Road and Bridge Construction Section 424, with the exception that magnesium alloy floats will be allowed for final finish. The new sidewalk will be constructed with 4" of concrete thickness. Topsoil, seeding, and nutrients for all disturbed areas shall be included in the cost of PCC Sidewalk 4". Side curb along ADA ramps shall be paid for as PCC Sidewalk 4". Side curbs shall be saw cut at sidewalk control joints prior to cracking. Cost shall be included in PCC Sidewalk 4".

Detectable Warnings (SF) – This work will include installing detectable warnings in locations specified in the bid. Detectable warnings will be placed in accordance with IDOT Standard Specifications for Road and Bridge Construction Section 424.09 and PROWAG Standards.

Aggregate Base Course (TONS) – This work will include the preparation of the subbase for the sidewalk or driveway pavement. The subgrade preparation shall consist of removing all frost within the limits of the proposed sidewalk and then tamping or rolling the subgrade until thoroughly compacted to the satisfaction of the engineer. Then 4 inches of base course aggregate material, consisting of CA-06 or CA-07 shall be placed and shall be rolled or tamped until thoroughly compacted to the satisfaction of the engineer. Recycled aggregate will be allowed. Base material shall be moistened immediately prior to the placement of the concrete. All related earthwork shall be included in the cost of Aggregate Base Course 4". If, at the time the aggregate is weighed, it contains more than six percent of absorbed and free moisture by weight, a deduction for the amount of moisture in excess of this amount will be made in determining

the pay quantity.

Traffic Control (Lump Sum) – This work shall consist of the furnishing, installation, maintenance, relocation, and removal of the equipment, supplies, and the necessary materials to provide traffic control to the project, including the signage for the sidewalk closures. The contractor shall follow the IDOT Standard Specifications for the Road and Bridge Construction Section 701 for traffic control including standards 701602-10, 701801-06, and 701901-08.

Mobilization (Lump Sum) – This work shall consist of preparatory work and operations necessary for the movement of personnel, equipment, supplies, incidentals to the project site, facilities necessary for the work on the project and for all other work or operations which must be performed or cost incurred when beginning work on the project.

SPECIAL PROVISIONS

The following Special Provisions supplement the "Standard Specifications for Road and Bridge Construction," adopted April 1, 2016 and the latest edition of the "Illinois Manual on Uniform Traffic Control Devices for Streets and Highways" in effect on the date of invitation for bids. These special provisions included herein apply to and govern the proposed improvement and in case of conflict with any part or parts of said specifications, said special provisions shall take precedence and shall govern.

CONTRACTOR INFORMATION:

The selected contractor shall supply the following to the municipality within one week of being selected.

- Certificate of insurance
- One year warranty on all completed work to be delivered to municipality.
- Day and night phone numbers for the contractor's representative
- Certified Weekly Payrolls and Monthly Equal Employment Opportunity Reports
- Start and completion dates

PREVAILING WAGE:

Contractor shall not pay less than the prevailing rates of wages to all laborers, workmen, and mechanics performing work under this contract, and shall comply with the requirements of the Illinois Wages of Employees on Public Works Act (820 ILCS 130/1-12).

SIDEWALK CONSTRUCTION:

The construction methods to construct the sidewalk shall conform to Section 423 and 424 of the Standard Specifications for Road and Bridge Construction. The minimum cross slope shall be 1% but shall not exceed 2%. Any sections of sidewalk exceeding 2% cross slope will be removed and replaced at the contractors cost.

CONCRETE MATERIALS:

The concrete will meet the standards of the Section 1020 of the Standard Specifications for Road and Bridge Construction, except that the course aggregate shall consist of crushed limestone. Class SI concrete shall be specified for sidewalks. All cost associated with protection of concrete due to weather temperatures shall be included in the contract.

CURB RAMPS:

Curb cuts and accessible ramps shall conform to the current draft of the Public Right of Ways Accessibility Guidelines.

IDOT standard 4240006-04 shall apply. The Contractor shall confirm the ramp with the Engineer prior to the placement of concrete.

SCHEDULE OF CONSTRUCTION:

Contractor will coordinate with the Engineer prior to beginning any work. A preconstruction meeting will be held prior to any work being performed. This meeting will be scheduled following the award of the project. All work shall be completed by August 15, 2020 unless extension granted by the City Engineer due to weather restrictions. Liquidated Damages of $475 per calendar day will be assessed for work not finished by the completion date.

TRAFFIC CONTROL PLAN:

Traffic control shall be in accordance with the applicable sections of the Standard Specifications for Road and Bridge Construction, the applicable guidelines contained in the Illinois Manual on Uniform Traffic Control Devices for Streets and Highways, these special provisions, and any special details and Highway Standards contained herein and in the Plans.

The cost of furnishing and maintaining barricades, warning signs, and warning lights, as required herein shall be included in the price of the traffic control and no additional payment shall be allowed.

RIGHTS OF THE MUNICIPALITY:

The Municipality reserves the right to increase or decrease quantities at the unit price bid and/or delete any item completely.

PAVEMENT PATCHING:

Areas of asphalt pavement, equal or less than 2 feet from curb front, that is damaged or intentionally removed during the removal of the curb will be repaired by the City of Pekin. Contractor shall be required to remove asphalt in front of curb in a straight line and grade and compact the subbase to within 4 inches of the surface to prepare for asphalt patching. Areas that are cut or damaged greater than 2 ft from curb front will be repaired by the contractor, matching existing depth and type of asphalt being replaced, as required by the City Code. This work and all materials required to perform this work will be included in the price of the contract.

MAILBOXES AND SIGNS:

Any mailboxes or signs that require removal must be replaced at their exact locations. This work and all materials required to perform this work shall be included in the price of the contract.

SEEDING/EROSION CONTROL:

