WELCOME TO A MEETING OF THE PEKIN CITY COUNCIL

All persons present are asked to conduct themselves in a polite, respectful and professional manner.

All meetings of the city council of the City of Pekin are a deliberative and legislative assemblage and not a public forum. The purpose of these meetings is to conduct city business. The city council considers both oral and written communications in making and establishing policies.

All city residents, property owners, business members and other interested parties are invited to address the council at the designated time (public input) for a period of 5 (five) minutes. All questions shall be directed to the council as a whole and not individual members. It is strongly encouraged that all questions shall first be directed to the appropriate personnel at the City Municipal Building or other city office before bringing them to the city council.

Because all meetings of the Pekin City Council are a matter of public record, each speaker, when recognized by the Mayor or his designee, shall give their full name.

Council members may appropriately interrupt a speaker to ask questions necessary to clarify the speaker's comments. In most cases, the council will not answer questions from the public at the council meeting, but will respond to the individual in due time. All questions requiring a researched answer shall be submitted in writing and turned to the city clerk. Please provide your name and contact information so that we can get back to you in a timely manner. The Council cannot address questions involving litigation, possible litigation or employee matters.

Any charges or complaints against individual employees of the City of Pekin shall be presented to the city manager in writing with specific information, and shall be signed by the person or persons lodging the charges or complaints. Pursuant to the Illinois Privacy Act, no person shall be permitted to present orally or discuss at any open meeting, charges against any city employee.
