REQUEST FOR COUNCIL ACTION

To: Council Members

Date: July 5, 2017

From: Pamela Anderson, Community Development Dir

AGENDA ITEM: 2017 Action Plan and 2015-2019 Consolidated Plan amendment #1

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: Public hearing for the 2017 Action Plan and 2015-2019 Consolidated plan amendment #1.

DESCRIPTION: public hearing for the proposed 2017 CDBG Action Plan and 2015-2019 Consolidated plan amendment #1. Proposed changes to the 5 year plan and current program year will be provided during the public hearing presentation.

FINANCIAL IMPACT: This is a public hearing, no vote required at this Council meeting. Financial changes will be explained during public presentation.

NEIGHBORHOOD CONCERNS: <Insert Concerns>

IMPACT IF APPROVED: none – public hearing, no vote required at this Council meeting

IMPACT IF DENIED: none – public hearing, no vote required at this Council meeting

ALTERNATIVES:

RELATED TO EFFICIENCY STUDY:

RELATIONSHIP TO THE CONCEPTUAL PLANNING PROCESS: [check no more than 2 boxes. Copy this check mark ✓ and paste it to the left of the relevant theme.]

	A Prosperous Community. To promote and sustain a balanced economy that supports expansion and retention of family-wage jobs.
	A Safe Community. To protect community life and property by providing effective, principled police and fire services.
	A Strong Foundation. To improve and maintain existing infrastructure and leverage opportunities for new infrastructure.
	A High Quality of Life. To support or provide services that improve the quality of life for Pekin's residents.

✓	An Effective Government. To deliver effectively the services that Pekin’s residents want, need, and are willing to support.

**PASSED BY THE PEKIN CITY COUNCIL, STATE OF ILLINOIS AND APPROVED
THIS 10th DAY OF JULY, 2017**

MAYOR

ATTEST:

CITY CLERK

MINUTES of a regular public meeting of the City Council of the City of Pekin, Tazewell and Peoria Counties, Illinois, held at the City Hall, 111 South Capitol Street, Pekin, Illinois, at 5:30 o'clock P.M., on the 10th day of July, 2017.

* * *

The Mayor called the meeting to order and directed the City Clerk to call the roll.

Upon the roll being called, John McCabe, the Mayor, and the following City Council members answered present: _____

The following City Council members were absent: _____

* * *

(Other Business)

The City Council then discussed a proposal to issue a promissory note of the City for the purpose of financing the construction of water detention capital improvements at the Cambridge-Shire locality and other public improvements of the City, and then considered the adoption of an ordinance providing for the issuance of a promissory note for such purpose and the sale of the note to Morton Community Bank.

Whereupon the City Council member _____ presented an ordinance which was before the City Council, having been previously distributed to the City Council members and fully understood, as follows:

Attachment: Storm Water Loan Ordinance (1169 : Ordinance No. 2770-17/18 Promissory Note \$1,400,000)

ORDINANCE NUMBER _____

AN ORDINANCE providing for the issuance of a Promissory Note, Series 2017, of the City of Pekin, Tazewell and Peoria Counties, Illinois, in the principal amount of \$1,400,000, and confirming the sale thereof to Morton Community Bank and related matters.

WHEREAS, the City of Pekin, Tazewell and Peoria Counties, Illinois (the “City”), has a population of more than 25,000, and in accordance with the provisions of Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois (the “*Constitution*”), the City is a home rule unit of government and, as such, may exercise any power or perform any function pertaining to its government and affairs including, but not limited to, the power to tax and to incur debt; and

WHEREAS, pursuant to the provisions of Section 6(a) of the Constitution, the City has the power to incur debt payable from any lawful source and maturing within forty (40) years from the time it is incurred without prior referendum approval; and

WHEREAS, the City Council of the City (the “*Corporate Authorities*”) has hereby determined that it is necessary and in the best interests of the City to finance the construction of water detention capital improvements at the Cambridge-Shire locality and other public improvements (collectively, the “*Project*”); and

WHEREAS, the Corporate Authorities hereby find and determine that it is necessary for the welfare of the government and affairs of the City, is a proper public purpose and is in the public interest that the sum of \$1,400,000 be borrowed at this time to finance the Project, and in evidence of such indebtedness, a promissory note of the City, payable from any available moneys of the City, in the principal amount of \$1,400,000 be issued;

NOW, THEREFORE, Be It Ordained by the City Council of the City of Pekin, Tazewell and Peoria Counties, Illinois, in the exercise of its home rule powers, as follows:

Section 1. Incorporation of Preambles. The Corporate Authorities hereby find that all of the recitals contained in the preambles to this ordinance are true, complete and correct, and do incorporate them into this ordinance by this reference.

Section 2. Authorization. The Corporate Authorities hereby find that the City is authorized to issue its promissory note to the amount of \$1,400,000 for the purpose of financing the Project.

Section 3. Note Details. For the purpose of financing the Project, there shall be issued and sold a promissory note of the City (the “*Note*”). The Note shall be payable to Morton Community Bank (the “*Purchaser*”) or registered assigns as provided therein. The maximum principal face amount (the “*Face Amount*”) of the Note shall be shown on the face of the Note as \$1,400,000, but only so much of the Face Amount as is shown as advanced by the Purchaser and received for value (the “*Outstanding Principal Amount*” as subject to reduction as hereinbelow provided), as evidenced by the Note, shall be payable. Such advances shall be in integral multiples of \$1,000, *provided* that the initial advance shall be not less than \$50,000 (the “*Initial Advance*”), the City shall not request advances more frequently than one time per month and the final advance shall occur on or before January 31, 2018 (the “*Draw Period End Date*”). The Note shall be designated “Promissory Note, Series 2017.” The Note shall be dated as of the date of the Initial Advance, and shall also bear the date of authentication thereof. The Note shall be in fully registered form. The Outstanding Principal Amount from time to time outstanding shall bear interest at the rate of 2.00% per annum, payable on the 1st day of each month. The Outstanding Principal Amount shall become due and payable pursuant to a schedule of repayment (the “*Repayment Schedule*”); *provided, however*, that the Repayment Schedule, in order to be enforceable, shall comply with each of the following terms:

- (1) The Repayment Schedule shall be set forth in or as part of the Note;
- (2) Payments of interest only shall be made from the date of the Initial Advance to and including the Draw Period End Date;
- (3) Payments of principal and interest shall be scheduled only for the 1st day of each month, commencing on February 1, 2018 (the “*First Principal Payment Date*”), with the final principal payment being not later than the seventh anniversary of the First Principal Payment Date; and
- (4) Beginning on the First Principal Payment Date, the Repayment Schedule shall provide for substantially level monthly payments of principal and interest (collectively).

The Outstanding Principal Amount at any time shall be made up of (a) advances less the sum of (b)(i) principal installment payments and (ii) redemptions and prepayments of principal. The Note shall bear interest on the Outstanding Principal Amount from time to time at the rate aforesaid, in each case from the time advanced until paid or duly provided for, such interest computed on the basis of a 360-day year, and being payable on the dates set forth above.

Interest on the Note shall be paid by check or draft of the City Treasurer of the City, as registrar and paying agent (the “*Registrar*” and the “*Paying Agent*”), payable in lawful money of the United States of America to the person in whose name the Note is registered at the close of business on the twenty-fifth day of the calendar month immediately prior to the applicable interest payment date. Notwithstanding the foregoing, the principal of and interest on the Note shall be payable by wire transfer in immediately available funds to such wire transfer address within the continental United States of America as shall be requested by any owner of the Note if such owner shall have requested payment by such method in writing, and shall have provided the Registrar with an account number and other necessary information for such purpose by the twenty-fifth day of the calendar month immediately preceding the applicable payment date; *provided*, that the

payment of the final principal installment of the Note shall be made only upon presentation and surrender of the Note at the designated office of the Registrar. The principal installments of the Note shall be payable in lawful money of the United States of America by check or draft (or wire) of the Registrar as provided above for the payment of interest, other than the final principal installment of the Note which shall be payable at the designated office of the Registrar.

The seal of the City shall be affixed to or a facsimile thereof printed on the Note, and the Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk of the City, and in case any officer whose signature shall appear on the Note shall cease to be such officer before the delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the Note and showing the date of authentication. The Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the Note shall be conclusive evidence that the Note has been authenticated and delivered under this ordinance.

Section 4. Registration of Note; Persons Treated as Owners. The City shall cause books (the “Register”) for the registration and for the transfer of the Note as provided in this Ordinance to be kept at the designated office of the Registrar, which is hereby constituted and appointed the registrar of the City for the Note. The City is authorized to prepare, and the Registrar shall keep custody of, multiple Note blanks executed by the City for use in the transfer and exchange of the Note.

The Note may be transferred as a whole but not in part (but not exchanged), but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer of the Note at the designated office of the Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and duly executed by, the registered owner of the Note or his attorney duly authorized in writing, the City shall execute and the Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Note in the amount of the unpaid principal. The execution by the City of any fully registered Note shall constitute full and due authorization of such Note and the Registrar shall thereby be authorized to authenticate, date and deliver such Note; *provided, however*, that the principal amount of any outstanding Note authenticated by the Registrar shall not exceed the authorized principal amount of the Note less previous retirements. The Registrar shall not be required to transfer the Note during the period beginning at the close of business on the twenty-fifth day of the calendar month immediately prior to any interest payment date on the Note and ending on such interest payment date nor to transfer or exchange the Note after notice calling a principal installment or installments of the Note for prepayment has been mailed, nor during a period of five (5) days next preceding mailing of a notice of prepayment of the Note.

The person in whose name the Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal installments of or interest on the Note shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may

be imposed in connection with any transfer of the Note, except in the case of the issuance of the Note for the unprepaid portion of the Note surrendered for prepayment.

Section 5. Prepayment Prior to Maturity. The principal installments of the Note shall be subject to prepayment prior to maturity at the option of the City as a whole or in part in such order of their maturity as shall be specified by the City, on any date, at the prepayment price of 100% of the principal amount thereof being prepaid, plus accrued interest to the date fixed for prepayment.

The City shall, at least ten (10) days prior to the date fixed for prepayment (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such date fixed for prepayment and of the principal amount and principal installments of the Note to be prepaid.