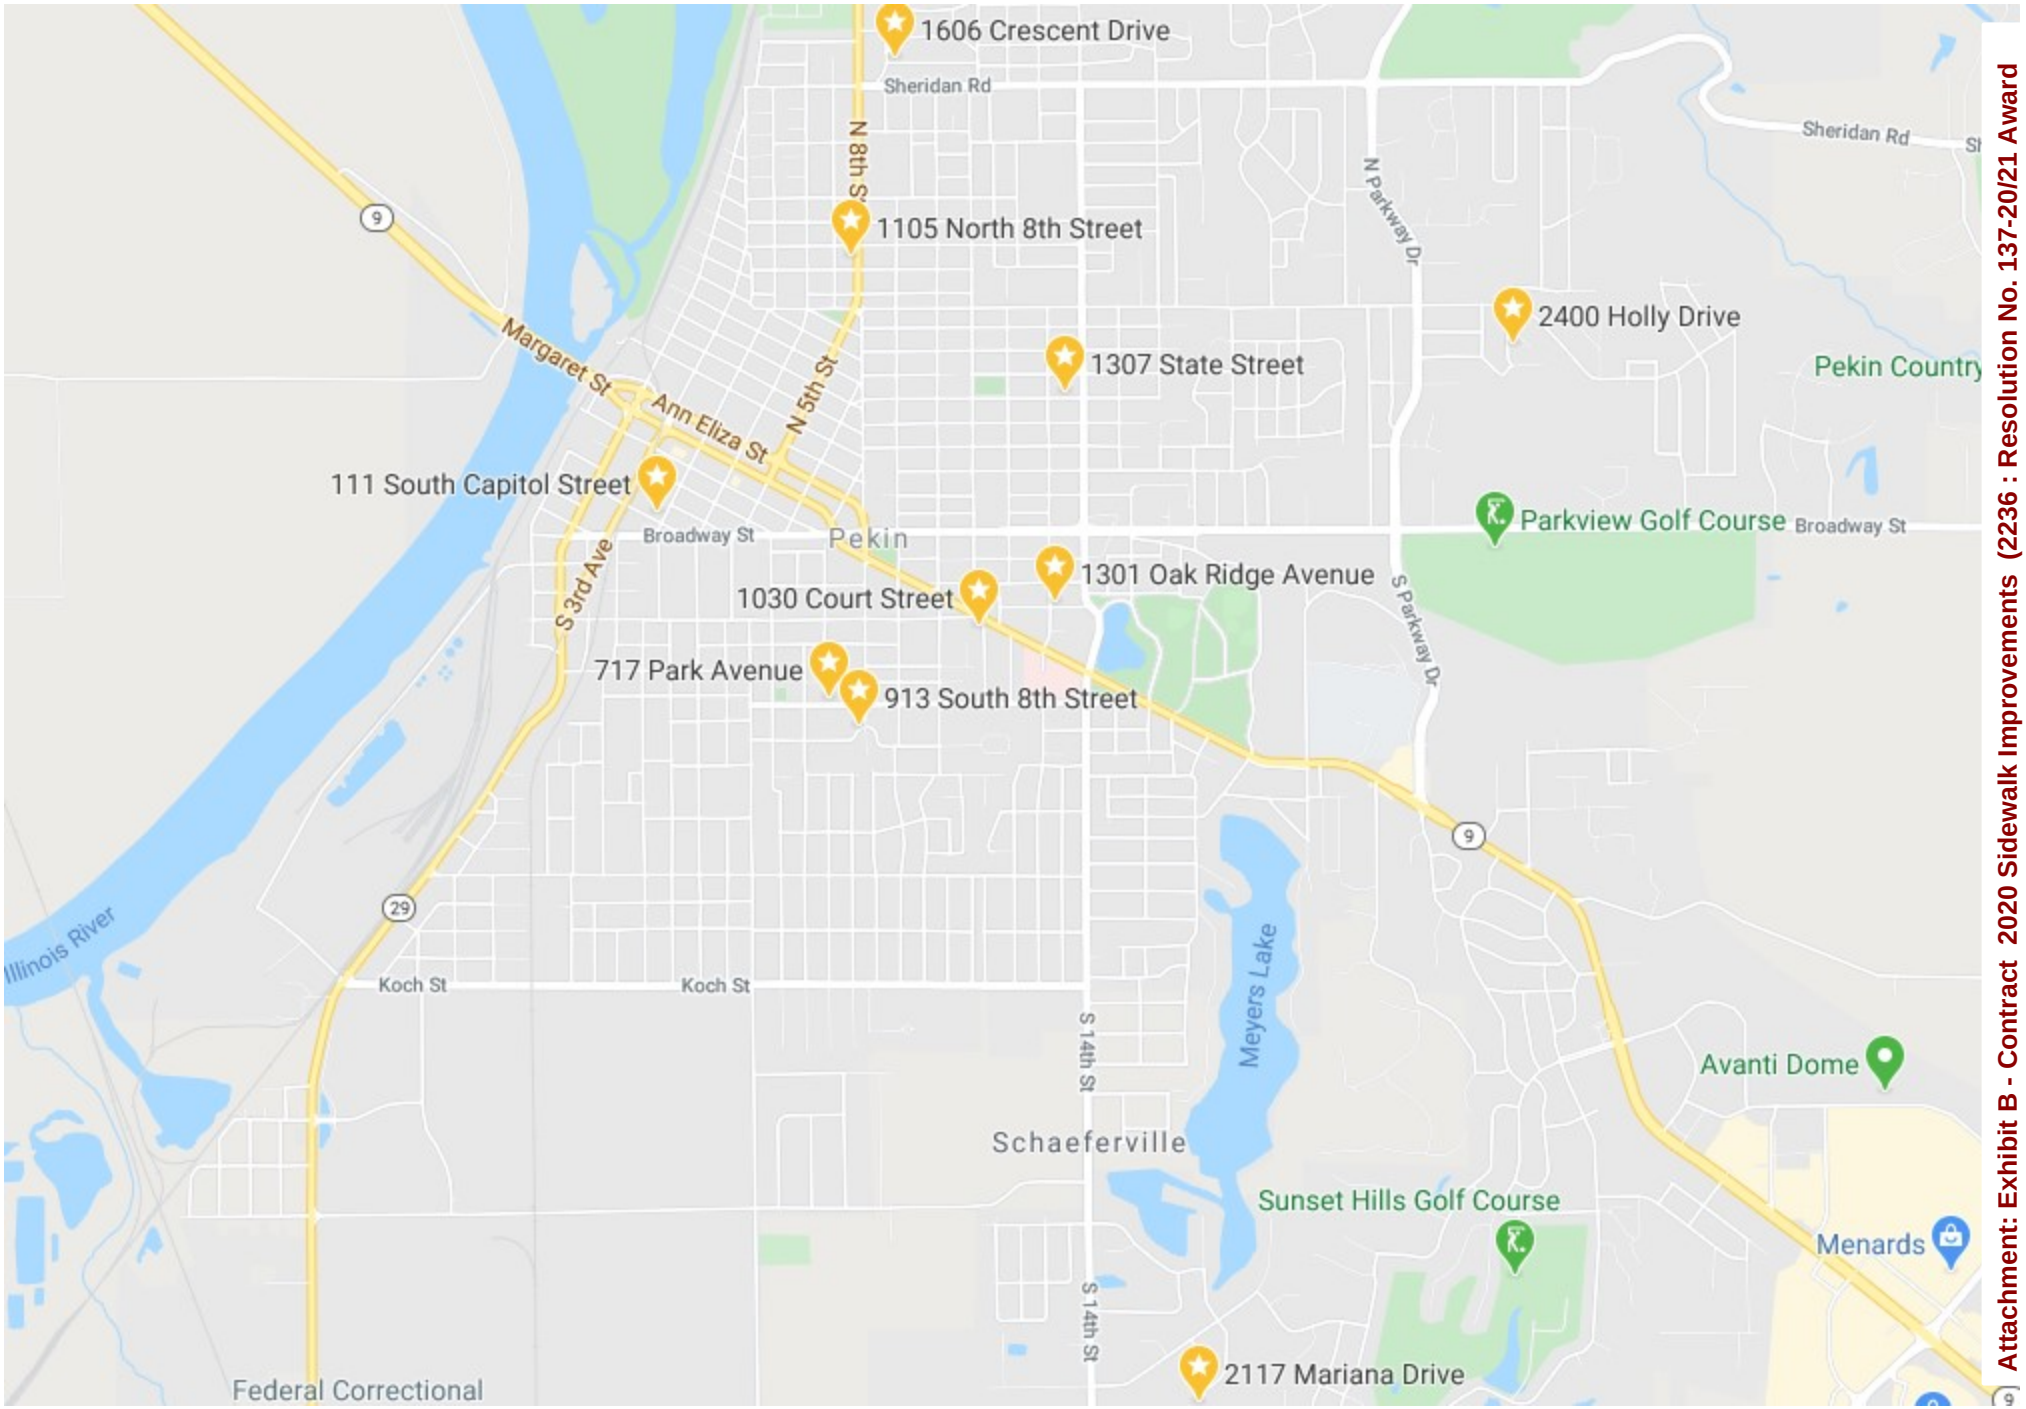

Any seeding and erosion control required because of disturbance by construction shall be completed under Engineer's direction. This work and all materials required to perform this work is minimal and shall be incidental to the contract.

PUBLIC SAFETY AND CONVENIENCE:

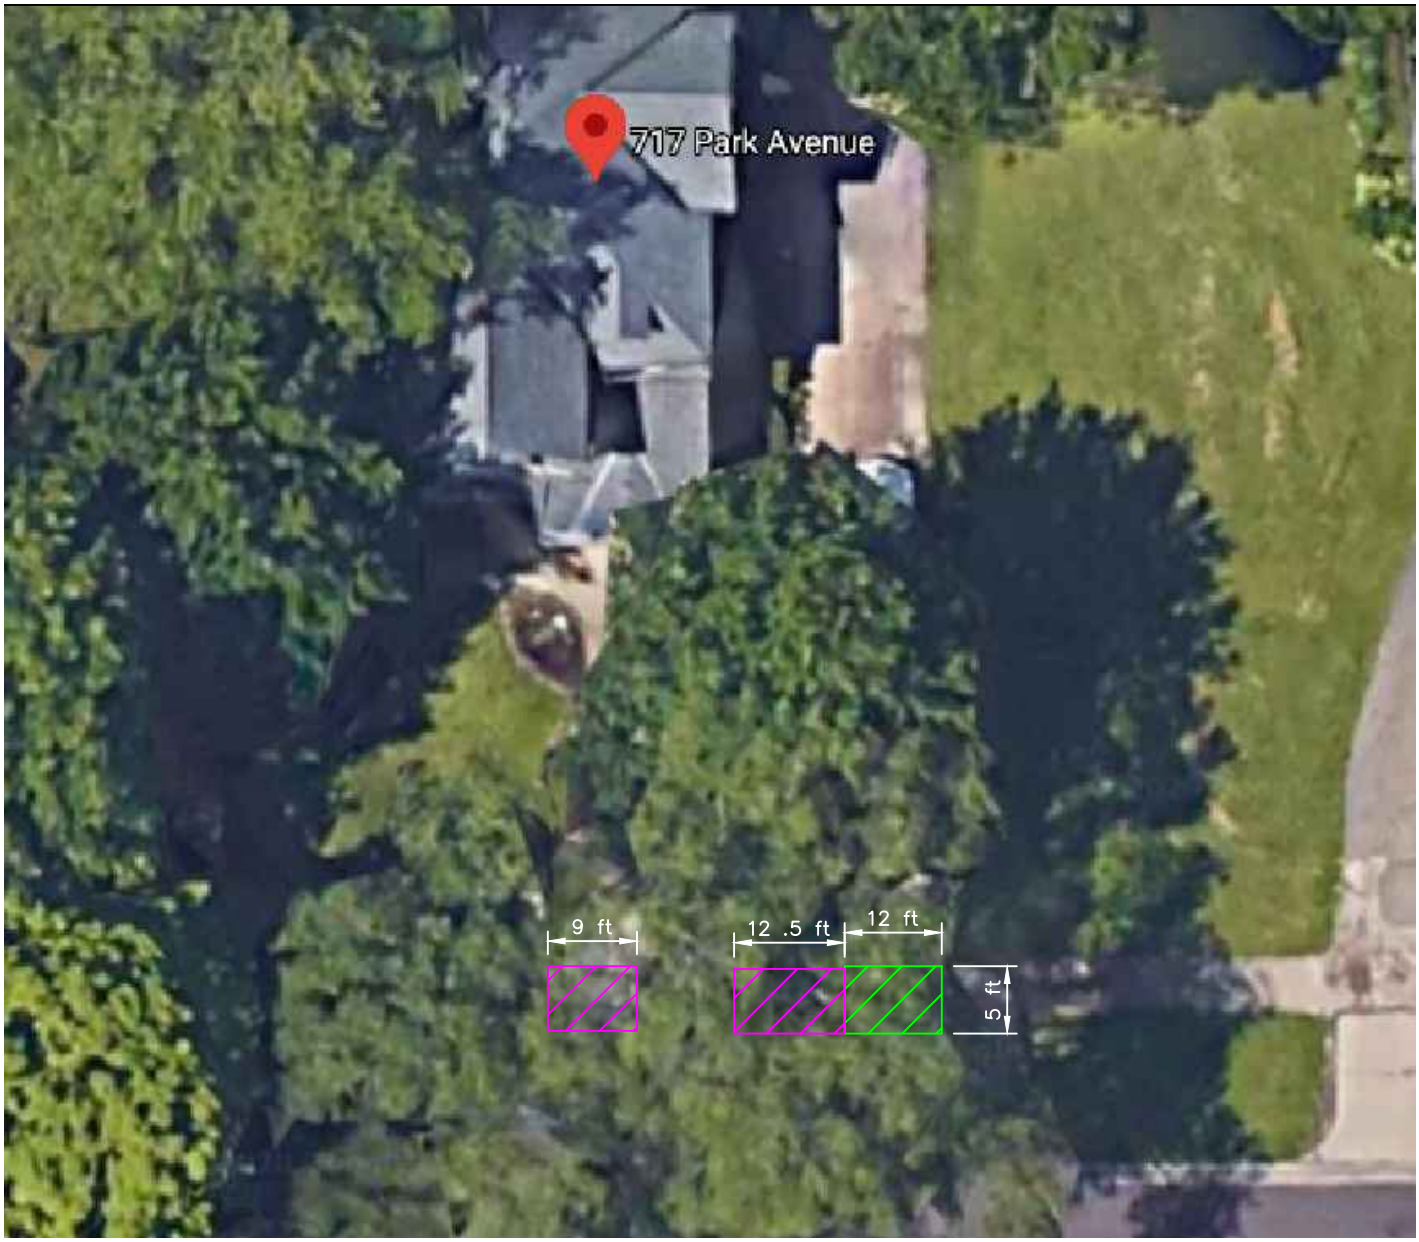

The contractor shall at all times conduct their work so as to ensure the least possible obstructions to traffic and inconvenience to the general public and the residents in the vicinity of the work, and to insure the protection of persons and property in a manner satisfactory to the Engineer. No road or street shall be closed to the public except with the permission of the Engineer and proper governmental authority. Fire hydrants on or adjacent to the work shall be kept accessible to fire-fighting equipment at all times.

RAMP IN LANDSCAPED AREA

RAMP IN PAVED AREA

SIDE CURB DETAIL

SECTION A-A

① The running slope of a curb ramp shall be 1:20 min. and 1:12 max. The running slope of a blended transition shall be 1:20 max.

DETAIL A

GENERAL NOTES

This Standard shall only be used for curb radii of 20 ft. (6.1 m) or greater.

Where the turning space is constrained on a side opposite a ramp, the minimum length of the turning space in the direction of the ramp-run shall be 5' (1.52 m).

Where 1:50 maximum slope is shown, 1:64 is preferred.

Detectable warnings are shown in their ideal locations but the following placement tolerances are allowed.

Side Border - Detectable warnings should extend the full width of the walking surface (excluding flared sides) but a border along each side up to 2 in. (50 mm) in width is allowed.

Curb Set-Back - Detectable warnings located at the back of curb should closely align with the curb but a gap up to 6 in. (150 mm) behind the curb is allowed.

All slope ratios are expressed as units of vertical displacement to units of horizontal displacement (V:H).

See Standard 606001 for details of depressed curb adjacent to curb ramp.

All dimensions are in inches (millimeters) unless otherwise shown.

SIDEWALK CLOSURE

GENERAL NOTES

This Standard is used where, at any time, pedestrian traffic must be rerouted due to work being performed.

This Standard must be used in conjunction with other Traffic Control & Protection Standards when roadway traffic is affected.

Temporary facilities shall be detectable and accessible.

The temporary pedestrian facilities shall be provided on the same side of the closed facilities whenever possible.

The SIDEWALK CLOSED / USE OTHER SIDE sign shall be placed at the nearest crosswalk or intersection to each end of the closure. Where the closure occurs at a corner, the signs shall be erected on the corners across the street from the closure. The SIDEWALK CLOSED signs shall be used at the ends of the actual closures.

Type III barricades and R11-2-4830 signs shall be positioned as shown in "ROAD CLOSED TO ALL TRAFFIC" detail on Standard 701901.

All dimensions are in inches (millimeters) unless otherwise shown.

Explanations TAZEWELL COUNTY

ASBESTOS - See Laborers

CARPENTERS (NORTH) - That part of the county North including the towns of Marquette Hts., Morton, Creve Coeur and Deer Creek.

LABORERS (NORTHWEST) - The area bounded by the old city limits of East Peoria.

MILLWRIGHTS - See Carpenters PILEDRIVERS - See Carpenters

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performe on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some clos future date.

ASBESTOS - MECHANICAL - Removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER, MARBLE FINISHER, TERRAZZO FINISHER

Assisting, helping or supporting the tile, marble and terrazzo mechanic by performing their historic and traditional work assignments required to complete the proper installation of the work covered by said crafts. REQUEST FOR COUNCIL ACTION

Agenda Date: **July 13, 2020**
To: **Council Members**
From: **Josie Esker, Assistant City Engineer**

AGENDA ITEM:	Resolution No. 138-20/21 Award Contract for Gale Court Outfall Project to Pipco
ACTION REQUESTED:	Approve and Adopt the Resolution.

DESCRIPTION: This request is to award the Gale Court Outfall Erosion project contract to The PIPCO Companies LTD. This project is to make repairs to a storm sewer outlet that is causing significant erosion and will continue to cause more issues if not repaired. City staff does not have a large enough excavator to complete the work efficiently in-house. The City received two bids for this project: Pipco for $39,790.00 and Otto Baum for $63,338.31. The lowest bid was over the Engineer's estimate; however, in reviewing the unit costs for the project, the bid seems reasonable and responsible, and staff's recommendation is to award this bid and to complete the improvement as planned.

