AYES:	Hilst, Hohimer, Nutter, Cloyd, Orrick, Abel
ABSENT:	Mark Luft

4.1. City Council - Regular Meeting - May 23, 2022 5:30 PM

PUBLIC INPUT

Mayor Pro Tem Cloyd read a thank you note regarding Safe Boating Week and presented a certificate to Police Chief John Dossey.

Tim Golden spoke regarding agenda item 8.14 pertaining to the sidewalk improvement project, questioning how the location was selected and felt that the areas marked were not the worst to be fixed.

John McNish spoke regarding agenda item 8.1 pertaining to the spending for Riverfront cleanup questioning the exact location that money would be utilized. Mr. McNish also questioned whether the Avanti's Dome deflation had caused a loss of revenue for the City and whether the City could help with the cost of getting it up and running. Mr. McNish continued asking if the city was a corporation as stated in the ADA lawsuit consent decree and if the city adopted the International Property Maintenance Code. Lastly, Mr. McNish pointed out that the hump on Court Street near the carwash was getting bigger.

Keith Dunkelbarger spoke making an argument that he had years of knowledge and experience helping people in business and that he had impeccable attendance while a member on the EDAC. Mr. Dunkelbarger provided handouts to Council and staff regarding the marketing strategy for Maurie's on Court Street to help draw in more business.

Amy McCoy, Pekin Area Chamber of Commerce, announced that this Friday was the first of the Sounds of Summer Downtown Court Series. The band will begin at 7pm with vendors open at 5pm. Ms. McCoy also spoke in favor of agenda item 8.13 regarding the annual support to the Peoria Area Convention and Visitors Bureau stating that the Chamber was proud to work with them and was a great asset to the community.

Tim Golden spoke again regarding the consent agenda item pertaining to the accessible parking sign and reminded Council that putting up a sign did not qualify for a correct handicap spot.

Roger Brotherton spoke to follow up on the situation at the Riverfront thanking all staff members, Council and Dave Burling. Mr. Brotherton stated that he would rather see money go towards projects that the landfill.

Jay Shreffler spoke in favor of agenda item 7.1 regarding the variance request at 2423 Tazewell Street. Mr. Shreffler explained that he was wanting to put down white rock from the fence area and provided pictures to Council.

5.1. Public Hearing - 2021 CDBG Consolidated Annual Performance and Evaluation Report

Mayor Pro Tem Cloyd opened the Public Hearing at 6:14 PM. CDBG Program Manager Mr. David Bess explained that each year the City received a Community Development Block Grant from HUD referred to as CDBG to be used for programs and projects that were intended to benefit low to moderate income households and neighborhoods. Mr. Bess continued to explain that at the end of each program year the City filed a Consolidated Annual Performance and Evaluation Report (CAPER) to provide feedback to HUD and the public as to how CDBG Funds were being used and the number of individuals that benefited from that use. Mr. Bess briefly summarized the different categories and the status of projects that began during the 2021 program year that included but were not limited to, blighted property issues, administration, improvement of facility, utility and amenity access, fire safety, and improved economic environment.

Councilmember Orrick questioned how often Mr. Bess conversed with public housing authority. Mr. Bess explained that the City had not done any residential rehab where they would be involved. Public services would be another aspect but mostly fell with the specific provider working in those fields.

No comments were provided from the public.

Mayor Pro Tem Cloyd closed the hearing at 6:22 PM.

5.2. Public Hearing Regarding Sidewalk Snow Removal Policy

Mayor Pro Tem Cloyd opened the public hearing regarding a sidewalk snow removal policy at 6:23 PM.

City Attorney, Ms. Kate Swise, explained that it was the City's obligation to keep the sidewalks clear of snow for ADA compliance. The City entered into a recent consent decree which in part required the city to maintain sidewalks, crosswalks and ramps in the event of snow an ice for removal. Ms. Swise continued to explain that sidewalks were areas of public accommodation and a means of traversing through the city. However, Ms. Swise stated that there was some room for discretion on the city's part. One way was for the city to undertake removal of snow and ice in the same manner for streets. Another option was for the city to direct by ordinance that property owners were required to clear the snow. The code states that the property owner is responsible for the removal of snow and ice for commercial property and that residential and commercial property owners are required to maintain and keep clear sidewalks under ADA and the consent decree. Staff brought forward a policy to homeowners to keep it clear. Ms. Swise assured Council that it was a relatively common practice to have all or part of a municipality to remove snow in front of their properties. The city does have some leeway as snow and ice are temporary obstructions that do not violate ADA. If it melted quickly and did not stick it did not have to be removed. Heavy snowfalls were unlikely to be excused as temporary obstructions by ADA. Ms. Swise advised that a plan needed to be in place that addressed time, priority, how, high traffic areas and business districts.

City Manager, Mr. Mark Rothert, provided Council and the public some context of history regarding the adoption of ADA and approved standards. Mr. Rothert explained that ADA largely dealt with facilities and not public right of way. The public right of way guidelines in draft form were expected to be adopted as the standard this year.

Ms. Swise added that those standards were incorporated in the consent decree even though it had not yet been formerly adopted.

Councilmember Orrick questioned the protocol should a snow plow dump 3 feet of snow on a property owners sidewalk.

City Engineer, Ms. Josie Esker, explained that the way the policy was written it would be the responsibility of the homeowner.