Section 6. Notice of Prepayment. Unless waived by any owner of the Note, notice of the call for any such prepayment shall be given by the Registrar on behalf of the City by mailing the prepayment notice by delivery or facsimile communication at least five (5) days prior to the date fixed for prepayment to the registered owner of the Note at the address shown on the Register or at such other address as is furnished in writing by such registered owner to the Registrar.

All notices of prepayment shall state:

- (1) the date fixed for prepayment,
- (2) the prepayment price,
- (3) if less than all of the Note is to be prepaid, the identification (and, in the case of partial prepayment, the respective principal amounts) of the principal installments of the Note to be prepaid,
- (4) that on the prepayment date the prepayment price will become due and payable upon the Note or portion thereof called for prepayment, and that interest thereon shall cease to accrue on such amount from and after said date,
- (5) the place where the Note is to be surrendered for payment of the prepayment price, which place of payment shall be the office of the Paying Agent, and

(6) such other information then required by custom, practice or industry standard.

Prior to any date fixed for prepayment, the City shall deposit with the Paying Agent an amount of money sufficient to pay the prepayment price of the Note or portion of the Note which is to be prepaid on that date. With respect to an optional prepayment of the principal installments of the Note, unless moneys sufficient to pay the principal installments of and interest on the Note to be prepaid shall have been received by the Registrar prior to the giving of such notice of prepayment, such notice may, at the option of the City, state that said prepayment shall be conditional upon the receipt of such moneys by the Registrar on or prior to the date fixed for prepayment. If such moneys are not received, such notice shall be of no force and effect, the City shall not prepay the Note or portion thereof, and the Registrar shall give notice, in the same manner in which the notice of prepayment was given, that such moneys were not so received and that the Note or portion thereof will not be prepaid.

Notice of prepayment having been given as aforesaid, the principal installments of the Note or portion of the principal installments of the Note so to be prepaid shall, on the date fixed for prepayment, become due and payable at the prepayment price therein specified, and from and after such date (unless the City shall default in the payment of the prepayment price) the principal installments of the Note or portion of the principal installments of the Note to be prepaid shall cease to bear interest. Upon surrender of the Note for prepayment in accordance with said notice, the Note or portion thereof shall be paid by the Paying Agent at the prepayment price. Installments of interest due on or prior to the date fixed for prepayment shall be payable as herein provided for the payment of interest. Upon surrender for any partial prepayment of the Note, there shall be prepared for the registered owner thereof a new Note in the amount of the unpaid principal.

If the Note or portion of the Note called for prepayment shall not be so paid upon surrender thereof for prepayment, the principal shall, until paid, bear interest from the date fixed for

prepayment at the rate borne by the Note. If the Note shall have been prepaid as a whole, it shall be cancelled and destroyed by the Registrar, and shall not be reissued.

Section 7. Form of Note. The Note shall be prepared in substantially the following form:

(Form of Note)

REGISTERED
NO. 1

REGISTERED

THIS NOTE IS TRANSFERABLE ONLY AS A WHOLE.

UNITED STATES OF AMERICA

STATE OF ILLINOIS

COUNTIES OF TAZEWELL AND PEORIA

CITY OF PEKIN

PROMISSORY NOTE, SERIES 2017

Interest
Rate: 2.00%Maturity
Dates: As set forth belowDated
Date: _____, 2017

Registered Owner: MORTON COMMUNITY BANK

Maximum Principal Amount: ONE MILLION FOUR HUNDRED THOUSAND DOLLARS

KNOW ALL PERSONS BY THESE PRESENTS, that the City of Pekin, Tazewell and Peoria Counties, Illinois (the “City”), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner identified above, or registered assigns as hereinafter provided, the Outstanding Principal Amount of this Note. The “Outstanding Principal Amount” is that amount, not to exceed the Maximum Principal Amount of this Note as set forth above, shown as advanced in even multiples of \$1,000 from time to time and received by the City for value, *provided* that the initial advance shall be not less than \$50,000, as is noted on this Note in the form of Advances for Value hereon. The Outstanding Principal Amount is subject to reduction for redemption and prepayment thereof as hereinafter provided. The City promises to pay interest on the Outstanding Principal Amount at the rate of 2.00% per annum. The Outstanding Principal Amount of this Note shall become due and payable pursuant to the schedule of repayment (the “*Repayment Schedule*”) attached hereto.

This Note shall bear interest on the Outstanding Principal Amount from time to time at the rate aforesaid, in each case from the time advanced until paid or duly provided for, such interest computed on the basis of a 360-day year, and being payable on the dates provided in the Repayment Schedule, which shall be on the 1st day of each month. The final principal installment of this Note is payable in lawful money of the United States of America at the designated office of the City Treasurer of the City, in Pekin, Illinois, as registrar and paying agent (the “*Registrar*”). Payment of the other installments of principal hereof and interest hereon shall be made to the Registered Owner hereof as shown on the registration books of the City maintained by the Registrar, at the close of business on the twenty-fifth day of the calendar month immediately prior to the applicable interest payment date, and shall be paid by check or draft of the Registrar, payable in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books or at such other address furnished in writing by such Registered Owner to the Registrar; *provided, however*, that the principal of and interest on this Note are payable by wire transfer to any owner hereof if such owner shall have requested payment by such method in writing, and shall have provided the Registrar with an account number and other necessary information for such purpose on or before the twenty-fifth day of the calendar month immediately preceding the applicable payment date; *provided, further*, that the payment of the final principal installment of this Note shall be made only upon presentation and surrender of this Note at the designated office of the Registrar. For the prompt payment of this Note, both principal and interest at maturity, available moneys of the City are hereby irrevocably pledged.

This Note is issued by the City in the principal amount of \$1,400,000 for the purpose of financing the construction of water detention capital improvements at the Cambridge-Shire locality and other public improvements, pursuant to and in all respects in compliance with the applicable provisions of Section 6 of Article VII of the 1970 Constitution of the State of Illinois, and in

compliance with an ordinance which has been duly adopted by the City Council of the City on July 10, 2017 (the “*Ordinance*”), in all respects as by law required. The owner of this Note, by its acceptance hereof, is entitled to the benefits of the Ordinance, and is subject to the terms and provisions of the Ordinance. The Note is a direct general obligation of the City, payable from available funds of the City and other sources of payment as are pledged or otherwise lawfully available, budgeted and appropriated, as provided in the Ordinance.

The principal installments of this Note are subject to prepayment prior to maturity at the option of the City as a whole or in part in such order of maturity as shall be specified by the City, on any date, at the prepayment price of 100% of the principal amount thereof being prepaid plus accrued interest to the date fixed for prepayment.

Notice of any such prepayment shall be sent by delivery or facsimile communication not less than five (5) days prior to the date fixed for prepayment to the registered owner of this Note at the address shown on the registration books of the City maintained by the Registrar or at such other address as is furnished in writing by such registered owner to the Registrar. Such notice of prepayment may be conditional as provided in the Ordinance. When so called for prepayment, the principal amount of this Note so to be prepaid will cease to bear interest on the specified date fixed for prepayment, provided funds for prepayment are on deposit at the place of payment at that time, and shall not be deemed to be outstanding.

This Note is transferable as a whole but not in part (but not exchanged) by the Registered Owner hereof in person or by his attorney duly authorized in writing at the designated office of the Registrar in Pekin, Illinois, but only in the manner, subject to the limitations and upon payment of the charges provided in the Ordinance, and upon surrender and cancellation of this Note. Upon such transfer a new Note in the amount of the unpaid principal will be issued to the transferee in exchange for this Note.

The Registrar shall not be required to transfer this Note during the period beginning at the close of business on the twenty-fifth day of the calendar month immediately prior to any interest payment date on this Note and ending on such interest payment date nor to transfer or exchange this Note after notice calling any portion of this Note for prepayment has been mailed, nor during a period of five (5) days next preceding mailing of a notice of prepayment of any portion of this Note.

The City and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the City nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all conditions, acts and things required by law to exist or to be done precedent to and in the issuance of this Note did exist, have happened, have been done and have been performed in regular and due form and time as required by law; that the indebtedness of the City, including the issuance of this Note, does not exceed any limitation imposed by law; and that the City shall annually take all necessary action to appropriate such funds as are necessary to pay the interest hereon as it falls due and also to pay and discharge the principal installments hereof at maturity. Such principal installments and interest are direct obligations of the City, payable from any funds of the City legally available and annually appropriated for such purpose. THERE IS NO PROVISION FOR THE LEVY OF A SEPARATE TAX IN ADDITION TO OTHER CITY TAXES OR THE LEVY OF A SPECIAL TAX UNLIMITED AS TO RATE OR AMOUNT TO PAY SUCH PRINCIPAL INSTALLMENTS AND INTEREST.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Registrar.

The tables and forms following the signatures on this Note and entitled Advances for Value and Repayment Schedule are an integral part of this Note as if in each case fully set forth at this place and are incorporated herein by this reference.

IN WITNESS WHEREOF, the City of Pekin, Tazewell and Peoria Counties, Illinois, by its City Council, has caused its official seal to be imprinted by facsimile hereon or hereunto affixed, and this Note to be signed by the duly authorized manual or facsimile signature of the Mayor of the City, and attested by the duly authorized manual or facsimile signature of the City Clerk of the City, all as of the Dated Date identified above.

Attachment: Storm Water Loan Ordinance (1169 : Ordinance No. 2770-17/18 Promissory Note \$1,400,000)

REPAYMENT SCHEDULE

Attachment: Storm Water Loan Ordinance (1169 : Ordinance No. 2770-17/18 Promissory Note \$1,400,000)

Section 8. Sale of Note. The Note hereby authorized shall be executed as in this ordinance provided as soon after the passage hereof as may be, and thereupon, be deposited with the City Treasurer of the City, and be by said Treasurer delivered to Morton Community Bank, in Pekin, Illinois (the “Purchaser”), upon receipt of the initial purchase price of the Note, such purchase price being 100% of the principal amount thereof, plus accrued interest, if any, and the payment of such purchase price in immediately available funds is to be advanced from time to time as provided herein to pay the costs of the Project in the amount of \$1,400,000, as provided in Section 11 hereof, is hereby in all respects authorized, approved and confirmed. No person holding an office of the City either by election or appointment is in any manner interested, either directly or indirectly, in his own name or in the name of any other person, association, trust or corporation, in the Purchaser.