FINANCIAL IMPACT:

Requested Amount:	$39,790.00
Line Item:	231-000-150800
Budgeted Amount:	$500,000.00 ($30,000.00 for Gale Court line item)
Remaining Funds:	$500,000.00

IMPACT IF APPROVED: The contract will be awarded to Pipco Companies LTD.

IMPACT IF DENIED: The contract will not be awarded.

ALTERNATIVES: N/A

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

X	**5 Year CIP.** The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

CONTRACTOR CERTIFICATIONS

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shoulc the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neithe authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United State which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of th firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currentl under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this wo may be cancelled.

and to bind the Company thereby, as fully and to the same extent as if such instruments were signed by the duly authorized officers of the Company; and all acts of said Attorney pursuant to the authority given are hereby ratified and confirmed.

This power of attorney is made and executed pursuant to and by authority of the following resolution duly adopted by the board of directors of the Company:

"RESOLVED, that the president, or any vice president be, and each hereby is, authorized and empowered to appoint attorneys-in-fact of the Company, and to authorize them to execute and deliver on behalf of the Company any and all bonds, forms, applications, memorandums, undertakings, recognizances, transfers, contracts of indemnity, policies, contracts guaranteeing the fidelity of persons holding positions of public or private trust, and other writings obligatory in nature that the business of the Company may require; and to modify or revoke, with or without cause, any such appointment or authority; provided, however, that the authority granted hereby shall in no way limit the authority of other duly authorized agents to sign and countersign any of said documents on behalf of the Company."

"RESOLVED FURTHER, that such attorneys-in-fact shall have full power and authority to execute and deliver any and all such documents and to bind the Company subject to the terms and limitations of the power of attorney issued to them, and to affix the seal of the Company thereto; provided, however, that said seal shall not be necessary for the validity of any such documents."

This power of attorney is signed and sealed under and by the following bylaws duly adopted by the board of directors of the Company.

Execution of Instruments. Any vice president, any assistant secretary or any assistant treasurer shall have the power and authority to sign or attest all approved documents, instruments, contracts, or other papers in connection with the operation of the business of the company in addition to the chairman of the board, the chief executive officer, president, treasurer or secretary; provided, however, the signature of any of them may be printed, engraved, or stamped on any approved document, contract, instrument, or other papers of the Company.

N WITNESS WHEREOF, the Company has caused this instrument to be sealed and duly attested by the signature of its officer the 27th day of February, 2019.

Antonio C. Albanese, Vice President of Nationwide Mutual Insurance Company, AMCO Insurance Company, Allied Property and Casualty Insurance Company

a total distance of _____ feet, of which a distance of _____ feet, (miles) are to be improved.

2. The plans for the proposed work are those prepared by City of Pekin and approved by the Department of Transportation on _____

3. The specifications referred to herein are those prepared by the Department of Transportation and designated as "Standard Specifications for Road and Bridge Construction" and the "Supplemental Specifications and Recurring Special Provisions" thereto, adopted and in effect on the date of invitation for bids.

4. The undersigned agrees to accept, as part of the contract, the applicable Special Provisions indicated on the "Check Sheet for Recurring Special Provisions" contained in this proposal.

5. The undersigned agrees to complete the work within _____ working days or by September 30, 2020 unless additional time is granted in accordance with the specifications.

6. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Contract Proposals, will be required. Bid Bonds will be allowed as a proposal guaranty. Accompanying this proposal is either a bid bond if allowed, on Department form BLR 12230 or a proposal guaranty check, complying with the specifications, made payable to:

City of Pekin Treasurer of _____

The amount of the check is Five percent of bid amount (5%).

7. In the event that one proposal guaranty check is intended to cover two or more proposals, the amount must be equal to the sum of the proposal guaranties, which would be required for each individual proposal. If the proposal guaranty check is placed in another proposal, it will be found in the proposal for: Section Number _____.

8. The successful bidder at the time of execution of the contract will not be required to deposit a contract bond for the full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu thereof. If this proposal is accepted and the undersigned fails to execute a contract and contract bond as required, it is hereby agreed that the Bid Bond or check shall be forfeited to the Awarding Authority.

9. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price.

10. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

11. The undersigned submits herewith the schedule of prices on BLR 12200a covering the work to be performed under this contract.

12. The undersigned further agrees that if awarded the contract for the sections contained in the combinations on BLR 12200a, the work shall be in accordance with the requirements of each individual proposal for the multiple bid specified in the Schedule for Multiple Bids below.

CONTRACTOR CERTIFICATIONS

County Tazewell
Local Public Agency City of Pekin
Section Number
Route Gale Court

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed shoul the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neithe authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currently under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this work may be cancelled.

WE The PIPCO Companies, Ltd. 1409 W. Altorfer Drive Peoria, IL 61615 as PRINCIPAL,

and Nationwide Mutual Insurance Company 1100 Locust St., Dept. 2006 Des Moines, IA 50391-2006 as SURETY,

are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements set forth in the preceding paragraph, then the LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

and to bind the Company thereby, as fully and to the same extent as if such instruments were signed by the duly authorized officers of the Company; and all acts of said Attorney pursuant to the authority given are hereby ratified and confirmed.

This power of attorney is made and executed pursuant to and by authority of the following resolution duly adopted by the board of directors of the Company:

"RESOLVED, that the president, or any vice president be, and each hereby is, authorized and empowered to appoint attorneys-in-fact of the Company, and to authorize them to execute and deliver on behalf of the Company any and all bonds, forms, applications, memorandums, undertakings, recognizances, transfers, contracts of indemnity, policies, contracts guaranteeing the fidelity of persons holding positions of public or private trust, and other writings obligatory in nature that the business of the Company may require; and to modify or revoke, with or without cause, any such appointment or authority; provided, however, that the authority granted hereby shall in no way limit the authority of other duly authorized agents to sign and countersign any of said documents on behalf of the Company."

"RESOLVED FURTHER, that such attorneys-in-fact shall have full power and authority to execute and deliver any and all such documents and to bind the Company subject to the terms and limitations of the power of attorney issued to them, and to affix the seal of the Company thereto; provided, however, that said seal shall not be necessary for the validity of any such documents."

This power of attorney is signed and sealed under and by the following bylaws duly adopted by the board of directors of the Company.

Execution of Instruments. Any vice president, any assistant secretary or any assistant treasurer shall have the power and authority to sign or attest all approved documents, instruments, contracts, or other papers in connection with the operation of the business of the company in addition to the chairman of the board, the chief executive officer, president, treasurer or secretary; provided, however, the signature of any of them may be printed, engraved, or stamped on any approved document, contract, instrument, or other papers of the Company.

N WITNESS WHEREOF, the Company has caused this instrument to be sealed and duly attested by the signature of its officer the 27th day of February, 2019.

Antonio C. Albanese, **Vice President** of Nationwide Mutual Insurance Company, AMCO Insurance Company, Allied Property and Casualty Insurance Company

ACKNOWLEDGMENT

STATE OF NEW YORK, COUNTY OF NEW YORK: ss

City of Pekin

Department of Public Works

SUMMARY OF WORK

The City of Pekin is accepting bids to repair on existing storm sewer outfall, which will include placing 24 feet of new precast concrete pipe and end section, placing riprap to control erosion, and all associated work.

All work, including seeding and site restoration, shall be substantially complete by September 30, 2020 unless extension granted by the City Engineer due to weather restrictions.

All questions can be directed to Josie Esker at (309) 478-5399 or Lorri Winchester (309) 478-5348.

SCOPE OF WORK

It is understood and agreed that the quantities mentioned herein for unit price items are only approximate and are assumed SOLELY for the comparison of quantities of the various classes of work that are to be performed under the Contract, and that if awarded, the Contract for the WORK therein mentioned, the undersigned will not make any claim for damages or for loss of profits, or for an extension of time for the performance of the WORK because of difference between the quantities of the various classes of work assumed for comparison of bids and the quantities of work actually performed. It is understood that there may be unforeseen circumstances that may result in additional work. Prior approval from the City Engineer will be required before that work will be authorized to be performed.

All work will be done in accordance with the Illinois Department of Transportation Standard Specification for Road and Bridge Construction adopted April 1, 2016, and the most current edition of the Illinois Department of Transportation Supplemental Specifications. In addition to the following:

Stone Riprap, RR4 (Tons) – This work shall include furnishing and placing RR4 Stone Riprap, Quality B to the approximate dimensions shown in the plans and to the satisfaction of the Engineer.

Reset Precast Concrete Pipe (Lump Sum) – The existing concrete pipe has approximately five feet of ground cover. The 12-inch diameter concrete pipe section that needs to be reset is approximately eight feet long. This work shall consist of excavating the material above the pipe, resetting the pipe to the correct grade, properly sealing the pipe joint with mastic to prevent infiltration, and backfilling the excavation.

Precast Concrete Pipe (Foot) – This work shall consist of furnishing 12-inch diameter concrete pipe, bedding and laying the pipe, and joining the new pipe to the existing pipe. Bedding material shall be included in the price of the pipe.

Precast Concrete End Section (Each) – This work shall consist of furnishing a concrete end section for a 12-inch diameter concrete pipe, placing the end section, and pouring a concrete collar as necessary where the new pipe meets the new end section. See standard 542301-03 for precast reinforced concrete flared end section.

Tree Removal, Site Restoration, Fill Soil, and Seeding (Lump Sum) – This work shall consist of tree removal as needed for accessing and performing the work, site restoration including grading project area to match existing terrain, promote drainage, and repair any damage to homeowners property that occurred during the project, and seeding disturbed areas. Contractor has permission to remove any trees in the easement area as necessary to facilitate

construction. This work shall also involve placing and compacting soil to fill area of erosion. Approximately 80 cubic yards of soil will be needed to shape the slope in preparation for setting the concrete pipe and rip rap.

Mobilization (Lump Sum) – This work shall consist of preparatory work and operations necessary for the movement of personnel, equipment, supplies, incidentals to the project site, facilities necessary for the work on the project and for all other work or operations which must be performed or cost incurred when beginning work on the project.

SPECIAL PROVISIONS

The following Special Provisions supplement the "Standard Specifications for Road and Bridge Construction," in effect on the date of invitation for bids. These special provisions included herein apply to and govern the proposed improvement and in case of conflict with any part or parts of said specifications, said special provisions shall take precedence and shall govern.

CONTRACTOR INFORMATION:

The selected contractor shall supply the following to the municipality within one week of being selected.

- Certificate of insurance; minimum $1,000,000 coverage
  - The City of Pekin shall be named as additional insured.
- One year warranty on all completed work to be delivered to municipality.
- Day and night phone numbers for the contractor's representative
- Certified Weekly Payrolls and Monthly Equal Employment Opportunity Reports
- Start date and proposed schedule of work

PREVAILING WAGE:

Contractor shall not pay less than the prevailing rates of wages to all laborers, workmen, and mechanics performing work under this contract, and shall comply with the requirements of the Illinois Wages of Employees on Public Works Act (820 ILCS 130/1-12).

SCHEDULE OF CONSTRUCTION:

Contractor will coordinate with the Engineer prior to beginning any work. A preconstruction meeting will be held prior to any work being performed. This meeting will be scheduled following the award of the project.

ACCESS:

The City of Pekin has a 10-foot utility easement adjacent to 4 Gale Court and has obtained a temporary easement from the Owners at 4 Gale court for additional access needed to perform the work. The Contractor shall plan and perform the work to minimize inconvenience to the homeowner. A copy of the temporary easement is attached.

RIGHTS OF THE MUNICIPALITY:

The Municipality reserves the right to increase or decrease quantities at the unit price bid and/or delete any item completely.

PUBLIC SAFETY AND CONVENIENCE:

The contractor shall at all times conduct his work so as to ensure the least possible obstructions to traffic and inconvenience to the general public and the residents in the vicinity of the work, and to insure the protection of persons and property in a manner satisfactory to the Engineer.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performe on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

REQUEST FOR COUNCIL ACTION

Agenda Date: **July 13, 2020**
To: **Council Members**
From: **Josie Esker, Assistant City Engineer**

AGENDA ITEM: Resolution No. 139-20/21 Award Contract for St. Clair Sewer Repair to G.A. Rich

ACTION REQUESTED: Approve and Adopt the Resolution.