Section 9. Payment of the Principal Installments of and the Interest on the Note; Covenants. The City hereby represents, warrants and agrees that the obligation to make the payments of the principal installments of and the interest on the Note shall be a direct obligation of the City, payable from available funds of the City and such other sources of payment as are herein pledged or otherwise lawfully available. For the purpose of providing the funds necessary to pay the interest and the principal installments due on the Note, the City irrevocably agrees to budget and appropriate funds of the City annually and in a timely manner so as to provide for the making of all payments when due under the terms of the Note.

Section 10. Payments. Appropriations received for the payment of the principal installments of and interest on the Note shall be irrevocably pledged to and shall be used only for the purpose of paying the principal installments of and interest on the Note.

Section 11. Creation of Funds and Appropriations. As and when received, the purchase price of the Note shall be deposited into the Promissory Note, Series 2017, Project Fund (the

“*Project Fund*”), hereby created. Moneys in the Project Fund shall be used to pay costs of the Project, including costs of issuance of the Note. The principal proceeds of the Note ultimately received by the City upon the sale of the Note in the amount of \$1,400,000 (representing principal proceeds of \$1,400,000 and no accrued interest), shall be used from time to time to pay the cost of the Project and the costs of issuance of the Note. Such amount shall be advanced by the owner thereof from time to time as the purchase price of the Note as written requisitions are received from the City.

The owner of the Note shall keep and maintain adequate records pertaining to the advances and all requisitions, and after the Project has been completed, the owner of the Note shall deliver copies of such records to the City. All advances shall also be noted on the Advances for Value table attached to the Note.

Section 12. General Arbitrage Covenants. The City recognizes that the provisions of Section 148 of the Internal Revenue Code of 1986, as amended (the “*Code*”), require a rebate to the United States of America in certain circumstances. The City agrees to comply with all provisions of said Section pertaining to the Note. The City also agrees and covenants with the purchasers and owners of the Note from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Note and affects the tax-exempt status of the interest on the Note.

The Corporate Authorities hereby authorize the officials of the City responsible for issuing the Note, the same being the Mayor, the City Clerk and the City Treasurer of the City, to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Note to be an arbitrage bond and to assure that the interest on the Note continues to be excludible from the gross income of the owners thereof for federal income tax purposes. In connection therewith, the City and the Corporate Authorities further agree: (a) through their

officers, to make such further specific covenants, representations and warranties as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Note and to comply with such advice as may be given; (c) to pay to the United States of America, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Note; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

The Mayor, the City Clerk and the City Treasurer of the City, or any of them, are hereby authorized to execute on behalf of the City a Tax Exemption Certificate and Agreement (the “*Tax Exemption Certificate*”) to assure the purchasers and owners of the Note that the proceeds of the Note are not expected to be used in a manner which would or might result in the Note being a “reimbursement bond” issued in contravention of Section 1.103-18 of the United States Treasury Department Regulations (the “*Regulations*”) or an “arbitrage bond” under Section 148 of the Internal Revenue Code of 1986, as amended (the “*Code*”), or the regulations of the United States Treasury Department currently in effect or proposed. Such Tax Exemption Certificate shall constitute a representation, certification and covenant of the City, and shall be incorporated herein by reference, and no investment of Note proceeds or of moneys accumulated to pay the Note herein authorized shall be made in violation of the expectations prescribed by said Tax Exemption Certificate. Such Tax Exemption Certificate shall constitute an agreement of the City to follow certain covenants which may require the City to take certain actions (including the payment of certain amounts to the United States Treasury) or which may prohibit certain actions (including the establishment of certain funds) under certain conditions as specified in such Tax Exemption Certificate.

Section 13. Registered Form. The City recognizes that Section 149(a) of the Code requires the Note to be issued and to remain in fully registered form in order that the interest on the Note continues to be excludible from the gross income of the owners thereof for federal income tax purposes under the laws in force at the time the Note is delivered. In this connection, the City agrees that it will not take any action to permit the Note to be issued in, or converted into, bearer or coupon form.

Section 14. Qualified Tax-Exempt Obligations. The City recognizes the provisions of Section 265(b)(3) of the Code which provide that a “qualified tax-exempt obligation” as therein defined may be treated by certain financial institutions as if it were acquired on August 7, 1986, for certain purposes. The City hereby designates the Note for purposes of Section 265(b)(3) of the Code as a “qualified tax-exempt obligation,” as provided therein.

In support of such designation:

(a) The City acknowledges that a “qualified tax exempt obligation” means an obligation which is not a “private activity bond,” as defined in Section 141(a) of the Code.

(b) The City represents, certifies and covenants that, including the Note, the City (including any entities subordinate thereto) has not and does not reasonably expect to issue in excess of \$10,000,000 in “qualified tax-exempt obligations” (other than “private activity bonds”) (as such terms are defined in the Code) during calendar year 2017.

(c) The City represents, certifies and covenants that, including the Note, not more than \$10,000,000 of obligations issued by the City (including any entities subordinate thereto) during the calendar year of the issuance of the Note have been to date or will be designated by the City for purposes of said Section 265(b)(3).

Section 15. List of Noteholders. The Registrar shall maintain a list of the name and address of the registered owner of the Note and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

Section 16. Duties of Registrar. If requested by the Registrar, the Mayor and the City Clerk of the City are authorized to execute the Registrar’s standard form of agreement between the

City and the Registrar with respect to the obligations and duties of the Registrar hereunder which may include the following:

- (a) to act as registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to give notice of the prepayment of the principal installments of the Note;
- (c) to maintain a list of the registered owners of the Note as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential;
- (d) to cancel and/or destroy the Note which has been paid at final maturity or submitted for transfer;
- (e) to furnish the City at least annually a certificate with respect to the Note cancelled and/or destroyed; and
- (f) to furnish the City at least annually an audit confirmation of principal installments of the Note paid, principal installments of the Note outstanding and payments made with respect to interest on the Note.

The City Clerk of the City is hereby directed to file a certified copy of this Ordinance with the Registrar and the Paying Agent.

The City covenants that it shall at all times retain a Registrar with respect to the Note, that it will maintain at the designated office of such Registrar a place or places where the Note may be presented for payment or registration of transfer or exchange, and that it shall require that the Registrar properly maintain the Register and perform the other duties and obligations imposed upon it by this ordinance in a manner consistent with the standards, customs and practices of the municipal securities industry.

The City may remove the Registrar at any time. In case at any time the Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar, or of the property thereof, shall be appointed, or if any public office shall take charge or control of the Registrar, or of the property or affairs thereof, the City covenants and agrees that it will thereupon appoint a successor

Registrar. The City shall mail notice of any such appointment made by it to the registered owner of the Note within twenty (20) days after such appointment.

Section 17. Publication of Ordinance. This Ordinance shall become effective upon its passage and approval, and shall be published in pamphlet form on the date of adoption of this Ordinance.

Section 18. Other Documents. The Mayor, the City Clerk, the City Treasurer and all other officers of the City are hereby authorized to execute all documents and certificates necessary in connection with the authorization and delivery of the Note, and are hereby authorized to take all such actions and to perform all such duties or functions permitted or required by any of the documents and certificates authorized by this Ordinance.

Section 19. Severability. If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining sections, paragraphs and provisions of this Ordinance.

[Remainder of page intentionally left blank]

Section 20. Superseder and Effective Date. All ordinances, resolutions and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect immediately upon its passage and approval, as herein provided.

CERTIFICATION OF MINUTES AND ORDINANCE

I, the undersigned, do hereby certify that I am the duly qualified and acting City Clerk of the City of Pekin, Tazewell and Peoria Counties, Illinois (the “City”), and as such official I am the keeper of the official journal of proceedings, books, records, minutes and files of the City and of the City Council thereof (the “Corporate Authorities”).

I do further certify that the foregoing is a full, true and complete transcript of that portion of the minutes of the meeting of the Corporate Authorities held on the 10th day of July, 2017, insofar as the same relates to the adoption of an Ordinance entitled:

AN ORDINANCE providing for the issuance of a Promissory Note, Series 2017, of the City of Pekin, Tazewell and Peoria Counties, Illinois, in the principal amount of \$1,400,000, and confirming the sale thereof to Morton Community Bank and related matters.

a true, correct and complete copy of which said ordinance as adopted at said meeting appears in the foregoing transcript of the minutes of said meeting.

I do further certify that the deliberations of the Corporate Authorities on the adoption of said ordinance were taken openly; that the vote on the adoption of said ordinance was taken openly; that said meeting was held at a specified time and place convenient to the public; that notice of said meeting was duly given to all of the news media requesting such notice; that an agenda for said meeting was posted at the location where said meeting was held and at the principal office of the City Council of said City and on the website of the City on a date other than a Saturday, Sunday or legal holiday for Illinois cities and at least 48 hours in advance of the holding of said meeting; that said agenda contained a specific item relating to said Ordinance; and that said meeting was called and held in strict compliance with the provisions of the Open Meetings Act of the State of Illinois, as amended, and that the Corporate Authorities have complied with all of the provisions of said Act and with all of the procedural rules of the Corporate Authorities in the adoption of said ordinance.

IN WITNESS WHEREOF, I hereunto affix my official signature and the seal of the City, this 10th day of July, 2017.

REQUEST FOR COUNCIL ACTION

To: Council Members

Date: July 3, 2017

From: Michael Guerra, City Engineer

AGENDA ITEM: Storm Water Utility with Ness

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: To approve the agreement with Daniel Ness for the Stormwater Community Outreach and Engagement Project in the amount of \$32,000.00

DESCRIPTION: There have been several issues with stormwater in Pekin ranging from flooding, erosion and the deterioration of the infrastructure in place. In recent years a few projects have taken place to improve small areas of Pekin such as Circle Drive, Lisa Court, and recently the larger project of Cambridge/Shire Detention pond that have been funded out of the general fund. However, there are still several other problems that need to be addressed such as the flooding at Koch and Enterprise, erosion that is affecting several properties in Broadway area and along Brentwood ditch along with the recent problems that are occurring at Vista Grande. This agreement with Mr. Ness will review the City's capacity for current and future storm water management including the financing of the program. Specifically Mr. Ness will provide a "level of service" evaluation, a comparison of estimated expenses versus revenues, a test process for community outreach and leadership, and detailed recommendations for the program. The cost for this agreement will be \$32,000 and will be completed by the end of the year.

FINANCIAL IMPACT: \$32,000 of Stormwater fund

NEIGHBORHOOD CONCERNS: The ability to provide input to the issues regarding stormwater and finding the ability to have a long term maintenance and a capital improvement program.

IMPACT IF APPROVED: The agreement will be signed and work on the project will begin.

IMPACT IF DENIED: The agreement will not be signed and work on the project will not begin.

ALTERNATIVES: none

RELATED TO EFFICIENCY STUDY: Create a sustained capital improvement plan that is funded

**Daniel Nees
1910 Towne Centre Boulevard, Unit 307
Annapolis, MD 21401**

**Pekin, Ill Stormwater Community Outreach Project
Scope of Work to be Performed by Dan Nees**

The following memorandum provides a proposed scope of work and activities to be conducted by Dan Nees on behalf of the City of Pekin, Illinois. Specifically, the document outlines a process to provide city leaders with a detailed stormwater financing and community outreach strategy designed to increase the effectiveness and impact of the City's stormwater management program. Included is a detailed budget under separate cover.

Project Background. Effectively managing stormwater is one of the greatest fiscal challenges facing urban communities across the United States. Like all infrastructure, stormwater management systems require on-going management, continual maintenance, and more importantly, an adequate level of funding to pay for increasing stormwater expenses. Currently, many of the more effective stormwater programs have shifted from general fund taxes to dedicated fee systems in support of essential activities such as operations, maintenance, administration, and capital improvement projects needed for aging and expanding systems. Even for those communities who have dedicated fees in place, it is necessary to reassess, evaluate, and adjust fees in order to allocate the appropriate resources to program priorities. This often necessitates a program review or periodic analysis of whether dedicated resources are adequate to provide a level of service that is sufficient to address all current and future needs of the community's stormwater program.

The issue of paying for stormwater, while incorporating both gray and green infrastructure practices, looms as an even a greater responsibility for medium to large urban cities across the United States as they prepare to deal with increasingly stricter state and federal stormwater mandates and program requirements. Since every stormwater financing program is as unique as the location it serves, the financing strategy used by municipalities must be specifically designed to reflect the nature and characteristics of a jurisdiction.

Even in cases where a community is able to establish dedicated funding, it is difficult to create a financing strategy that reaches an optimal level of funding and is aggressive enough to deal with the majority of their stormwater needs. As a result, costs and expenses can be two to three times more than anticipated estimates. Closing the revenue gap requires a comprehensive implementation process as well as an equally comprehensive community partnership and outreach effort. The purpose of this project is to provide the City of Pekin with a framework for accomplishing both.

Project Deliverables and Structure. Mr. Nees will implement a phased process designed to evaluate and assess the capacity of the city's current and future stormwater management services. Specifically, we will: 1) assess whether the existing financing system is sufficient to support stormwater management services in the community; and, 2) assess the ability of the program to address long-term expansion necessary for achieving more restrictive regulatory

requirements and population growth. A final report comparing anticipated costs and expenses to expected long-term fiscal need, along with a detailed program review and analysis, will be completed by the consultants. The report will include:

- A “level of service” evaluation: Mr. Nees will collect and review relevant data, studies and other pertinent information in an effort to analyze and estimate current and anticipated future level of service needs necessary to maintain a comprehensive stormwater program.
- A comparison of estimated expenses and anticipated revenues. The foundation of this project will be the implementation and maintenance of a viable financing system for the Pekin community. This in turn will require an assessment of anticipated costs and revenues. To that end, Mr. Nees will evaluate whether current funding is adequate to meet anticipated program obligations, requirements, and goals.
- A tested process for community outreach and leadership. Effective stormwater management and financing requires equally effective citizen engagement and participation. Mr. Nees will facilitate a community-led process designed to engage citizens and businesses to provide input to the stormwater management and financing process that will help to compare needs based on city data with the needs as seen by the community.
- A list of detailed recommendations for moving forward. Once all information is collected and evaluated, Mr. Nees will develop detailed recommendations related to program efficiency, revenue generation, project prioritization, and community outreach, based on a detailed assessment of Pekin’s stormwater program needs.

Anticipated Tasks and Timeline. The project deliverables described above will result from the anticipated project tasks listed below. The actual implementation timeline for each task will be determined as the project commences.

- Conduct a series of in person meetings with key members of the city’s stormwater management and community outreach teams. These interviews will serve as the foundation for the stormwater outreach services assessment.
- Conduct a detailed literature review and stormwater management program analysis. In addition, I will assess the community outreach capacity and effectiveness of other city programs and priorities as a way of identifying potential synergies, efficiencies, and economies of scale.
- Convene a series of approximately four community meetings designed to formulate a baseline assessment of the Pekin community’s understanding of stormwater management issues, the public attitude toward the city’s stormwater management program, and the potential issues that will develop in regard to implementing a codified stormwater revenue system.
- Provide assistance and guidance to city leaders and associated organizations to leverage community events as a mechanism for improving public understanding of stormwater issues. Specifically Mr. Nees will work in partnership with local colleges to provide information and demonstration materials at the annual Marigold Festival to be held in September 2017.

- Convene a final community forum to present the findings of my analysis (this will be done at the discretion of city leadership). The final community forum will precede a formal presentation of project results and recommendations to the Pekin City Council. The date of that presentation will be determined in partnership with the City Manager after the project is initiated.
- Produce a final report to be delivered to the Pekin City Manager on December 31, 2017.
- The project tasks will include three trips by Mr. Nees to Pekin with the approximate timeline:
 - The second or third week of August 2017;
 - The second or third week of October 2017; and,
 - The second or third week of December 2017.

Confirmation of trip dates will be negotiated by Mr. Nees and the City Manager based on project needs identified during implementation.

Program Expenses. Mr. Nees will be fully responsible for all project expenses, including:

- Three trips to Pekin, Ill;
- Partnership with local colleges/students in support of the Marigold Festival activities; and,
- All consulting time supporting research, interviews, analysis, and production of interim and final reports.

Payment and Invoicing. Mr. Nees will be paid \$32,000 for this work. Again, payment will cover all contractor expenses listed above. He will invoice the City of Pekin for services rendered according to the schedule above in the following amounts:

- Signing of contract: \$7,000
- Completion and delivery of mid-point assessment to Pekin City Manager on or about October 30, 2017: \$15,000
- Completion and delivery of a final report to Pekin City Manager on or about December 31, 2017: \$10,000.

AGENDA ITEM: IMLRMA Intergovernmental Cooperation Contract

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: Approve the revised contract for Intergovernmental Cooperation Contract Illinois Municipal League Risk Management Association and the City of Pekin.

DESCRIPTION: The contractual revision is found on page 2, Article 5 (d), changing from original contract amount of 60 days to 120 days' notice for withdrawal purposes. The original contract was approved in Ordinance #2230 April 9, 2001 on a motion from Commissioner Orrick and a second by Commissioner Richmond. This revision increases the timeframe for the City regarding bidding processes and for notification purposes should the City choose to use another provider for worker's compensation or general liability insurance purposes.

FINANCIAL IMPACT: The change in the contract language does not impact rates.

NEIGHBORHOOD CONCERNS:

IMPACT IF APPROVED: The City will continue its current coverage with IMLRMA under its current rates and plan

IMPACT IF DENIED: The IMLRMA may choose not to allow the City of Pekin into the pool of municipalities and the City would be required to find coverage elsewhere.

ALTERNATIVES: none

RELATED TO EFFICIENCY STUDY: Recommendation 12 – pooled purchasing

ILLINOIS MUNICIPAL LEAGUE RISK MANAGEMENT ASSOCIATION

Intergovernmental Cooperation Contract

500 East Capitol Avenue | P.O. Box 5180 | Springfield, IL 62705-5180 | Phone: 217.525.1220 | Fax: 217.525.7438 | www.imlrma.org

Attachment: IMLRMA Intergovernmental Contract 07-2017 (1164 : IMLRMA Intergovernmental Cooperation Contract)

AUTHORITY TO EXECUTE CONTRACT

This Contract is entered into pursuant to the provisions of the 1970 Illinois Constitution Article VII, Section 10, entitled "Intergovernmental Cooperation" and the powers contained in Chapter 5, Act 220 of the Illinois Compiled Statutes 2000, entitled "Intergovernmental Cooperation Act."

WITNESSETH:

WHEREAS, the public interest requires and it is to the mutual interest of the parties hereto to join together to establish and operate a cooperative program of risk management and loss coverage for municipal operations; and

WHEREAS, the operation of such a cooperative program is of such magnitude that it is necessary for the parties to this Contract to join together to accomplish the purposes hereinafter set forth; and

WHEREAS, each of the public entities which is a party to this Contract has the power to establish and operate a program of risk management; and

WHEREAS, each of the parties to the Contract desires to join together with the other parties for the purpose of creating self-insured reserves against losses and jointly purchasing excess insurance, reinsurance and administrative services in connection with a cooperative program of risk management.

NOW, THEREFORE, for and in consideration of the mutual advantages to be derived therefrom and in consideration of the execution of this Contract by the participating municipalities which are parties hereto, each of the parties hereto does agree as follows:

ARTICLE 1. DEFINITIONS

The following definitions shall apply to the provisions of this Contract and its By-Laws:

(a) "Association" shall mean the Illinois Municipal League Risk Management Association created by this Contract.

(b) "Board" and "Board of Directors" shall mean the governing body of the Association.

(c) "Claims management" shall mean the process of identifying, controlling and resolving demands by individuals or public entities to recover losses from any Member of the Association. Disposing of such demands for payment requires skills in insurance law, adjusting/investigation, loss control engineering and general business. Claims management is the function of supervising legal, adjusting, investigation and engineering services to resolve such demands.

(d) "Municipality" means any participating city, village or incorporated town situated in the State of Illinois which is a member of the Illinois Municipal League and is a party to this Contract.

(e) "Risk" as used in the Contract and By-Laws means any loss covered by the provisions of the policy terms which accompany this Contract.

(f) "Risk Management" shall mean the process of identifying, evaluating, reducing, transferring, and eliminating risks. Risk Management includes various methods of funding claims payments, and includes elements of insurance, law, administration, technology and general business utilized to effectively manage risks.

(g) "Risk Management Service" shall mean the management, administration and entire operation of the Cooperative programs of Risk Management of the Association.

(h) "Managing Director" means the individual who supervises the day-to-day operation of the Association.