DESCRIPTION: This request is to award the St. Clair Sewer Repair project contract to G.A. Rich & Sons. This project is for an emergency sewer repair on St. Clair because of a sinkhole that is rapidly developing. The sanitary sewer in that area is almost twenty feet deep, and the City does not own the equipment necessary to complete this repair. The City received two bids for this project: Pipco for $108,235.00 and G.A. Rich for $59,265.25. The low bid was below the Engineer's estimate. In reviewing the unit costs for the project, the bid seems reasonable and responsible, and staff's recommendation is to award this bid and to complete the improvement as planned.

FINANCIAL IMPACT:

Requested Amount: $59,265.25
Line Item: 231-000-150800
Budgeted Amount: $500,000.00 Note that this was originally budgeted for sewer camera work; we will need to reduce the amount of sewer camera/cleaning planned for this year to accommodate this sewer repair that was not budgeted.
Remaining Funds: $60,734.75

IMPACT IF APPROVED: The contract will be awarded to G.A. Rich & Sons, Inc.

IMPACT IF DENIED: The contract will not be awarded.

ALTERNATIVES: N/A

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

X	**5 Year CIP.** The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

CONTRACTOR CERTIFICATIONS

County Tazewell
Local Public Agency City of Pekin
Section Number
Route St Clair Dr

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed should the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currently under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this work may be cancelled.

All contractors are required to complete the following certification:

☒ For this contract proposal or for all groups in this deliver and install proposal.

☐ For the following deliver and install groups in this material proposal:

Illinois Department of Transportation policy, adopted in accordance with the provisions of the Illinois Highway Code, requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are (1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and (2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.

II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.

III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all of the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners or members and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership. ☐

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all of its subcontractors. In order to fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

Pekin ILLINOIS

City of Pekin

Department of Public Works

SUMMARY OF WORK

The City of Pekin is accepting bids to repair a section of sewer that is in need of repair and has caused a sink hole in St Clair Drive in Pekin, IL. The work will consist of removing and replacing sanitary sewer and all associated work.

Project shall be substantially complete by August 21, 2020 unless extension granted by the City Engineer due to weather restrictions.

All questions can be directed to Josie Esker at (309) 478-5399 or Lorri Winchester at (309) 478-5348.

SCOPE OF WORK

It is understood and agreed that the quantities mentioned herein for unit price items are only approximate and are assumed SOLELY for the comparison of quantities of the various classes of work that are to be performed under the Contract, and that if awarded, the Contract for the WORK therein mentioned, the undersigned will not make any claim for damages or for loss of profits, or for an extension of time for the performance of the WORK because of difference between the quantities of the various classes of work assumed for comparison of bids and the quantities of work actually performed. It is understood that there may be unforeseen circumstances that may result in additional work. Prior approval from the City Engineer will be required before that work will be authorized to be performed.

All work will be done in accordance with the Standard Specifications for Water and Sewer Main Construction in Illinois, the Illinois Department of Transportation Standard Specification for Road and Bridge Construction adopted April 1, 2016, and the Illinois Department of Transportation Supplemental Specifications. In addition to the following:

8 inch PVC SDR 26 Gravity Sewer (Foot) – Removal of existing VCL 8" pipe and replace with PVC SDR 26 meeting ASTM D-3034. Contractor shall verify the existing slope prior to installation of repair. One connection for PVC to Clay Pipe will need to be made. All connections made between existing sewer and new sewer shall be made by use of a rubberized connection creating a water-tight seal and will be incidental to the price of pipe. Fernco 1002 Series or equal. The connection between the existing manhole and new pipe shall be poured with a concrete collar to the satisfaction of the Engineer. All excavation needed to install the sewer shall be included in the cost of the pipe.

Aggregate Foundation/Bedding/Haunching/Backfilling (Ton) – Foundation, Bedding, Haunch and Initial Backfill Material shall meet the requirements of the IDOT, "Standard Specifications for Road and Bridge Construction" for coarse aggregate or fine aggregate. The gradation shall be CA-7. Material shall be placed in lifts not exceeding 6 inches in thickness and compacted to the satisfaction of the Engineer.

Trench Backfill (Ton) – The remainder of the back fill shall meet the requirements of the IDOT, "Standard Specifications for Road and Bridge Construction", Article 1003.04. The gradation shall be FA 1. Backfilling shall be performed as described in the IDOT Standard Article 550.07 Backfilling to the satisfaction of the Engineer.

Bituminous Pavement Removal & Replacement (Square Yard) – Bituminous Removal and Replacement work, which consists of saw cutting the existing pavement, removal of the existing pavement, and replacement of the

pavement, 4 inches of hot mix as directed by the Engineer. The Contractor shall take care during removal of the pavement to prevent damage to the adjacent pavement.

Mobilization (Lump Sum) – This work shall consist of preparatory work and operations necessary for the movement of personnel, equipment, supplies, incidentals to the project site, facilities necessary for the work on the project and for all other work or operations which must be performed or cost incurred when beginning work on the project.

SPECIAL PROVISIONS

The following Special Provisions supplement the "Standard Specifications for Road and Bridge Construction," adopted April 1, 2016 and the latest edition of the "Illinois Manual on Uniform Traffic Control Devices for Streets and Highways" in effect on the date of invitation for bids. These special provisions included herein apply to and govern the proposed improvement and in case of conflict with any part or parts of said specifications, said special provisions shall take precedence and shall govern.

CONTRACTOR INFORMATION:

The selected contractor shall supply the following to the municipality within one week of being selected.

- Certificate of insurance; minimum $1,000,000 coverage
- One year warranty on all completed work to be delivered to municipality.
- Day and night phone numbers for the contractor's representative
- Certified Weekly Payrolls and Monthly Equal Employment Opportunity Reports
- Start and completion dates

PREVAILING WAGE:

Contractor shall not pay less than the prevailing rates of wages to all laborers, workmen, and mechanics performing work under this contract, and shall comply with the requirements of the Illinois Wages of Employees on Public Works Act (820 ILCS 130/1-12).

SCHEDULE OF CONSTRUCTION:

Contractor will coordinate with the Engineer prior to beginning any work. A preconstruction meeting will be held prior to any work being performed. This meeting will be scheduled following the award of the project.

TRAFFIC CONTROL:

The City of Pekin will install traffic control to detour thru traffic from the north end of St Clair to Summit via Valle Vista Blvd. The City will also provide road closed barricades on each end of the work area. The Contractor shall be responsible for maintaining the traffic control signs and barricades placed by the City for the duration of the project. The Contractor shall provide a minimum of 5 days notice to the City before starting work to allow for the installation of traffic control.

Any additional traffic control needed for this project shall be installed and maintained by the Contractor and shall be included in the price of the mobilization and no additional payment shall be allowed.

RIGHTS OF THE MUNICIPALITY:

The Municipality reserves the right to increase or decrease quantities at the unit price bid and/or delete any item completely.

MAILBOXES AND SIGNS:

Any mailboxes or signs that require removal must be replaced at their exact locations. This work and all materials required to perform this work shall be included in the price of the contract.

SEEDING/EROSION CONTROL:

Any seeding and erosion control required because of disturbance by construction shall be completed under Engineer's direction. This work and all materials required to perform this work is minimal and shall be incidental to the contract.

PUBLIC SAFETY AND CONVENIENCE:

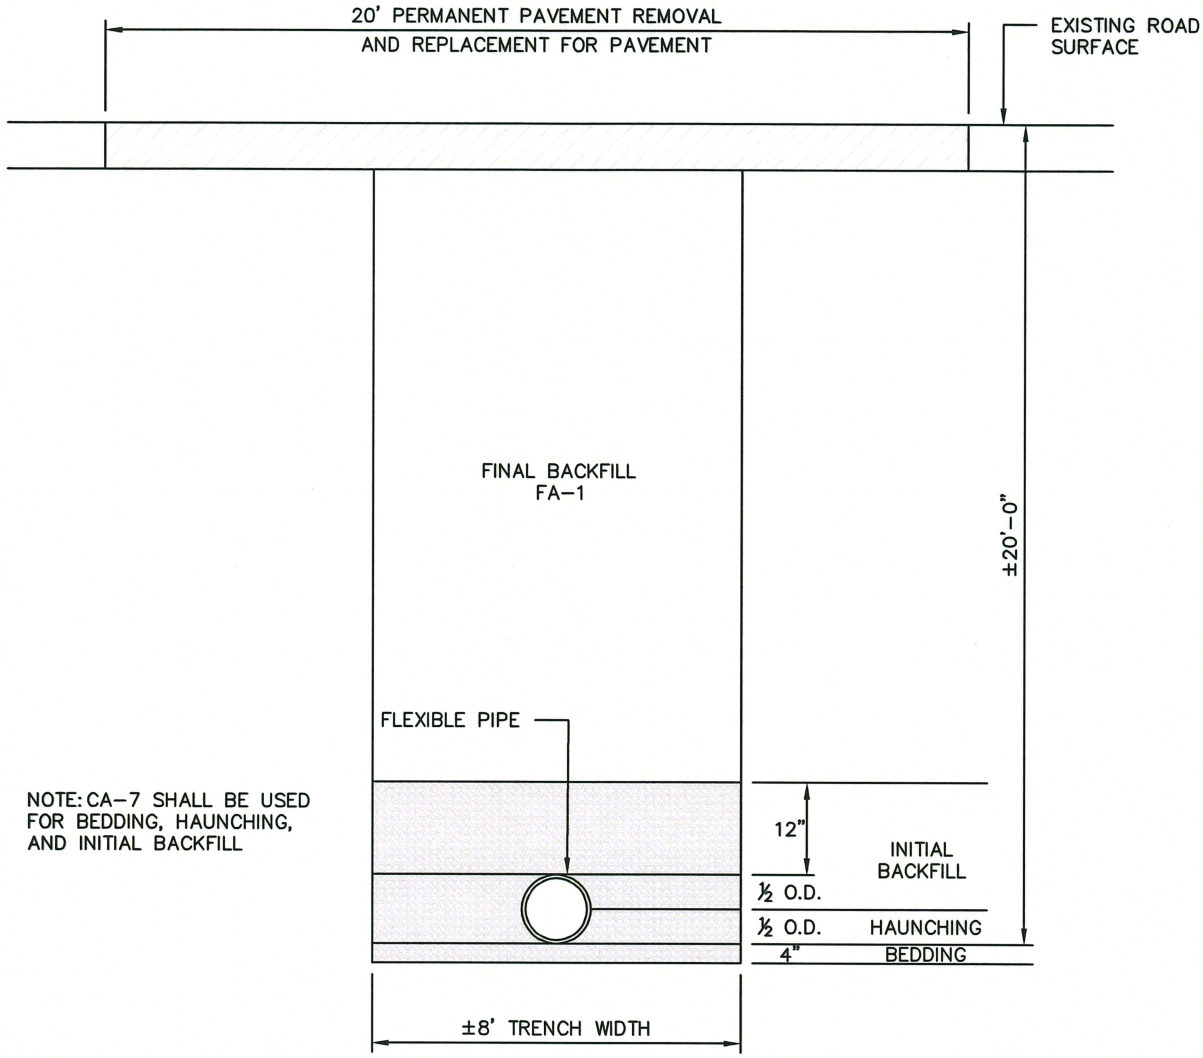

The contractor shall at all times conduct his work so as to ensure the least possible obstructions to traffic and inconvenience to the general public and the residents in the vicinity of the work, and to insure the protection of persons and property in a manner satisfactory to the Engineer. No road or street shall be closed to the public except with the permission of the Engineer and proper governmental authority. City will close the north end of St Clair Dr as described above under Traffic Control to expedite job. Fire hydrants on or adjacent to the work shall be kept accessible to fire-fighting equipment at all times. The contractor is responsible for maintaining all traffic guidance or detours within his project area.

PAYMENTS:

Payments will be made at the completion of the repairs and will require documentation of material tickets of all Aggregate, bill of lading for the pipe, and certified payrolls.