ARTICLE 2. ASSOCIATION NAME

There is hereby created an entity, the full legal name of which shall be the "Illinois Municipal League Risk Management Association," and which may be referred to herein as the "Association." The principal office of the Association shall be the same as the principal office of the Illinois Municipal League which is located at 500 East Capitol Avenue, Springfield, Illinois.

ARTICLE 3. ASSOCIATION POWERS

(a) The Association shall have the power and the duty to establish and operate a program of Risk Management.

(b) The Association is authorized to make and enter into contracts necessary to accomplish the purposes of this Contract. The foregoing powers include, but are not limited to, the power to contract for excess insurance or reinsurance, provide claims administration services and provide consulting services, make inspections of participant facilities and administer a safety program.

(c) By this Contract the parties hereto through the Association agree to provide and pay the cost of all of the Risk Management Services described herein, to jointly obtain and pay the costs of premiums for excess insurance or reinsurance as may be found by the Board to be necessary from time to time, and to make contributions to the Association as required by this Contract.

ARTICLE 4. ADMINISTRATION

The Association shall be governed by its Board of Directors and the directions of the Board shall be carried out by the Managing Director, all as more fully described in the By-Laws of the Association.

ARTICLE 5. MEMBERS, TERMS, WITHDRAWAL, EXPULSION

(a) Each municipality which is a member of the Illinois Municipal League is eligible to join the Association.

(b) Each municipality which is a party to this Contract is a "Member" of the Association and is entitled to the rights and privileges and is subject to the obligations of Members, all as provided for in this Contract and the By-Laws.

(c) New Members shall be accepted upon application to the Association and acceptance by the prospective Member of the financial requirements and fund contribution requirements then in force and effect.

(d) A municipality which is a party to this Contract hereby agrees to remain a Member of the Association for not less than one (1) year. A Member may withdraw its membership for any year thereafter upon the giving of not less than one hundred twenty (120) days written notice to the Managing Director. No membership may terminate prior to the last day of December of any given year.

(e) A party to this Contract may be excluded from membership when it:

- (1) Fails to comply with the terms of the Contract or;
- (2) Fails to comply with a written term or condition imposed by a majority vote of the Board of Directors including the safety standards established by the Board.

(f) The Board may, by a majority vote, terminate and exclude the offending Member from any and all benefits of membership in the Association which shall include forfeiture of any and all monies theretofore paid by that Member or assessed against that Member.

(g) If a municipality withdraws or is expelled as a Member of the Association, any contributions of that Member remaining in the funds of the Association at that time shall be the property of the Association. If this Contract is finally terminated as to all parties which are then Members, any money or assets in possession of the Association after the payment of all liabilities, costs, expenses and charges incurred pursuant to this Contract shall be returned to those parties in proportion to their contributions thereto determined as of the date of termination.

ARTICLE 6. PLAN OF COVERAGE AND COST

Each Member hereby agrees to contribute to the Association a sum of money to be determined by the Association at the time of application based on the needs of the Association and the loss experience of the member, which sum shall constitute the cost of the Member's first-year contribution for membership in the Association. Membership contributions for second and subsequent years shall be calculated in accordance with the loss experience of the Member, and the needs of the Association including total losses and expenditures of the Self-Insured Retention Fund of the Association.

The Board shall determine if any Member has a risk or risks which the Board determines to be unusual or extraordinary. If it is determined that such a risk or risks exists and that the coverage of such risk will be unusual or extraordinary, the Board may at the option of the Member either increase the annual contribution of that Member or exclude the particular risk from coverage.

Each Member will be covered in its operations against risk of loss as described in this Contract and the coverage terms which accompany the Contract. Coverage will consist of: 1) a self-insured retention (S.I.R.), established by the Association from Member contributions, which will pay the amounts and be subject to the deductibles as set forth in the coverage terms; and 2) excess insurance or reinsurance coverage (to pay losses that exceed the S.I.R. limits set forth in the coverage terms) with limits as established by the Board of Directors.

Each year the Board shall determine the payments to be made by the members for the following year.

ARTICLE 7. LIMITATIONS ON LIABILITY COVERAGE

It is the intention of all participants in the Association that neither this Contract nor any coverage purchased by the Association shall extend to or provide coverage for any liability from which any Member is immune under the provisions of the Illinois Local Government and Governmental Employees Tort Immunity Act, as it is now constituted or may hereafter be amended.

ARTICLE 8. MANAGEMENT SERVICES

The Association will utilize the services, facilities and personnel of the Illinois Municipal League for Association purposes so long as it is practical and desirable in the opinion of the Board. It will reimburse the League for the actual cost of any such services, use of facilities or use of personnel.

In addition to paying the cost of services, facilities and personnel utilized from the League offices the Association will pay to the League an annual management fee as approved by the Board.

ARTICLE 9. PROHIBITION AGAINST ASSIGNMENT

No Member may assign any right, claim or interest it may have under this Contract, and no creditor, assignee or third party beneficiary of any member shall have any right, claim or title to any part, share, interest, funds, premium or asset of the Association.

ARTICLE 10. ENFORCEMENT

The Association and the parties hereto shall have the power to enforce this Contract by action brought in any court of law having proper jurisdiction. It is agreed that such a suit may be filed only in Sangamon County, Illinois.

ARTICLE 11. INVALIDITY

Should any portion, term, condition or provision of this Contract be determined by a court of competent jurisdiction to be invalid under any law of the State of Illinois or be otherwise rendered unenforceable or ineffectual, the validity of the remaining portions, terms, conditions and provisions shall not be affected thereby.

ARTICLE 12. BY-LAWS INCORPORATED BY REFERENCE

The Association and its Members shall be subject to and governed by the By-Laws which are by this reference, made a part of this Contract.

ARTICLE 13. CONTRACT COMPLETE

The foregoing constitutes the full and complete Contract of the member municipalities. There are no oral understandings or agreements not set forth in writing herein. The Contract is binding on each Member of the Association.

ARTICLE 14. DATE CONTRACT EFFECTIVE

This Contract shall become effective upon the occurrence of the following events: (1) each Member executing a copy of the Contract; (2) each Member depositing with the Association the contributions required by this Contract; and (3) determination being made by the Board that a sufficient number of Members have subscribed and contributions been made to fund the cost of providing the services and benefits required under the Contract. Each Member which has agreed in writing to become a party of this Contract shall be bound to continue as a Member for the minimum period set forth in this Contract and thereafter may withdraw only as provided by this Contract and the By-Laws adopted by the Association.

Each municipality which is a Member of this Association agrees upon the execution of the Contract to appropriate each year, by ordinance, a sum of money sufficient to pay all charges and assessments set forth in Article 6 plus its pro rata share of any deficits which may occur in the Self-Insured Retention Fund.

ARTICLE 15. TERM OF AGREEMENT

This Contract shall continue in effect until it is rescinded by mutual consent of the parties hereto terminated in the manner provided herein or in the By-Laws.

ARTICLE 16. TERMINATION

This Contract may be terminated at any time on or after one (1) year from its effective date by a vote of two-thirds of the members of the Board of Directors. Remaining assets after the payments of all claims, and expenses and establishment of necessary reserves shall be distributed pro rata among the Members.

ARTICLE 17. AMENDMENT

This Contract may be amended upon the affirmative vote of two-thirds of the members of the Board. A copy of any amendment so approved shall be mailed to each member of the Association.

IN WITNESS WHEREOF, the parties hereto have entered into this Contract by the execution of a signature page which will be attached to the official master copy of this Contract and by the execution of a duplicate copy of the Contract which duplicate copy will be retained by the Member. The master copy shall be retained in the offices of the Association.

Date: July 3, 2017

From: Bob Schaich, Network Administrator

AGENDA ITEM: Network Security Software Purchase Request

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: Approve purchase of Network Security Software not to exceed \$115,000.

DESCRIPTION: Network Security Software Request for Purchase

FINANCIAL IMPACT: Not to Exceed \$115,000

NEIGHBORHOOD CONCERNS: N/A

IMPACT IF APPROVED: Enhanced internal network security

IMPACT IF DENIED: Internal network less secure over time

ALTERNATIVES: N/A

RELATED TO EFFICIENCY STUDY: N/A

RELATIONSHIP TO THE CONCEPTUAL PLANNING PROCESS:

A Prosperous Community. To promote and sustain a balanced economy that supports expansion and retention of family-wage jobs.

A Safe Community. To protect community life and property by providing effective, principled police and fire services.

A Strong Foundation. To improve and maintain existing infrastructure and leverage opportunities for new infrastructure.

A High Quality of Life. To support or provide services that improve the quality of life for Pekin's residents.

✓

An Effective Government. To deliver effectively the services that Pekin's residents want, need, and are willing to support.

Re: Security Software Purchase

BACKGROUND

Several years ago another central Illinois community had a known vulnerability in a web server that was exploited to destroy a very expensive pump at its Waste Water Treatment plant. It was originally suspected to be an intrusion from Russia and the Department of Homeland Security and Federal Bureau of Investigation responded and investigated. Last fall in Howard, Indiana there was a crypto-virus intrusion that encrypted tens of thousands of records before it was detected and stopped. Crypto Viruses reside on a compromised computer and simply encrypt any files it can find whether it be the host computer, another computer, or even servers. They are designed to be nearly silent and remain undetected for prolonged periods of time. Once discovered, however, they demand a ransom of hundreds or even thousands of dollars on the “promise” of undoing the damage that has been done. There are only two choices when struck by a ransomware virus: pay and hope it gets undone, or scrap everything and start over from the last known good backup, whenever that is. Even with a strong backup solution, undoing the damage of an attack can cost days of productivity. Similar attacks have occurred in other governments and hospitals in Indiana, Massachusetts (Police Department - \$750 Paid), and California (Hospital - \$17,000 Paid) over the last several years. The City of Pekin receives almost 100 attacks against its firewall per week; over 10,000 spam emails per week; and block close to 200 virus and malware infections per week. The City has assets worth targeting and it may only be a matter of time before more advanced attacks start migrating from larger communities and organizations to cities like Pekin.