Explanations TAZEWELL COUNTY

ASBESTOS - See Laborers

CARPENTERS (NORTH) - That part of the county North including the towns of Marquette Hts., Morton, Creve Coeur and Deer Creek.

LABORERS (NORTHWEST) - The area bounded by the old city limits of East Peoria.

MILLWRIGHTS - See Carpenters PILEDRIVERS - See Carpenters

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - Removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER, MARBLE FINISHER, TERRAZZO FINISHER

Assisting, helping or supporting the tile, marble and terrazzo mechanic by performing their historic and traditional work assignments required to complete the proper installation of the work covered by said crafts. The term "Ceramic" is used for naming the classification only and is in no way a limitation of the product handled. Ceramic takes into consideration most hard

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

PAPER BID BOND

WE G.A.Rich & Sons, Inc. as PRINCIPAL,

and United Fire & Casualty Company as SURETY,

are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements set forth in the preceding paragraph, then the LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this 7th day of July 2020

CONTRACTOR CERTIFICATIONS

County Tazewell
Local Public Agency City of Pekin
Section Number
Route St Clair Dr

The certifications hereinafter made by the bidder are each a material representation of fact upon which reliance is placed should the Department enter into the contract with the bidder.

1. **Debt Delinquency.** The bidder or contractor or subcontractor, respectively, certifies that it is not delinquent in the payment of any tax administered by the Department of Revenue unless the individual or other entity is contesting, in accordance with the procedures established by the appropriate revenue Act, its liability for the tax or the amount of tax. Making a false statement voids the contract and allows the Department to recover all amounts paid to the individual or entity under the contract in a civil action.

2. **Bid-Rigging or Bid Rotating.** The bidder or contractor or subcontractor, respectively, certifies that it is not barred from contracting with the Department by reason of a violation of either 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4.

   A violation of Section 33E-3 would be represented by a conviction of the crime of bid-rigging which, in addition to Class 3 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

   A violation of Section 33E-4 would be represented by a conviction of the crime of bid-rotating which, in addition to Class 2 felony sentencing, provides that any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation.

3. **Bribery.** The bidder or contractor or subcontractor, respectively, certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois or any unit of local government, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm.

4. **Interim Suspension or Suspension.** The bidder or contractor or subcontractor, respectively, certifies that it is not currently under a suspension as defined in Subpart I of Title 44 Subtitle A Chapter III Part 6 of the Illinois Administrative Code. Furthermore, if suspended prior to completion of this work, the contract or contracts executed for the completion of this work may be cancelled.

All contractors are required to complete the following certification:

☒ For this contract proposal or for all groups in this deliver and install proposal.

☐ For the following deliver and install groups in this material proposal:

Illinois Department of Transportation policy, adopted in accordance with the provisions of the Illinois Highway Code, requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are (1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and (2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.

II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.

III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all of the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners or members and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership. ☐

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all of its subcontractors. In order to fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

SUMMARY OF WORK

The City of Pekin is accepting bids to repair a section of sewer that is in need of repair and has caused a sink hole in St Clair Drive in Pekin, IL. The work will consist of removing and replacing sanitary sewer and all associated work.

Project shall be substantially complete by August 21, 2020 unless extension granted by the City Engineer due to weather restrictions.

All questions can be directed to Josie Esker at (309) 478-5399 or Lorri Winchester at (309) 478-5348.

SCOPE OF WORK

It is understood and agreed that the quantities mentioned herein for unit price items are only approximate and are assumed SOLELY for the comparison of quantities of the various classes of work that are to be performed under the Contract, and that if awarded, the Contract for the WORK therein mentioned, the undersigned will not make any claim for damages or for loss of profits, or for an extension of time for the performance of the WORK because of difference between the quantities of the various classes of work assumed for comparison of bids and the quantities of work actually performed. It is understood that there may be unforeseen circumstances that may result in additional work. Prior approval from the City Engineer will be required before that work will be authorized to be performed.

All work will be done in accordance with the Standard Specifications for Water and Sewer Main Construction in Illinois, the Illinois Department of Transportation Standard Specification for Road and Bridge Construction adopted April 1, 2016, and the Illinois Department of Transportation Supplemental Specifications. In addition to the following:

8 inch PVC SDR 26 Gravity Sewer (Foot) – Removal of existing VCL 8" pipe and replace with PVC SDR 26 meeting ASTM D-3034. Contractor shall verify the existing slope prior to installation of repair. One connection for PVC to Clay Pipe will need to be made. All connections made between existing sewer and new sewer shall be made by use of a rubberized connection creating a water-tight seal and will be incidental to the price of pipe. Fernco 1002 Series or equal. The connection between the existing manhole and new pipe shall be poured with a concrete collar to the satisfaction of the Engineer. All excavation needed to install the sewer shall be included in the cost of the pipe.

Aggregate Foundation/Bedding/Haunching/Backfilling (Ton) – Foundation, Bedding, Haunch and Initial Backfill Material shall meet the requirements of the IDOT, "Standard Specifications for Road and Bridge Construction" for coarse aggregate or fine aggregate. The gradation shall be CA-7. Material shall be placed in lifts not exceeding 6 inches in thickness and compacted to the satisfaction of the Engineer.

Trench Backfill (Ton) – The remainder of the back fill shall meet the requirements of the IDOT, "Standard Specifications for Road and Bridge Construction", Article 1003.04. The gradation shall be FA 1. Backfilling shall be performed as described in the IDOT Standard Article 550.07 Backfilling to the satisfaction of the Engineer.

Bituminous Pavement Removal & Replacement (Square Yard) – Bituminous Removal and Replacement work, which consists of saw cutting the existing pavement, removal of the existing pavement, and replacement of the

pavement, 4 inches of hot mix as directed by the Engineer. The Contractor shall take care during removal of the pavement to prevent damage to the adjacent pavement.

Mobilization (Lump Sum) – This work shall consist of preparatory work and operations necessary for the movement of personnel, equipment, supplies, incidentals to the project site, facilities necessary for the work on the project and for all other work or operations which must be performed or cost incurred when beginning work on the project.

SPECIAL PROVISIONS

The following Special Provisions supplement the "Standard Specifications for Road and Bridge Construction," adopted April 1, 2016 and the latest edition of the "Illinois Manual on Uniform Traffic Control Devices for Streets and Highways" in effect on the date of invitation for bids. These special provisions included herein apply to and govern the proposed improvement and in case of conflict with any part or parts of said specifications, said special provisions shall take precedence and shall govern.

CONTRACTOR INFORMATION:

The selected contractor shall supply the following to the municipality within one week of being selected.

- Certificate of insurance; minimum $1,000,000 coverage
- One year warranty on all completed work to be delivered to municipality.
- Day and night phone numbers for the contractor's representative
- Certified Weekly Payrolls and Monthly Equal Employment Opportunity Reports
- Start and completion dates

PREVAILING WAGE:

Contractor shall not pay less than the prevailing rates of wages to all laborers, workmen, and mechanics performing work under this contract, and shall comply with the requirements of the Illinois Wages of Employees on Public Works Act (820 ILCS 130/1-12).

SCHEDULE OF CONSTRUCTION:

Contractor will coordinate with the Engineer prior to beginning any work. A preconstruction meeting will be held prior to any work being performed. This meeting will be scheduled following the award of the project.

TRAFFIC CONTROL:

The City of Pekin will install traffic control to detour thru traffic from the north end of St Clair to Summit via Valle Vista Blvd. The City will also provide road closed barricades on each end of the work area. The Contractor shall be responsible for maintaining the traffic control signs and barricades placed by the City for the duration of the project. The Contractor shall provide a minimum of 5 days notice to the City before starting work to allow for the installation of traffic control.

Any additional traffic control needed for this project shall be installed and maintained by the Contractor and shall be included in the price of the mobilization and no additional payment shall be allowed.

RIGHTS OF THE MUNICIPALITY:

The Municipality reserves the right to increase or decrease quantities at the unit price bid and/or delete any item completely.

Explanations TAZEWELL COUNTY

ASBESTOS - See Laborers

CARPENTERS (NORTH) - That part of the county North including the towns of Marquette Hts., Morton, Creve Coeur and Deer Creek.

LABORERS (NORTHWEST) - The area bounded by the old city limits of East Peoria.

MILLWRIGHTS - See Carpenters PILEDRIVERS - See Carpenters

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - Removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER, MARBLE FINISHER, TERRAZZO FINISHER

Assisting, helping or supporting the tile, marble and terrazzo mechanic by performing their historic and traditional work assignments required to complete the proper installation of the work covered by said crafts. The term "Ceramic" is used for naming the classification only and is in no way a limitation of the product handled. Ceramic takes into consideration most hard

tiles.

ELECTRONIC SYSTEMS TECHNICIAN

Installation, service and maintenance of low-voltage systems which utilizes the transmission and/or transference of voice, sound, vision, or digital for commercial, education, security and entertainment purposes for the following: TV monitoring and surveillance, background/foreground music, intercom and telephone interconnect, field programming, inventory control systems, microwave transmission, multi-media, multiplex, radio page, school, intercom and sound burglar alarms and low voltage master clock systems.

Excluded from this classification are energy management systems, life safety systems, supervisory controls and data acquisition systems not intrinsic with the above listed systems, fire alarm systems, nurse call systems and raceways exceeding fifteen feet in length.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION Class 1. Drivers on 2 axle trucks hauling less than 9 ton. Air compressor and welding machines and brooms, including those pulled by separate units, truck driver helpers, warehouse employees, mechanic helpers, greasers and tiremen, pickup trucks when hauling materials, tools, or workers to and from and on-the-job site, and fork lifts up to 6,000 lb. capacity.

Class 2. Two or three axle trucks hauling more than 9 ton but hauling less than 16 ton. A-frame winch trucks, hydrolift trucks, vactor trucks or similar equipment when used for transportation purposes. Fork lifts over 6,000 lb. capacity, winch trucks, four axle combination units, and ticket writers.

Class 3. Two, three or four axle trucks hauling 16 ton or more. Drivers on water pulls, articulated dump trucks, mechanics and working forepersons, and dispatchers. Five axle or more combination units.

Class 4. Low Boy and Oil Distributors.

Class 5. Drivers who require special protective clothing while employed on hazardous waste work.

TRUCK DRIVER - OIL AND CHIP RESEALING ONLY.

This shall encompass laborers, workers and mechanics who drive contractor or subcontractor owned, leased, or hired pickup, dump, service, or oil distributor trucks. The work includes transporting materials and equipment (including but not limited to, oils, aggregate supplies, parts, machinery and tools) to or from the job site; distributing oil or liquid asphalt and aggregate; stock piling material when in connection with the actual oil and chip contract. The Truck Driver (Oil & Chip Resealing) wage classification does not include supplier delivered materials.

CLASS 3. Straight Framed Truck Mounted Vac Unit (separately powered); Trac Air Machine (without attachments); Rollers - Five Ton and Under on Earth and Gravel; Form Graders; Bulk Cement Plant; Oilers; and Starting Engineer on Pipeline or Construction (3 - 5 pieces) including: Air Compressor (Trailer Mounted), All Forced Air Heaters (regardless of Size), Water Pumps (Greater than 4-1/2" or Total Discharge Over 4-1/2"), Light Plants, Generators (Trailer Mounted - Excluding Decontamination Trailer), Welding Machines (Any Size or Mode of Power), Conveyor, Mixer (any size), Stud Welder, Power Pac, etc., and Ground Heater (Trailer Mounted).

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. PAPER BID BOND

WE G.A.Rich & Sons, Inc. as PRINCIPAL,

and United Fire & Casualty Company as SURETY,

are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements set forth in the preceding paragraph, then the LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this 7th day of July 2020

REQUEST FOR COUNCIL ACTION

Agenda Date: **July 13, 2020**
To: **Council Members**
From: **Josie Esker, Assistant City Engineer**

AGENDA ITEM:	Resolution No. 140-20/21 Award Contract for Chip Seal to UCM
ACTION REQUESTED:	Approve and Adopt the Resolution.