THE NEED FOR ENHANCED NETWORK PROTECTION

Although network attack vectors such as phishing and ransomware attacks are growing more complex by the day, the City of Pekin is also expanding its use of internal programs to assist in day-to-day operations and growing its network complexity. The largest “Highly Critical and Protected” internal program is Springbrook, which houses employee information, financial information for Direct Deposit, and billing information for all of the city Waste Water accounts. Also at risk is the Police Department network which passes suspect information, background checks, and various police reports, as well as location information for squad cars and fire apparatus. Most of this information is encrypted in transit and cannot be easily read, but, once that data is obtained it is only a matter of time before it is able to be read. The City also has a direct link to the Emergency Telephone Systems Board (ETSB) that controls the flow of information to dispatch centers and state police agencies. This link is protected by the Access Control Lists (ACL), but again, an attack from either end could circumvent that given enough time. This network has, of late, become more entwined with our own network as the data being passed between agencies has increased in complexity. Arguably, even more important than the data are the hardware components passing that data. An attack could take down any or all of those systems rendering the City incapable of delivering services reliant on those systems. Lastly, the City is also in the early stages of incorporating an even more critical network, the Waste Water Treatment Plant Network, which will pass live data feeds from all lift stations as well as have tangential access to Supervisory Control and Data Acquisition (SCADA) and other control systems. All of these systems are monitored and regulated by “upstream” state and federal agencies to ensure certain levels of security and compliance. A breach into any one of them will trigger investigations by the State agencies, Federal agencies, or both. With its increasing reliance on technology, the need to fully protect the City’s IT infrastructure, externally and internally, is vitally important.

CURRENT SECURITY CAPABILITY

Traditionally, network security has focused on a strong “front door” that ensured that any malicious attacks from the outside stayed on the outside and would not penetrate the network perimeter where they could do real damage. This security model did little to protect against attacks that breached the perimeter. Any attacker that got past the strong front door, in essence, had free reign over the internal network and anything it contained. The City of Pekin currently has a strong “front door” that closely monitors threats, but there is no monitoring equivalent of internal systems once a threat is inside the system.

Although the City has internal security that governs access, the City has no way to make sure those rules are followed and that they are not broken. In short, the City has no internal watchdog like the one watching the perimeter.

RECOMMENDATION

The IT Department recommends the City purchase a new software package that will help ensure our network stays protected and secure from external and internal threats. The software is a SIEM (Security Information and Event Management) product and an AAA (Authentication, Authorization, and Accounting) product.¹ SIEM is, for lack of a better term, a giant sensor that resides within the network. It aggregates data from all known relay sources and analyzes it for intrusions and abnormal traffic. Every device in our network that relays traffic would report the record of that traffic to the collector where it would be analyzed and the collector would report any abnormal findings. It is also semi-intelligent in that it “watches” the network and establishes baselines. It knows that a computer accesses a given program occasionally and it knows the size of a user’s typical request. So if a staff person ever requests more information than is considered normal it will flag that request and report it to IT. That access can be disabled if it is determined that the computer or logon was compromised in any way. It would know that certain computers and users are allowed access to the Police networks and if another computer or user were ever to breach the network it would flag it and quarantine the device as necessary. It will also track new devices added to the network and what those devices do while attached. This type of in-depth internal network analysis, past the network perimeter, is beyond standard capabilities of the existing equipment itself. Most of the City’s switches – the devices that relay traffic from one computer to another – can generate the record of the traffic but IT has no way to easily or quickly monitor that record, determine if it is usual and expected, and act on that information in a timely manner. SIEM gives the City this capability.

The AAA product tracks users and where they are logged in. It keeps an audit trail so IT can see who logged in where, and it can make sure the computer is deemed secure enough for network access before it is allowed access to anything. It also allows for automatic quarantining of devices. In conjunction with SIEM it unlocks certain features such as user tracking as well as automatic and/or remote quarantining of compromised computers and users. Without AAA, SIEM is partially functional in that IT could only monitor devices, not specific users with various levels of access. Moreover, staff would have to physically go to a computer’s location and pull the plug on an infected computer should SIEM report it as compromised instead of using the automatic blocking or one click solution that AAA offers. Depending on the security intrusion level this could cost the City valuable time in shutting down any detected attack.

SIEM also has the capability to track virus and malware intrusions as they propagate through the network. If Computer A gets infected and infects Computer B, sometimes Computer A, as the initial attack vector, shows no symptoms and thus does not get detected when Computer B does. If IT fixes computer B but not Computer A then the problem is not really solved. SIEM can monitor a virus as it spreads through the network so Staff can address all infected equipment. While SIEM is unable to actually remove viruses, malware, and other intrusions, it can slow them down, stop them, reveal every part of the network that is infected, and give IT the time and information necessary to fix the issue before it becomes a serious problem.

FINANCIAL IMPACT

The initial project cost for implementation of both SIEM and AAA is \$104,350.26 which includes the following:

Product purchase	\$73,306.26
Deployment of vendor staff and installation services	\$22,208.00
City of Pekin staff training	\$ 4,900.00
<u>Upgrades to existing servers to support new software</u>	<u>\$ 4,179.00</u>
TOTAL	\$104,350.26

There is also a recurring annual fee of \$4,311.01 and a triennial fee of \$14,371.69 in maintenance which covers updates, upgrades, and technical support. Due to the monetary investment and nature of the software this is outside of the IT Department’s normal operations and is not considered a typical purchase. Therefore, it is necessary to get approval from the City Council. Staff is requesting an amount not to exceed \$115,000. This amount is currently budgeted and does not alter the IT budget for this year. The extra \$10,000 in project costs is for contingency purposes in case another sensor is needed or if it is discovered that there are network segments that take additional considerations.

¹ Please note that the names of brands and software are not identified. No program is impenetrable. Open disclosure of the brand or software could serve as the starting point for would-be hackers to attack the system.

RESOLUTION NO. 58-17/18

A RESOLUTION AUTHORIZING I.T. to Purchase Network Security Software not to exceed \$115,000.

WHEREAS, The City desires to increase its internal network security.

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Pekin that the City Manager, through the Information Technology Department, is hereby authorized to purchase and execute a network security upgrade in an amount not to exceed \$115,000.

BE IT FURTHER RESOLVED that this Resolution shall be in full force and effect upon its passage and approval.

<Insert Ordinance Legislation>

**PASSED BY THE PEKIN CITY COUNCIL, STATE OF ILLINOIS AND APPROVED
THIS 10th DAY OF JULY, 2017**

MAYOR

ATTEST:

CITY CLERK

ORDINANCE NO. 1462-A352-17/18

**AN ORDINANCE AMENDING TITLE 8, CHAPTER 3, SECTIONS 3. G.
OF THE CODE OF THE CITY OF PEKIN 1995
REGARDING SPEED LIMITS IN SCHOOL ZONES**

WHEREAS, the City of Pekin is a home rule municipality as described in Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, and as such may exercise any power and function pertaining to its government and its affairs; and

WHEREAS, the Code of the City of Pekin 1995 was adopted on April 10, 1995, and duly published in book form; and

WHEREAS, at the Traffic Safety Committee meeting of June 2, 2017, members reviewed traffic patterns at all the school locations to address pedestrian safety issues before the start of the 2017-18 school year; and

WHEREAS, it was noted that speed zones were listed in the Traffic Code for Broadway at 8th and 9th Streets after West Campus was closed and that St. Joseph School had no designation of speed in school zones.

WHEREAS, the Traffic Safety Committee recommends to Council to consider removing from the Limits in School Zones, Speed 20 mph Broadway Road at N. Eighth Street to N. Ninth Street and Speed 20 mph Broadway Road at S. Sixth Street to S. Seventh Street and to consider adding Speed 20 mph St. Joseph Place at S. Sixth Street to S. Seventh Street.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF
THE CITY OF PEKIN, ILLINOIS:**

- That Title 8, Chapter 3, Section 3 be amended by removing the following speed controls:

Control	On Street	At or From	To	Direction
Speed 20 mph School Zone	Broadway Road	N. Eighth Street	N. Ninth Street	EW
Speed 20 mph School Zone	Broadway Road	S. Sixth Street	S. Seventh Street	EW

2. That Title 8, Chapter 3, Section 3 be amended by adding the following speed control:

Control	On Street	At or From	To	Direction
Speed 20 mph School Zone	St. Joseph Place	S. Sixth Street	S. Seventh Street	EW
			Ord. No. 1462-A352-17/18	

BE IT FURTHER ORDAINED that all other parts of the Code of the City of Pekin 1995 as amended except as modified herein are hereby reaffirmed and ratified and are in full force and effect.

BE IT FURTHER ORDAINED that all Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

BE IT FURTHER ORDAINED that this Ordinance shall be in full force and effect upon its passage, approval and publication as required by law.

REQUEST FOR COUNCIL ACTION

To: Council Members

Date: June 30, 2017

From: Michael Guerra, City Engineer

AGENDA ITEM: 2017 PPUATS Funding Agreement

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: To approve the annual Joint PPUATS Funding Agreement in the amount of \$12,333.06 with the Tri County Regional Planning Commission

DESCRIPTION: This is the agreement for the City of Pekin's participation in the Peoria-Pekin Urban Area Transportation Study (PPUATS). This benefits the City by allowing the City to have voting representation with the Metropolitan Planning Organization (MPO) which is operated out of Tri County Regional Planning Commission, who receives Federal Study and Construction money funneled through the State of Illinois. Last year Pekin is a participate in two transportation studies in which it has been awarded \$37,500 for the infrastructure study for a port location and \$30,000 for a non-motorized wayward finding study. It is anticipated that the City will receive funding for resurfacing project in this funding award cycle which is for fiscal year 21 and 22. Historically Pekin has also received several million dollars for roadway construction projects with its participation in PPUATS.

The \$12,333.06 is the City's portion of the required 20% local match for federal transportation planning funding PPUATS receives for the MPO. Our portion is based on the percentage of MFT funds we received in 2016 in comparison with all contributing members. Last year our share was \$11,957.65 and has historically been around \$12,000.

I recommend that the agreement be approved along with the associated resolution for MFT funds to be utilized for this agreement.

FINANCIAL IMPACT: \$12,333.06 of MFT funds approved FY2018 Budget

NEIGHBORHOOD CONCERNS: none

IMPACT IF APPROVED: Continued participation in PPUATS and access to available Federal funding

IMPACT IF DENIED: Loss of participation in PPUATS and access to available Federal funding

ALTERNATIVES: none

RELATED TO EFFICIENCY STUDY: N/A

**RESOLUTION 17-40
FY18 JOINT FUNDING AGREEMENT**

**A RESOLUTION OF THE TRI-COUNTY REGIONAL COMMISSION AND THE PEORIA/PEKIN
URBANIZED TRANSPORTATION STUDY TO ESTABLISH THE LOCAL MATCH REQUIRED FOR
FEDERAL FUNDING FROM THE UNITED STATES DEPARTMENT OF TRANSPORTATION**

WHEREAS, the Tri-County Regional Planning Commission, hereafter referred to as the Commission, was named the Metropolitan Planning Organization for the Peoria-Pekin Urbanized Area by the Governor of Illinois, and

WHEREAS, the Commission has delegated the authority for the MPO to the Peoria-Pekin Urbanized Transportation Study (PPUATS), and

WHEREAS, for FY 2018, the Commission/MPO is eligible to receive \$630,289 in federal transportation planning funds from the U.S. Department of Transportation, and

WHEREAS, the federal funds require a 20% local match, or \$157,572, and

WHEREAS, the local match for FY 2018 will be provided by each of the participating agencies noted herein by the contributing percentage of MFT funds each such agency received in Calendar Year 2016. In addition, the Greater Peoria Mass Transit District (CityLink) will contribute to the match, as follows:

Program Year FY18			
PPUATS Community	2016 MFT Allotment	2016 %	FY2018 Match
Peoria County	\$ 2,463,054.31	22.31%	\$ 35,153.64
Tazewell County	\$ 1,958,163.59	17.74%	\$ 27,947.65
Woodford County	\$ 632,790.99	5.73%	\$ 9,031.43
City of Peoria	\$ 2,914,881.67	26.40%	\$ 41,602.29
City of Pekin	\$ 864,121.10	7.83%	\$ 12,333.06
City of East Peoria	\$ 593,129.63	5.37%	\$ 8,465.37
City of Washington	\$ 383,575.09	3.47%	\$ 5,474.53
Village of Bartonville	\$ 164,009.15	1.49%	\$ 2,340.80
Village of West Peoria	\$ 118,083.55	1.07%	\$ 1,685.33
Village of Morton	\$ 412,291.25	3.73%	\$ 5,884.38
Village of Peoria Heights	\$ 156,025.38	1.41%	\$ 2,226.85
Village of Creve Coeur	\$ 138,156.98	1.25%	\$ 1,971.83
City of Chillicothe	\$ 154,530.02	1.40%	\$ 2,205.51
Village of Germantown Hills	\$ 87,533.66	0.79%	\$ 1,249.31
Subtotal	\$ 11,040,346.37	100.00%	\$ 157,572.00
CityLink	\$3,800.00		\$ 3,800.00
TOTAL MATCH	\$161,372.00		\$ 160,122.69

NOW THEREFORE BE IT RESOLVED, that the Tri-County Regional Planning Commission and the Peoria/Pekin Urbanized Area Transportation Study (PPUATS) hereby approves and adopts the above-mentioned funding agreement for federal transportation matching funds for FY 2018.

AGENDA ITEM: 4th Street Patching Street Maintenance

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: To award the bid to Illinois Civil Contractors Inc. for the 4th Street Patching Project in the amount of \$388,925.00

DESCRIPTION: This agenda item is to award the 4th Street Patching Project to Illinois Civil Contractors Inc. in the amount of \$388,925. The project is to patch 4th Street from Broadway to Derby Street to repair the bad joints and broken panels. 4th Street is a concrete road that is in need of repair due to several joints that have deteriorated and a few broken panels. This project will extend the life of this roadway for several more years at less than half the price of total reconstruction. There were four bidders with Illinois Civil Contractors Inc. being the lowest bidder. The range of bids was approximately \$500,000 but Midwest Engineering did not discover any mathematical errors in the bid.

FINANCIAL IMPACT: \$388,925 from capitol loan

NEIGHBORHOOD CONCERNS: Road construction with the closure of lanes and construction noise. Improved road conditions for a through street.

IMPACT IF APPROVED: The bid will be awarded and construction will begin.

IMPACT IF DENIED: The bid will not be awarded and construction will not begin.

ALTERNATIVES: Reject all bids and rebid.

RELATED TO EFFICIENCY STUDY: Capital improvements for streets.

RE: City of Pekin 4th Street Pavement Patching Derby Street to Broadway Street
MWEA Inc. Project No. 20170075

Dear Mike:

Four (4) contractors submitted bids for the City of Pekin 4th Street Pavement Patching Derby Street to Broadway Street project. The following is a tabulation of the bids received and read aloud on July 3rd, 2017 at 10:00 AM:

Bidder	United Contractors Midwest	Illinois Civil Contractors, Inc.	Otto Baum Company, Inc. Contractors	Hein Construction Company, Inc.
Acknowledge Addendums	X	X	X	X
Bid Bond	X	X	X	X
Base Bid	\$587,893.02	\$388,925.00	\$855,671.90	\$488,463.80

During the review of the bids, Midwest Engineering Associates did not discover any mathematical errors.

We recommend the contract for the City of Pekin 4th Street Pavement Patching Derby Street to Broadway Street project be awarded to the lowest responsive qualified bidder, Illinois Civil Contractors, Inc., with a Base Bid of \$388,925.00.

Please call me if you have any questions or comments.

Sincerely,

for Robert D. Culp, P.E., C.F.M.
Sr. Project Manager

REQUEST FOR COUNCIL ACTION

To: Council Members

Date: June 29, 2017

From: Pamela Anderson, Community Development Dir

AGENDA ITEM: 2016 CAPER CDBG/HUD

AGENDA DATE REQUESTED: July 10, 2017

ACTION REQUESTED: Council approval of the 2016 CAPER

DESCRIPTION: HUD requires a yearly evaluation report stating the accomplished goals for the past program year (May 1, 2016 to April 30, 2017) and performance measurements based from the applicable 5-year Consolidated Plan. These are stated within the 2016 document. The draft was on public review from June 25 – July 10th, 2017, with a public hearing on June 26th. Please see attachment that highlights accomplishments for program year and provides a breakdown of the information located within the draft document located at the following link on the City of Pekin web site -

http://www.ci.pekin.il.us/document_center/depts/community_development/2016%20CAPER%20draft%201.pdf

FINANCIAL IMPACT: No direct financial impact from approving this end of the year report. Summary report on what the CDBG dollars have been expended on during the past program year.

NEIGHBORHOOD CONCERNS: A public hearing was held during the June 26, 2017 Council meeting. Comments will be included within the final CAPER that is submitted to HUD.

IMPACT IF APPROVED: The 2016 CAPER document will be submitted to HUD for review and approval.

IMPACT IF DENIED: The deadline (July 29th) for submittal of the 2016 CAPER will be missed and an extension request will be submitted to HUD.

ALTERNATIVES: none provided

RESOLUTION NO. 60-17/18**A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A
MODIFICATION FOR BUS RATES AND SERVICE**

WHEREAS, the City of Pekin and the following school districts: Grade School District 108, Pekin High School District 303; South Pekin Grade School District #137 and Tazewell-Mason Counties Special Education Association desire to enter into agreements extending and modifying service and rates for the 2017 – 2018 school year; and

WHEREAS, those agreements and rates are set forth in the attached Exhibit A.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PEKIN, TAZEWELL COUNTY, ILLINOIS, AS FOLLOWS:

In the exercise of its home rule powers, that the Mayor of the City of Pekin is authorized to execute and enter into the agreements and schedules, as set forth in the attached Exhibits setting forth the rates for the 2017 -2018 school year.

BE IT FURTHER RESOLVED that this Resolution shall be in full force and effect upon its passage and approval.

PASSED AND APPROVED at the regular meeting of the City Council of the City of Pekin, Tazewell County, Illinois, this 10th day of July 2017; and upon roll call was as follows:

MEMORANDUM OF UNDERSTANDING

Now comes the CITY OF PEKIN, hereinafter "Pekin", and THE GRADE SCHOOL DISTRICT 108 OF THE CITY OF PEKIN, hereinafter "District", and the parties wish to mutually, pursuant to paragraph 13 of their existing agreement for the City's provisions of bus service to the district, extend that agreement for the 2017 – 2018 school year.

The price District 108 shall pay to Pekin, for the 2017 – 2018 school year, shall be \$2,603,786.00. There shall be no decrease in that rate and it shall be paid in 10 equal monthly installments beginning September 1, 2017, and each month thereafter.

As a result of the \$250,000 decrease previously made to reach the above base rate, there will be no additional decreases in that rate or adjustments downward. If additional routes are added both parties will mutually agree to the price for additional service.

As per Exhibits A & B, fuel and charters will be billed monthly and due 30 days from invoice.

Additionally, the parties agree that December 31, 2017 is the deadline for the District and Pekin to reach an agreement for the 2018 – 2019, and the 2019 – 2020 school years.

PEKIN, ILLINOIS 61554-2576**

2017-2018 TRANSPORTATION AGREEMENT

The Tazewell-Mason Counties Special Education Association (TMCSEA) through its administrative agent, East Peoria High School District #309, enters into the following agreement with:

**City of Pekin
Transportation Department
1130 Koch Street
Pekin, IL 61554**

to provide the following service:

Provide transportation services for Curriculum Based Integration (CBI), Curriculum Based Recreation (CBR) and vocational training and other special programs as requested by TMCSEA. Transportation will be set at a rate of \$60.00 per in town trip and \$120.00 outside of town per bus on behalf of Schramm Educational Center. The company agrees to this rate for the 2017-2018 school year. Changes in this rate or arrangements can be made with mutual consent by both parties. The City of Pekin Transportation Department will have TMCSEA/Schramm Educational Center listed as additionally insured. The city shall provide and maintain public liability and property damage insurance coverage through the entire term. The city shall maintain all data necessary for the proper completion of reports required by the Illinois State Board of Education.

These services will commence on or about July 1, 2017 and conclude no later than June 30, 2018. All services shall have been delivered in order for this agreement to be considered properly executed.

All services rendered shall, in both content and intent, be in compliance with any and all federal and state statutes which are applicable. In particular, they shall be non-discriminatory regarding race, religion, national origin, sex, and handicap.