DESCRIPTION: This request is to award the Street Maintenance Section 20-00000-02-GM Chip Seal to R.A Cullinan and Son, a Division of United Contractors Midwest, Inc. This project is to chip seal the roads in the approved 2020 Street Maintenance Plan by Resolution No. 39-19/20. The City only received one bid for this project, which has been typical for this type of project due to the limited amount of companies that perform this type of work in the area. The bid total was $628,410.00, which is 6% under estimate and is a favorable bid. After reviewing the bid, the unit prices seem reasonable, and responsible therefore it is recommended for award.

FINANCIAL IMPACT:

Requested Amount:	$628,410.00
Line Item:	240-240-569001
Budgeted Amount:	$668,000.00
Remaining Funds:	$668,000.00

IMPACT IF APPROVED:	The contract will be awarded to UCM.
IMPACT IF DENIED:	The contract will not be awarded to UCM.
ALTERNATIVES:	N/A

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

	5 Year CIP. The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

Sealed proposals for the furnishing or delivering & installing materials required in the construction/maintenance of the above Section will be received and at that time publicly opened and read at the office of City of Pekin City Clerk, 111 S. Capitol Street, Pekin, IL 61554 (Address) until 10:00 AM (Time) on July 8, 2020 (Date)

1. Plans and proposal forms will be available in the office of City of Pekin City Clerk 111 S. Capitol Street, Pekin, IL 61554 (Address)
2. ☒ Prequalification. If checked, the 2 low bidders must file within 24 hours after the letting an "Affidavit of Availability" (Form BC 57), in duplicate, showing all uncompleted contracts awarded to them and all low bids pending award for Federal, State, County, Municipal and private work.
3. The Awarding Authority reserves the right to waive technicalities and to reject any or all proposals as provided in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals.
4. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals, will be required. Bid Bonds will be allowed as a proposal guaranty.
5. The successful bidder at the time of execution of the contract will be required to deposit a contract bond for the full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu thereof. Failure on the part of the contractor to deliver the material within the time specified or to do the work specified herein will be considered just cause to forfeit his surety as provided in Article 108.10 of the Standard Specifications.
6. Proposals shall be submitted on forms furnished by the Awarding Authority and shall be enclosed in an envelope endorsed "Material Proposal, Section 20-00000-02-GM".

By Order of City of Pekin (Awarding Authority) _____ (Date) _____ (County Engineer/Superintendent of Highways/Municipal Clerk)

Material Proposal or Deliver & Install Proposal

To City of Pekin (Awarding Authority)

If this bid is accepted within 45 days from date of opening, the undersigned agrees to furnish or to deliver & install any or all of the materials, at the quoted unit prices, subject to the following:

1. It is understood and agreed that the "Standard Specifications for Road and Bridge Construction", adopted April 1, 2016, and the "Supplemental Specifications and Recurring Special Provisions", adopted January 1, 2020, prepared by the Department of Transportation, shall govern insofar as they may be applied and insofar as they do not conflict with the special provisions and supplemental specifications attached hereto.
2. It is understood that quantities listed are approximate only and that they may be increased or decreased as may be needed to properly complete the improvement within its present limits or extensions thereto, at the unit price stated and that bids will be compared on the basis of the total price bid for each group.
3. Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the acceptance at the point and in the manner specified in the "Schedule of Prices". If delivery on the job site is specified, it shall mean any place or places on the road designated by the awarding authority or its authorized representative.
4. The contractor and/or local agency performing the actual material placement operations shall be responsible for providing work zone traffic control, unless otherwise specified in this proposal. Such devices shall meet the requirements of and be installed in accordance with applicable provisions of the "Illinois Manual on Uniform Traffic Control Devices" and any referenced Illinois Highway Standards.
5. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

Discounts will be allowed for payment as follows: _____ % _____ calendar days: _____ % _____ calendar days.
Discounts will not be considered in determining the low bidder.

All contractors are required to complete the following certification:

☒ For this contract proposal or for all groups in this deliver and install proposal.

☐ For the following deliver and install groups in this material proposal:

Illinois Department of Transportation policy, adopted in accordance with the provisions of the Illinois Highway Code, requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are (1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and (2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.

II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.

III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all of the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

See Attached

Attachment: Exhibit A - Bid from RA CULLINAN & SON DIV OF UCM INC (2242 : Resolution No. 140-20/21 Award Contract for Chip Seal to UCM)

IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners or members and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership. ☐

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all of its subcontractors. In order to fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

Special Provisions

Local Public Agency	County	Section Number
City of Pekin	Tazewell	20-00000-02-GM

The following Special Provision supplement the "Standard Specifications for Road and Bridge Construction", adopted April 1, 2016, the latest edition of the "Manual on Uniform Traffic Control Devices for Streets and Highways", and the "Manual of Test Procedures of Materials" in effect on the date of invitation of bids, and the Supplemental Specification and Recurring Special Provisions indicated on the Check Sheet included here in which apply to and govern the construction of the above named section, and in case of conflict with any parts, or parts of said Specifications, the said Special Provisions shall take precedence and shall govern.

CONTRACTOR INFORMATION:
The selected contractor shall supply the following to the municipality within one week of being selected:

* Certificate of insurance
* One year warranty on all completed work
* Day and night phone numbers for contractor's representative
* Staging locations
* Start and completion dates
* Street seal coating schedule

COMPLETION DATE:
All work shall be completed by August 31, 2020.

FAILURE TO COMPLETE WORK ON TIME:
Should the contractor fail to complete work by August 31, 2020, the contractor shall be liable to the City of Pekin at the rate of $475 per calendar day without an approved written time extension request.

PUBLIC SAFETY AND CONVENIENCE:
The contractor shall at all times conduct their work so as to ensure the least possible obstructions to traffic and inconvenience to the general public and the residents in the vicinity of the work, and to insure the protection of persons and property in a manner satisfactory to the City Engineer or their designee. No road or street shall be closed to the public except with the permission of the City Engineer or their designee and proper governmental authority. Fire hydrants on or adjacent to the work shall be kept accessible to fire-fighting equipment at all times. The contractor is responsible for all traffic guidance or detours within the project area.

The Contractor will be responsible for notifying residents of street construction and ensuring that parking on the street will be prohibited during construction. The Contractor will supply the City in writing the plan for notification prior to the start of construction for approval. Notification to the residents shall be made a minimum of 24 hours prior to construction on the corresponding street.

The cost of furnishing any material for notification purposes shall be included in the price of the contract and no additional payments shall be allowed.

SCHEDULE OF CONSTRUCTION:
The Contractor will coordinate with the City Engineer or their designee prior to beginning any work.

PUNCH LIST ITEMS:
All punch list items shall be completed by the date agreed upon unless additional time is granted in accordance with the specifications.

TRAFFIC CONTROL PLAN:
Traffic control shall be in accordance with the applicable sections of the Standard Specifications for Road

and Bridge Construction, the applicable guidelines contained in the Illinois Manual on Uniform Traffic Control Devices for Streets and Highways, these special provisions, and any special details and Highway Standards contained herein and in the Plans.

The cost of furnishing and maintaining barricades, warning signs, and warning lights, as required herein shall be included in the price of the contract and no additional payments shall be allowed.

RIGHTS OF THE MUNICIPALITY:
The Municipality reserves the right to increase or decrease quantities at the unit price bid and/or delete any item completely.

MAILBOXES AND SIGNS:
Any mailboxes or signs that require removal must be replaced at their exact locations. This work and all materials required to perform this work shall be included in the price of the contract.

SEEDING:
Any seeding required because of disturbance by construction shall be completed under the direction of the City Engineer or their designee's direction. This work and all materials required to perform this work shall be included in the price of the contract.

STREET SWEEPING:
The Contractor will be responsible for sweeping the roadways prior to applying seal coat. No sweeping will be required after the placement of the rock. This work and all materials, equipment, and labor required to perform this work shall be included in the price of the contract.

MANHOLES, VALVES, INLETS, & CURBS:
Manholes, valves, and inlets shall not be sealed over; they shall remain clean and visible. Protection of the manholes, valves, and inlets shall be completed prior to the application of the bituminous material. Locations where concrete curb pan is present shall not be sealed over. Cost of protecting existing manholes, valves, inlets, and curbs shall be included in the price of the contract.

BITUMINOUS MATERIAL (SEAL COAT):
The work to be done for under this item shall be accomplished, measured and paid for according to Section 403 of the "Standard Specifications." Bituminous materials for seal coating shall be a Cationic Rapid Setting Polymer (CRSP) modified emulsion and shall be applied at a rate within the range of 0.38 gal/sy to 0.42 gal/sy. The contractor shall have the proposed application rate of the CRSP approved by the City Engineer or their designee prior to construction. It will be the Contractor's responsibility to provide the City Engineer or their designee with all the necessary inspection and specific gravities of the bituminous material. The Contractor shall be responsible for supplying the City Engineer or their designee with a sample of the emulsion from each tanker delivered on this project. Said sample shall comply with City and/or IDOT requirements. The samples will be tested by the City for compliance with the "Standard Specifications." The contractor shall be liable for the failure of those materials to satisfy the "Standard Specifications." Seal coat work shall be done at various locations as specified by the City Engineer or their designee and the work shall be performed as directed by the City Engineer or their designee. All patching of the existing surface, or scarifying and blading shall be performed by others at no expense to the Contractor.

The contractor shall furnish all necessary signs, barricades, and flaggers to insure that the streets are kept free of traffic until such time as the seal coat aggregate has been applied and properly rolled. The cost of necessary equipment, labor, signing, barricading and other necessary work to complete this item of construction shall be included in this pay item.

This work and all materials required to perform this work shall be paid for at the contract unit price per gallon for BITUMINOUS MATERIALS CRS-P.

SEAL COAT AGGREGATE (CRUSHED BLACK ROCK)
The work to be done under this pay item shall be accomplished, measured and paid for according to Section 403 of the "Standard Specifications." Seal coat aggregate shall be applied at a rate within the range of 22lb/sy to 24lb/sy. The Contractor shall have the proposed application rate of the aggregate approved by the City Engineer or their designee prior to construction. The Contractor shall supply one rubber (pneumatic) tire and one steel roller to compact the seal coating materials. All aggregate shall be washed. All the necessary equipment, labor, signing, barricading, and other necessary work to complete item shall be included in the unit price.

Because of its use in residential and commercial areas, the seal coat aggregate shall be crushed black rock ("trap rock") and shall meet the following additional requirements:
* The percentage of material passing the washed 200 sieve shall be less than one percent (1%) in the stockpile at the gravel pit location.
* The material is to be crushed and screen to meet the applicable portions of Article 1004 of the "Standard Specifications"
* The specific gravity shall be between 2.25 and 2.75
* The LA Abrasion Number shall be 19 or less.
* The gradation shall be CA-16 or CM-13.
* The pit shall be required to furnish copies of stockpile gradations to verify that the specifications and weight requirements are met.

This work and all materials required to perform this work shall be paid for at the contract unit price per ton for SEAL COAT AGGREGATE.

PAPER BID BOND

WE R.A. Cullinan & Son, A Division of United Contractors Midwest, Inc. as PRINCIPAL,

and Travelers Casualty & Surety Company of America as SURETY, are held jointly, severally and firmly bound unto the above Local Agency (hereafter referred to as "LA") in the penal sum of 5% of the total bid price, or for the amount specified in the proposal documents in effect on the date of invitation for bids whichever is the lesser sum. We bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly pay to the LA this sum under the conditions of this instrument.

WHEREAS THE CONDITION OF THE FOREGOING OBLIGATION IS SUCH that, the said PRINCIPAL is submitting a written proposal to the LA acting through its awarding authority for the construction of the work designated as the above section.

THEREFORE, if the proposal is accepted and a contract awarded to the PRINCIPAL by the LA for the above designated section and the PRINCIPAL shall within fifteen (15) days after award enter into a formal contract, furnish surety guaranteeing the faithful performance of the work, and furnish evidence of the required insurance coverage, all as provided in the "Standard Specifications for Road and Bridge Construction" and applicable Supplemental Specifications, then this obligation shall become void; otherwise it shall remain in full force and effect.

IN THE EVENT the LA determines the PRINCIPAL has failed to enter into a formal contract in compliance with any requirements as set forth in the preceding paragraph, then LA acting through its awarding authority shall immediately be entitled to recover the full penal sum set out above, together with all court costs, all attorney fees, and any other expense of recovery.

IN TESTIMONY WHEREOF, the said PRINCIPAL and the said SURETY have caused this instrument to be signed by their respective officers this 8th day of July, 2020.

REQUEST FOR COUNCIL ACTION

Agenda Date: **July 13, 2020**
To: **Council Members**
From: **Mark Rothert, City Manager**

AGENDA ITEM:	Resolution No. 141-20/21 Addendum to Transportation Services Agreement with Health Department
ACTION REQUESTED:	Approve and Adopt the Resolution.

DESCRIPTION: The Tazewell County Health Department wishes to further engage with the City of Pekin for transportation services for students to participate in its 21st Century Community Learning Centers program from July 1, 2020 through June 30, 2021. The goal of the 21st Century Community Learning Centers program is to provide opportunities for academic enrichment, offer students a broad array of additional services, programs and activities. Such opportunities include: youth development activities, service learning, nutrition and health education, physical fitness and wellness programs. These activities offer families of students opportunities for active and meaningful engagement in their children's education.

This program is funded through a 21st Century Learning Centers grant which requires a Linkage Agreement between the City and Health Department for bus transportation services. Earlier this year, both parties entered into a formal intergovernmental agreement (IGA) for such services. In the IGA, the parties included a "Linkage Agreement" for the Health Department's Teen REACH program. A Linkage Agreement for the 21st Century Community Learning Centers program is similarly being proposed here.

Staff recommends approval of the attached addendum which makes slight modifications to Section 1 of the IGA and adds the new linkage agreement.

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

	5 Year CIP. The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.

	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

This linkage agreement established between the Tazewell County Health Department and City of Pekin serves to confirm our agreement regarding the Teen REACH program from July 1, 2019 through June 30, 2020. The goal of the Teen REACH program is to expand the range of choices and opportunities that enable, empower and encourage youth to achieve positive growth and development, improve expectations and capacities for future success, and avoid and/or reduce risk-taking behavior.

Whereas the Department of Human Services Teen REACH requires a signed Linkage Agreement, both parties agree upon the following:

Tazewell County Health Department agrees:

- To support City of Pekin School Bus Department by utilizing their transportation services for fees agreed upon by both parties. City of • Pekin Bus services will be utilized for off-site enrichment activities and special events/field trips.
- To give adequate notice of any necessary schedule change.

City of Pekin School Bus Department agrees:

- To provide transportation for afterschool activities occurring offsite.
- To give confirmation upon request including approximate pick-up times.
- To give adequate notice of any necessary schedule change.

This agreement shall be effective when signed by both parties.

REQUEST FOR COUNCIL ACTION

Agenda Date: **July 13, 2020**
To: **Council Members**
From: **Mark Rothert, City Manager**

AGENDA ITEM: Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL Enterprises, Inc.

ACTION REQUESTED: Approve and Adopt the Ordinance.

DESCRIPTION: DCX-CHOL Enterprises, Inc. ("DCX"), located at 225 Enterprise Drive in Pekin, has indicated an interest to expand its current operations due to operating at full capacity and having a need to enlarge its footprint. DCX is a privately held national manufacturer with additional operations in California and Indiana. DCX provides full service design and manufacturing capabilities for military and aerospace cable assemblies, wire harnesses, custom and military-spec connectors, wired enclosures, test equipment and turn-key assemblies. Their products are built to function reliably in the harshest environments from underwater to space applications including nuclear, biological and chemical environments. DCX solutions range in complexity from simple straight assemblies to sophisticated state-of-the-art high-density harnesses and circuitry. Using expertise in military design and quality manufacturing, DCX also brings above average solutions to the non-military marketplace including: medical, commercial aviation, mass transportation, construction machinery and electric vehicles. The DCX customer base includes all of the prime defense and aerospace contractors, all branches of the US military and hundreds of subcontracting companies in the vast military and aerospace supply chain.

DCX has interest to expand at 200 Enterprise Drive, a vacant facility once home to Gallatin River Communications. The site would be suitable for DCX's expansion but needs retrofitting and rehabilitation to fit DCX specifications and standards. The cost of entry into the facility would be $2,000,000 for acquisition and remodeling. DCX has therefore approached the City to help through tax increment financing (TIF) to assist with defraying its expansion costs by $500,000. If successful with its expansion, DCX would plan to hire over 90 new positions and retain the 80+ positions they have at their current location. The company is on an aggressive timeline and would like to proceed with its expansion starting in August and be ready to hire employees in December 2020/January 2021.

Additionally, the City of Pekin has concurrently submitted a grant proposal to the State of Illinois under its Rebuild Illinois Shovel Ready Program. This program is designed to help get properties or sites ready for redevelopment. The City has applied to this program for grant funding in the amount of $700,000 in the hopes to eliminate the purchase cost of the property for DCX. Should the City be successful in obtaining Shovel Ready grant funding, the TIF incentives noted above would not be needed. Therefore, the attached TIF redevelopment agreement outlining incentives is only effective if the City is not successful in obtaining state grant funding through the Shovel Ready program.

Staff recommends approval.

FINANCIAL IMPACT:

Requested Amount: $500,000
Line Item: 273-273-591200
Budgeted Amount: $15,000 Funds will have to be transferred from the CBD TIF
Remaining Funds: $15,000

IMPACT IF APPROVED:	DCX will expand to create over 90 new jobs in the community
IMPACT IF DENIED:	DCX will not expand to create over 90 new jobs in the community
ALTERNATIVES:	N/A

RELATED TO THE 2019-2021 CITY COUNCIL GOALS:

	5 Year CIP. The Five-Year Capital Improvement Plan reflects all current and future capital improvement needs of the City of Pekin. The Plan is designed to be updated annually by staff and submitted to the Council for review and approval prior to the annual budget process.
	Enhance Code Enforcement Services. The Council understands the importance of a strong Code Enforcement Program in that it has an impact on many facets of living and doing business inside the City of Pekin.
	Business Friendly Community. The Council strives to bring new businesses to Pekin while helping to maintain and expand all existing businesses. It is therefore essential to work cooperatively to make Pekin a "Business-Friendly" Community.
	Efficient and Effective Municipal Operations. A fundamental responsibility of elected officials, City Staff and Employees is the exercise of good stewardship over public funds. Therefore, it is important that municipal services be delivered with maximum efficiency and effectiveness
	Police & Fire Pension Obligation. To meet the 90% funding level by the year 2040 it is essential the City plan carefully and maintain financial discipline to meet its $63 million dollar obligation.
	Employee Residency. It is the goal of the Council to develop a policy that encourages more full-time non-union employees who participate in a City funded pension program to reside within the city limits of Pekin.

THIS REDEVELOPMENT AGREEMENT (including Exhibits) is entered into this 9th day of July, 2018, by and between the City of Pekin (the "City"), an Illinois home rule municipality, Tazewell County, Illinois, and DCX-CHOL Enterprises, Inc. (the "Developer").

PREAMBLE

WHEREAS, the City has the authority to promote the health, safety and welfare of the City and its citizens, and to prevent the spread of blight and deterioration and inadequate public facilities, including sanitary sewer, by promoting the development of private investment in the marketability of property thereby increasing the tax base of the City and providing employment for its citizens; and

WHEREAS, Pursuant to 65 ILCS 5/8-1-2.5, a municipality may appropriate and expend funds for economic development purposes, including without limitation for commercial enterprises that are deemed necessary or desirable for the promotion of economic development within the community; and

WHEREAS, pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4 et seq., as amended (the "Act"), the City has the authority to provide incentives to owners or prospective owners of real property to redevelop, rehabilitate and/or upgrade such property by reimbursing the owner for certain costs from resulting increases in real estate tax revenues ("real estate tax increment") or from other City revenues; and

WHEREAS, on October 22, 2012, recognizing the need to foster the development, expansion and revitalization of certain properties which are vacant, underutilized or obsolete or a combination thereof, the City approved a Tax Increment Financing Redevelopment Plan and Projects, designated a Redevelopment Area and adopted Tax Increment Financing as provided under the Act for the Pekin South Industrial Park TIF District (the "TIF District"); and

WHEREAS, one such property is located at 200 Enterprise Drive, Pekin, Illinois, PIN# 10-10-10-100-030, and is within the TIF District Redevelopment Project Area (the "Property"); and

WHEREAS, the Developer has plans to acquire and rehabilitate the 21,480 square foot industrial building located thereon (the "Project"), and is doing so based on the availability of TIF incentives offered by the City; and

WHEREAS, it is the intent of the City to encourage economic development which will increase the real estate tax base of the City, which increased incremental taxes will be used, in part, to finance incentives to assist development within the Tax Increment Financing District; and

WHEREAS, the Developer's proposed Project is consistent with the TIF District Redevelopment Plan and Projects for the Redevelopment Project Area and further conforms to the land uses of the City as adopted; and

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

WHEREAS, pursuant to Section 5/11-74.4-4(b) of the Act, the City may make and enter into all contracts with property owners, developers, tenants, overlapping taxing bodies, and others necessary or incidental to the implementation and furtherance of the Redevelopment Plan; and

WHEREAS, pursuant to Section 5/11-74.4-4(j) of the Act, the City may incur project redevelopment costs and reimburse developers who incur redevelopment project costs authorized by a redevelopment agreement and further defined in Section 5/11-74.4-3(q) of the Act, including those Estimated TIF Eligible Project Costs as herein listed in the attached ***Exhibit "1"*** of this Redevelopment Agreement; and

WHEREAS, the Developer requested that incentives for the acquisition and redevelopment be provided by the City from incremental increases in real estate taxes of the City generated within the TIF District and the City agreed to such incentives; and

WHEREAS, the City has determined that this Project required the incentives requested as set forth herein and that said Project will, as a part of the Plan, promote the health, safety and welfare of the City and its citizens by attracting private investment to prevent blight and deterioration and to generally enhance the economy of the City; and

WHEREAS, the City has reviewed the conditions of the Property and has reason to believe that the costs of the necessary public or private improvements to be incurred by the Developer in furtherance of the Project are eligible project costs under the Act and are consistent with the Redevelopment Plan of the City; and

WHEREAS, the Parties have agreed that the City shall reimburse the Developer the sum of **Five Hundred Thousand Dollars ($500,000.00)** as set forth below from the TIF District Special Tax Allocation Fund for reimbursement of a portion of the Developer's TIF Eligible Project Costs as described in ***Exhibit "1"*** attached hereto; and

WHEREAS, this funding is only available and contingent upon the City being unsuccessful in its efforts to obtain grant funding through the State of Illinois' Rebuild Illinois Grant Programs to improve the Property; and

WHEREAS, in consideration of the execution of this Agreement, the Developer is completing the Project as set forth in ***Exhibit "1"***; and

WHEREAS, the City is entering into this Agreement having encouraged and induced the Developer to proceed with the Project located on said Property.

AGREEMENTS

NOW, THEREFORE, the Parties, for good and valuable consideration, the receipt of which is acknowledged, agree as follows:

A. PRELIMINARY STATEMENTS

1. The Parties agree that the matters set forth in the recitals above are true and correct and form a part of this Agreement.

2. Any terms which are not defined in this Agreement shall have the same meaning as they do in

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

the Act, unless indicated to the contrary.

3. The Developer shall remain in compliance with all municipal ordinances relating to property development, property condition, zoning, subdivision and building codes. Failure to cure the violation of any such ordinance within thirty (30) days upon being provided written notice of the same by the City shall be cause for the City to declare the Developer in Default and unilaterally terminate this Agreement, except where such failure is not reasonably susceptible to cure within such 30-day period, in which case the Developer shall have such additional time to cure as is reasonably necessary, provided that the Developer has commenced such cure within such 30-day period and continues to diligently prosecute the same to completion.

4. The Developer shall complete the Project as described in ***Exhibit "1"*** attached hereto within sixteen (16) months from the date of execution of this Agreement, subject to extension due to Force Majeure (defined in *Section K* below). This Project shall be deemed complete when the commercial building located on the Property is complete and a certificate of occupancy has been issued.

5. Each of the Parties represents that it has taken all actions necessary to authorize its representatives to execute this Agreement.

B. ADOPTION OF TAX INCREMENT FINANCING

The City has created a Tax Increment Financing District known as the "Pekin South Industrial Park Conservation Area TIF District" which includes the Developer's Property. The City has approved certain Redevelopment Project Costs, including the types described in ***Exhibit "1"*** for the Developer's Project.