This agreement is entered into on June 14, 2017 by the following:

**REQUEST FOR COUNCIL ACTION****To: Council Members****Date: July 6, 2017****From: Sue McMillan, City Clerk****AGENDA ITEM:** Discussion Street Naming Policy**AGENDA DATE REQUESTED:** July 10, 2017**REQUIRED SIGNATURES****Department Directors and City Staff:**

Date:

Finance Department (Certification of Availability of Funds):

Date:

City Manager:

Date:

TO: Anthony Carson, City Manager
FROM: Mark Rothert, Administrative Services Director
SUBJECT: Comparison of Honorary Street Naming Policies and Alternatives
DATE: July 6, 2017

Below and attached are several policies in regards to street naming for comparison review. The first is a street naming policy adopted by the City of Pekin on January 10, 2011. This policy, however, does not address procedures or guidelines in establishing honorary streets.

The second attached policy comes from the City of Peoria. Peoria's Honorary Street Name Sign Program allows citizens the opportunity to honor people that have made significant contributions to the Community. The program is administered by the Public Works Department. Street names are displayed for a one year period and then turned over to the respected party. Street designations are determined on a case by case basis. The portion of a street designated is to be one block long. Final approval is given by the Director of Public Works. A completed application, plus a fee of \$300 must be submitted prior to approval.

The third comparative policy is from the City of Chicago, Illinois. Chicago's street naming policy has been in place since 1984 but has undergone some recent changes as of 2017. Attached are excerpts from a Frequently Asked Question section of the website: <http://www.honorarychicago.com>.

Lastly, alternatives to street naming could also be explored and include the following examples:

- Work with the Pekin Park District to rename a local park and have a designated area for monuments or plaques to recognize Pekin's fallen veterans.
- Install memorial plaques in the downtown by light posts (see picture at right from Leroy, IL)
- Create a "Veterans' Memorial Trail" with GPS monuments positioned throughout the city (see attached memo from the City's GIS Department on this unique idea)

As you can see there are a number of ways to recognize and honor people in our community. Should you need additional information or research, please don't hesitate to let me know.

CITY OF PEKIN POLICY NO. 19-10/11

NAMING OF STREETS

Purpose

To establish uniform procedures for naming City streets that will provide individual citizens, citizens' groups or City Departments consistent guidelines for initiating such action.

Policy

1. Names of existing streets shall be used on new streets which are continuations of, or in alignment with, existing streets.
2. Streets shall not be named after any commercial organization or in a manner to honor any living person.
3. The use of thoroughfare designations, whether prefixes or suffixes, such as street, drive, avenue, etc., shall not be considered as affecting a distinction in the basic name.
4. The use of cardinal prefixes, such as North, South, East, and West, shall not be considered part of the basic or base name.
5. A street name shall not contain more than 12-letter characters, including any combinations of spaces, letters, or punctuation designations in the base portion of the name.
6. The use of compound names shall be discouraged.
7. All street name changes of publicly owned street right of way shall be recommended for change by the City Manager or his/her Staff designee and subject to processing and approval by the City Council.
8. Similar sounding street names are to be avoided to eliminate identification problems when people are reporting street names for public safety reasons.
9. The City shall not name streets on private property nor those under the jurisdiction of another governmental body.

Adopted this 10 day of January, 2011.

City of Peoria
HONORARY STREET NAME SIGN APPLICATION
419 Fulton Street –Suite 307 ♦ Peoria, IL 61602 ♦ (309) 494-8802 ♦ www.ci.peoria.il.us

PURPOSE OF THE PROGRAM: The Honorary Street Name Sign Program allows citizens the opportunity to honor people that have made significant contributions to the Community. The program is administered by the Public Works Department. Street names will be displayed for a **one year period**. The sign will then be turned over to the respected party. Street designations will be determined on a case by case basis. The portion of a street so designated will be one block long. Final approval is given by the Director of Public Works. A completed application, plus a **fee of \$300** must be submitted prior to approval.

1. REQUIRED SUBMITTALS:

Please submit the following items along with your request:

- ❖ A *typed* request stating the designee and preferred location shall be received by the District Councilperson and recommended to the Director of Public Works. The statement should indicate **why** a particular section of street has been requested for the honorary designation.
- ❖ General location shall be limited to a single point or short segment with sign(s) posted at the point or near mid-block.
- ❖ Payment of the **\$300** fee for each installation is to be made to the Public Works Department prior to fabrication and installation of sign(s). The \$300 fee is for a 2-faced sign on one side of the street.
- ❖ A **\$600** fee is for two (2) 1-faced signs, one on each side of the street, or for two 2-faced signs mounted at two separate locations.

2. DESCRIPTION:

- ❖ Legend shall be silver lettering on blue background.
- ❖ Sign(s) will be installed by City crews and shall remain in place for a period of twelve (12) months.
- ❖ Upon removal by City crews, the sign(s) will be given to the District Councilperson and *donated* to the *designee's* family.
- ❖ Maintenance of the sign installation and/or replacement of the various materials shall be at the expense of the donator. Failure to cover the cost of the maintenance or replacement material(s) will cause the sign installation to be **removed** immediately.

The Who, Where, and Why of Chicago's Brown Honorary Street Signs

Excerpts from web source: www.honorarychicago.com

FAQ - about Chicago's brown honorary street signs

DO signs only honor people?

Honorary signs in Chicago are most often dedicated to people who made a difference in Chicago. However, there are signs that honor significant buildings, places, organizations, and events.

How many signs are there?

We are working on an official count (it is not as simple as it sounds). The City of Chicago has dedicated more than 2000 signs since it formalized the process in 1984. An undetermined number of honorary signs were designated before this date. New honorary signs are approved every month.

Who chooses who gets a sign?

In order for a sign to be approved by City Council it needs to be proposed by an Alderman or by the Mayor. Most often the nomination is made by Chicago residents. If approved the City Council issues an order to install the honorary sign at the designated location.

How do I nominate someone for a sign?

Initial requests for a new honorary sign are most often made to the Alderman of the ward in which the sign is to be located. See our post regarding the nomination process

Do you have to be dead to get a sign?

Yes. As of February 2017 the City of Chicago will only accept nominations for persons who are deceased. See our post regarding details on the changes to qualifications

Do signs ever get taken down?

On rare occasions the City of Chicago has repealed a sign and had it removed after it was installed. As of February 2017 signs have been given an expiration date, a renewable 5-year term. The City plans to remove signs after five years. See our post about the new rules

How often are there new signs?

The Chicago City Council meets every month (except August), there is usually at least one sign approved every month. Note: new restrictions were instituted as of February 2017 which put an annual limit on the number of new signs.

How many new honorary streets are named in a year?

There were 85 new honorary streets designated in 2016

As of February 2017, new restrictions limit the annual number of honorary dedications to two per ward per year.

What kind of people get the most honorary streets?

The largest category of honorary street recipients is clergy: Reverends, Rabbis, Priests, Pastors, Nuns, Monsignors, Bishops, Cardinals, Elders, Swami, and Saints.

New Rules for New Honorary Signs in Chicago after February 2017

In the February 2017 Chicago City Council meeting strict restrictions were made to the 1984 ordinance which set forth the process of dedicating an honorary street in Chicago.

The changes are as follows:

- Each ward is limited to 2 new honorary street designations per year
- The cost of the honorary sign production, installation, and removal will be paid by the Ward
- Each new honorary street will be marked by only 2 honorary signs
- Signs can only be installed on an existing sign post
- No honorary designations can share the same segment of street
- The proposal must contain a map of the blocks to be dedicated (minimum 2 continuous blocks on the same street)
- Living people are not eligible for honorary streets
- The honorary street name cannot be the same as an official street
- The proposal must contain the biography and reason for the dedication and the name cannot be
- If the proposal is rejected the named party cannot be reconsidered for one year
- Designations expire after 5-years (renewable for an additional 5-years) after which the sign is to be removed

Before

- Unrestricted number of signs and designations bestowed
- Multiple honorary designations allowed per location
- Installed for an indefinite length of time
- Opaque qualifications for selection
- People can be honored during their lifetime

After

- 2 new honorary street designations per Ward per year regardless of the geographic size or population of the Ward
- Street segments are exclusive to a single designation
- The honored individual must be dead
- Signs are limited to a renewable 5-year term

With the new restrictions the City will have a maximum of 100 new honorary streets per year (50 Wards allowed 2 new honorary designations each).

City of Pekin

Re: Monument program

GPS monuments are used as reference benchmarks for surveying, flood risk management, precision farming, construction projects, GIS data collection, parcel boundaries, and many other purposes. Mike (City Engineer) and I have discussed implementing a benchmark monument program for Public Works use in the past. We could potentially use GPS monuments as actual monuments. I've attached a few examples of what these might look like, although we are free to come up with our own design. The fundamental requirement for a survey marker is stability. For this reason they are often somewhat substantial structures, less susceptible to movement from outside forces. They are often a concrete filled tube that goes several feet into the ground.

The idea being that we could establish these new control points around Pekin, dedicated to citizens. A concrete cylinder, anywhere from 12 to 24 inches in diameter, perhaps with something larger than a standard marker on top, engraved to honor the fallen. A medallion, similar to the following photos, could be commissioned with the fallen's name, and additional information, perhaps the theater of service they were in and military branch.

These can be placed at nearly any location. However, there should be some qualities that each location should have. Ideally it would be visible to the sky, to aid in geo-location of aerial imagery. Each location, once established, would then be submitted to a publicly accessible national database, the National Geodetic Survey, maintained by NOAA.

Benefits of this program:

- Adds to the precision of data collected within or on behalf of the City of Pekin.
- Permanently (as possible, anyway) recorded in multiple locations
- Provides a stable, permanent reminder of the citizen of Pekin that is a constant reference point for the community
- While not readily movable, should the need arise, a new marker can be placed and its coordinates in the database updated.

Cons:

- Plaque may be expensive.
- People like memorial road names
- Not currently budgeted
- For maximum engineering precision a second survey by a licensed land surveyor would be ideal. (Also not budgeted)
- Potential for vandalism due to ground level placement

We could also create a “Veterans’ Trail” that documents the markers, who they are dedicated to, and their location. This could be on paper, online as a story map, or on the city website. Connecting them as a story, encouraging discovery, and telling the history of the town and its citizens can encourage a sense of place and community. Families and friends of the individual have a place to remember their friend or loved one, not just a sign driven past at 40mph. For professionals that consult these benchmarks on a regular basis, such as engineers and surveyors, each location takes on new meaning. No longer just a numbered marker, they become the “Tom Jefferson benchmark”.