C. INCENTIVES

In consideration for the Developer completing the Project as set forth herein, the City agrees to extend to the Developer the following incentives to assist the Developer's Project:

1. The City shall reimburse the Developer for its TIF Eligible Project Costs as set forth in ***Exhibit "1"*** attached hereto and verified pursuant to *Section E* below the sum of **Five Hundred Thousand Dollars ($500,000.00)** from the City's TIF District Special Tax Allocation Fund. December 31, 2024.
2. Incentives shall only be provided to Developer if the City is unsuccessful in its efforts to obtain grant funding through the State of Illinois' Rebuild Illinois Grant Programs (e.g. Shovel Ready Grant) to improve the Property.
3. In no event shall the total reimbursements paid by the City to the Developer pursuant to this Agreement exceed $500,000.00.

D. LIMITATION OF INCENTIVES TO DEVELOPER

1. In no event, shall the maximum cumulative reimbursements for the Developer's TIF Eligible Project Costs pursuant to *Section C* above exceed **Five Hundred Thousand Dollars ($500,000.00)** as set forth herein.
2. The Developer agrees to substantially complete the project, subject to Force Majeure, as

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

defined below.

E. PAYMENT OF ELIGIBLE PROJECT COSTS

1. Payment to the Developer for TIF Eligible Project Costs as set forth by the Act, shall be made by a Requisition for Payment of Private Development Redevelopment Costs (***Exhibit "2",*** "Requisition") submitted from time to time by the Developer to the City's TIF Administrator Jacob & Klein, Ltd., with copy to The Economic Development Group, Ltd. (collectively the Administrator), and subject to the Administrator's approval of the costs and to the availability of funds in the TIF District Special Tax Allocation Fund.

2. All Requisitions must be accompanied by verified bills or statements of suppliers, contractors, or professionals together with mechanic's lien waivers (whether partial or full) from each of the parties entitled to a payment that is the subject of the Requisition as required by the City.

3. In order for the Developer to receive reimbursement of Eligible Project Costs for costs it has incurred in any year as set forth in *Paragraphs 1* and *2* above, the Developer must submit such proposed eligible costs to the City by March 1 of the following year. If there are no accumulated outstanding costs previously submitted and approved by the City and if the Developer does not submit such proposed eligible costs by this deadline, the Developer will forfeit reimbursement of such costs from the prior year's real estate tax increment to be paid in the current year. Any approved eligible costs submitted after this deadline will be eligible for reimbursement from the next year's real estate increment receipts.

4. Any real estate increment not required to be paid to the Developer under the terms of *Paragraph 3* above shall be available to the City for any purpose set forth in the Plan pursuant to the Act.

5. The Developer shall use such sums as reimbursement for Eligible Project Costs only to the extent permitted by law and the Act and may allocate such funds for any purpose for the term of this Agreement or the term of the TIF District, whichever is longer.

6. The Administrator shall approve or disapprove a Requisition by written receipt to the Developer within thirty (30) business days after receipt of the Requisition. Approval of the Requisition will not be unreasonably withheld. If a Requisition is disapproved by the Administrator the reasons for disallowance will be set forth in writing and the Developer may resubmit the Requisition with such additional information as may be required and the same procedures set forth herein shall apply to such re-submittals.

7. All TIF Eligible Project Costs approved shall then be paid by the City from the TIF District Special Tax Allocation Fund to the Developer, or to others as directed by the Developer, pursuant to the Redevelopment Plan and as allowed by Illinois Law. Payment shall be made within forty-five (45) days after approval subject to the terms if this Agreement and after receipt of the increment generated by the Developer's Redevelopment Project from the County.

8. The Parties acknowledge that the determination of Eligible Project Costs, and, therefore, qualification for reimbursement hereunder are subject to changes or interpretation made by

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

amendments to the Act, administrative rules or judicial interpretation during the term of this Agreement. The City has no obligation to the Developer to attempt to modify those decisions but will assist the Developer in every respect as to obtaining approval of Eligible Project Costs.

9. The Developer may submit for prior approval by the City as Eligible Project Costs under the Act estimates of costs before they are incurred subject to later confirmation by actual bills.

F. VERIFICATION OF TAX INCREMENT

1. It shall be the sole responsibility of the Developer or its designee to provide to the City, as requested in writing, copies of all PAID real estate tax bills, annually, for the Property.

2. The failure of Developer to provide any information required herein after written notice from the City, and the continued failure to provide such information within (30) days after such notice, shall be considered a material breach of this Agreement and shall be cause for the City to deny payments hereunder to the Developer, which payments are conditional upon receipt of the foregoing information.

G. LIMITED OBLIGATION

The City's obligation hereunder to pay the Developer for Eligible Project Costs is a limited obligation to be paid solely from the TIF District Special Tax Allocation Fund. Said obligation does not now and shall never constitute an indebtedness of the City within the meaning of any State of Illinois constitutional or statutory provision and shall not constitute or give rise to a pecuniary liability of the City or a charge or lien against any City fund or require the City to utilize its taxing authority to fulfill the terms of this Agreement.

H. LIMITED LIABILITY OF CITY TO OTHERS FOR DEVELOPER'S EXPENSES

There shall be no obligation by the City to make any payments to any person other than the Developer, nor shall the City be obligated to make direct payments to any other contractor, subcontractor, mechanic or materialman providing services or materials to the Developer for the Developer's Project.

I. COOPERATION OF THE PARTIES

1. The City and the Developer agree to cooperate fully with each other when requested to do so concerning the development of the Developer's Redevelopment Project. This includes without limitation the City assisting or sponsoring the Developer, or agreeing to jointly apply with the Developer, for any grant, award, subsidy or additional funding which may be available from other governmental sources as the result of the Developer's or City's activities. This also includes without limitation the Developer assisting or sponsoring the City, or agreeing to jointly apply with the City, for any grant, award, or subsidy which may be available as the result of the City's or the Developer's activities.

2. The Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions, and certifications (and, in the City's case, the adoption of such ordinances and resolutions), as may be necessary or appropriate, from time to time, to carry out the terms, provisions, and intent of this Agreement and to aid and assist each

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

other in carrying out said terms, provisions, and intent.

3. The Parties shall cooperate fully with each other in seeking from any or all appropriate governmental bodies all approvals (whether federal, state, county or local) required or useful for the construction or improvement of property and facilities in and on the Property or for the provision of services to the Property, including, without limitation, wetland mitigation, gas, telephone, and electric utility services, roads, highways, rights-of-way, water and sanitary sewage facilities, and storm water disposal facilities.

J. DEFAULT; CURE; REMEDIES

In the event of a default under this Redevelopment Agreement by any party hereto (the "Defaulting Party"), which default is not cured within the cure period provided for below, then the other Party (the "Non-defaulting Party"), shall have an action for damages, or, in the event damages would not fairly compensate the Non-defaulting Parties for the Defaulting Party's breach of this Redevelopment Agreement, the Non-defaulting Party shall have such other equity rights and remedies as are available to them at law or in equity. Any damages payable by the City hereunder shall be limited to the real estate tax increment payable to the Developer under the terms of this Agreement.

In the event a Defaulting Party shall fail to perform a monetary covenant which it is required to perform under this Redevelopment Agreement, it shall not be deemed to be in default under this Redevelopment Agreement unless it shall have failed to perform such monetary covenant within thirty (30) days of its receipt of a notice from a Non-defaulting Party specifying that it has failed to perform such monetary covenant. In the event a Defaulting Party fails to perform any nonmonetary covenant as and when it is required to under this Redevelopment Agreement, it shall not be deemed to be in default if it shall have cured such default within thirty (30) days of its receipt of a notice from a Non-defaulting Party specifying the nature of the default, provided, however, with respect to those nonmonetary defaults which are not capable of being cured within such thirty (30) day period, it shall not be deemed to be in default if it commences curing within such thirty (30) day period, and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

K. TIME; FORCE MAJEURE

For this Agreement, time is of the essence. The Developer agrees to complete the Project within sixteen (16) months from the date of execution of this Agreement. Failure to do so shall be cause for the City to declare the Developer in default and unilaterally terminate the Agreement. However, the Developer and the City shall not be deemed in default with respect to any obligations of this Agreement on its part to be performed if the Developer or City fails to timely perform the same and such failure is due in whole, or in part, to any strike, lock-out, labor trouble (whether legal or illegal), civil disorder, inability to procure materials, weather conditions wet soil conditions, failure or interruptions of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, war, fuel shortages, accidents, casualties, Acts of God, acts caused directly or indirectly by the City (or the City's agents, employees or invitees) when applicable to Developer or third parties, or any other cause beyond the reasonable control of Developer or the City.

L. ASSIGNMENT

The rights (including, but not limited to, the right to payments contemplated by *Section C* of this Agreement) and obligations (or either of them) of the Developer under this Agreement shall be fully assignable by the Developer provided written notice is provided to the City and the City's consent is obtained prior to such assignment. The City's consent shall not be unreasonably withheld provided that

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

the nature of the Project is not substantially changed, and further provided that the assignee is financially capable of fulfilling the obligations of the assignor. Further, no such assignment shall be deemed to release the assignor of its obligations to the City under this Agreement unless the consent of the City to the release of the assignor's obligations is first obtained.

M. WAIVER

Any party to this Agreement may elect to waive any remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless the party waiving such right of remedy does so in writing. No such waiver shall obligate such party to waive any right of remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided said party pursuant to this Agreement.

N. SEVERABILITY

If any section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of said section, subsection, term or provision of this Agreement or the application of same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

O. NOTICES

All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement shall be in writing and shall be executed by the party or an officer, agent or attorney of the party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, or as of the third (3rd) day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid addressed as follows:

Attachment: DCX-CHOL Redevelopment Agreement (2246 : Ordinance No. 2891-20/21 TIF Redevelopment Agreement with DCX-CHOL

P. SUCCESSORS IN INTEREST

Subject to the provisions of *Section L*, above, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Q. NO JOINT VENTURE, AGENCY, OR PARTNERSHIP CREATED

Neither anything in this Agreement nor any acts of the parties to this Agreement shall be construed by the parties or any third person to create the relationship of a partnership, agency, or joint venture between or among such parties.

R. INDEMNIFICATION OF CITY

It is the understanding of the Parties that the position of the Illinois Department of Labor is that the Illinois Prevailing Wage Act does not apply to TIF increment received by developers as reimbursement for private TIF Eligible Project Costs. This position of the Department of Labor is stated as an answer to a FAQ on its website at: http://www.illinois.gov/idol/FAQs/Pages/prevailing-wage-faq.aspx. The Developer shall indemnify and hold harmless the City, and all City elected or appointed officials, officers, employees, agents, representatives, engineers, consultants and attorneys (collectively, the Indemnified Parties), from any and all claims that may be asserted against the Indemnified Parties or one or more of them, in connection with the applicability, determination, and/or payments made under the Illinois Prevailing Wage Act (820 ILCS 130/0.01 et. seq.), the Illinois Procurement Code, and/or any similar State or Federal law or regulation. In addition, the Developer agrees to indemnify and hold harmless the City for any claim asserted against the City arising from the Developer's Project and/or this Agreement. This obligation to indemnify and hold harmless obligates Developer to defend any such claim and/or action, pay any liabilities and/or penalties imposed, and pay all defense costs of City, including but not limited to the reasonable attorney fees of City.

S. ENTIRE AGREEMENT

The terms and conditions set forth in this Agreement and exhibits attached hereto supersede all prior oral and written understandings and constitute the entire agreement between the City and the Developer with respect to the subject matter hereof.

T. TITLES OF PARAGRAPHS

Titles of the several parts, paragraphs, sections or articles of this Agreement are inserted for convenience of reference only, and shall be disregarded in construing or interpreting any provisions hereof.

U. WARRANTY OF SIGNATORIES

The signatories of Developer warrant full authority to both execute this Agreement and to bind the entity in which they are signing on behalf of.

V. TERM OF THE AGREEMENT

Notwithstanding anything contained herein to the contrary, this Agreement shall expire upon the Developer receiving all incentives included herein. The Agreement shall expire sooner if the Developer files for bankruptcy or otherwise becomes insolvent, the Property becomes the subject of foreclosure