Council discussed that there were 130 to 150 miles of sidewalk throughout the city and how it would be very cost prohibited for the snow and ice removal to fall on the city. New staff would have to be hired and new equipment purchased. Council also discussed providing homeowners with a snow removal program for disabled and senior citizens.
Ms. Swise added that she recommended having some sort of program to assist disabled and the elderly but the enforcement would also have to be considered. City would still be liable for obstruction under ADA and the city would have to step in should the homeowner fail to remove the snow and ice.

Council also discussed partnering with the school districts and highlighting some of the business that would be available for hire to remove snow and ice.

Robert Ingle stated that his street had only been plowed two times and he was disabled. He stated his address was 1028 Mechanic.

Anne Woolsy informed Council that she spoke to her insurance agent and that told her that the city would have to pay for the removal. Ms. Woodsy added that the sidewalks were in need of repair and could not remove snow properly or safely.

Carl Reardon thanked Council and staff for coming to terms with a consent decree that was hard fought and fair. Mr. Reardon stated that 27% of residents of Pekin were over the age of 60 and less inclined to shovel their sidewalk. Mr. Reardon also stated that he was 84 years old and had slipped, fell and broke his arm clearing a sidewalk. Mr. Reardon felt that many residents would not abide by the policy as 70% of housing units int eh City were single family, 9% are vacant and most in the elderly bracket are on fixed incomes. Mr. Reardon also stated that most cities were taking responsibility of clearing the snow, that any tickets were mostly dismissed and that it would not be cost prohibitive for the city to take on the responsibility clearing the snow. Mr. Reardon felt that residents would rather pay increased property taxes then shovel their sidewalk. Mr. Reardon provided a handout for Council and staff.

Thomas Cooper suggested adding the vote to the ballot so the residents could decide.

Matthew Johnson spoke against requiring homeowners to shovel their sidewalks because of snowbirds that travel, sidewalks that abut the street, salt shortages, and questioned how the police was to enforce the policy. Mr. Johnson asked Council to vote no once it was placed on the agenda and stated that requesting the assistance of the schools was a novel idea.

Tim Golden spoke against the policy as well and read his 2011 request to Council regarding curb ramps near Alhambra.

Tim Ellison thanked Council and the City Engineer. Mr. Ellison believed the sidewalks were a problem and that a plan needed to be implemented. Mr. Ellison added that he had a handicapped son who was blind that had fallen on the sidewalks a number of times.

Jim Mangan stated that the sidewalks belonged to the city not homeowners and suggested having a public hearing separate than a regular Council Meeting. Mr. Mangan did not feel the Council considered public opinion.

John McNish requested Council move to deny the policy and not bring it back on the agenda again. Mr. McNish questioned who was going to police the policy and communicate with the disabled.

Mr. Rothert asked Ms. Swise to clarify what would happen if the city chose to do nothing.

Ms. Swise stated that if the sidewalks were not cleared it would open the City up for liability with further violations to ADA and against the lawsuit. Ms. Swise continued to explain that the City wanted to do the right thing and does not want to be sued again. The city wanted to make the sidewalks accessible. Ms. Swise encouraged the public to email her with their thoughts.

Mr. Carl Reardon suggested that the Council consider having a referendum or have a service fee in order require the city to plow the sidewalks.

Mayor Pro Tem Cloyd requested that Mr. Rothert present the Council with an estimated cost to have the city plow the sidewalks. Mr. Rothert agreed to bring forward a cost estimate and stated that the appreciated that citizens did not want to increase the cost.

Mayor Pro Tem ended the public hearing at 7:45 PM.

CONSENT AGENDA

RESULT:	**APPROVED [5 TO 1]**
MOVER:	Karen Hohimer, Councilwoman
SECONDER:	Dave Nutter, Councilman
AYES:	Hohimer, Nutter, Cloyd, Orrick, Abel
NAYS:	Rick Hilst
ABSENT:	Mark Luft

6.9. Resolution No. 437-22/23 Accepting Right of Way Dedication

OLD BUSINESS

7.1. Ordinance No. 3082-22/23 Variance Request by Jacob & Megan Shreffler at 2423 Tazewell Street (Case V 2022-05)

City Manager, Mr. Mark Rothert, presented the request to approve and adopt an ordinance regarding a variance request by Jacob Schreffler. The original request was layed over from the May 23, 2022 Council Meeting for further review. The variance request allowed for the use of white rock instead of concrete materials for an access drive beyond concrete apron from public throughway to existing structure on the property. The property had no vehicle access to the barn structure located behind the residence. The proposed plan included the addition of a second concrete approach from the public roadway to a gate adjoined the primary residence. The white rock was requested from the gate to the barn structure on the north side of the property. The plan included the future addition of a concrete pad on the south side of the barn structure adjoining the white rock drive. Mr. Rothert stated that the white rock driveway conflicted with the City Code Section 4-3-9-1 requiring the use of concrete, asphalt or brick pavers for the purpose of parking areas and driveways and restricts single-family residential lots to a single driveway. The item was brought before the Zoning Board of Appeals at the May 11, 2022 meeting and was recommended for approval with no conditions.

Councilmember Nutter stated that he had looked at the property and was in favor of the variance request.

NEW BUSINESS

8.1. Resolution No. 438-22/23 Authorization of Spending Authority for Riverfront Clean-up

City Manager, Mr. Mark Rothert, presented the request to Council to authorize spending for the Riverfront clean-up between Fayette and St. Mary Streets in preparation of the forthcoming CSO project. Mr. Rothert stated that the Council had previously approved spending authority for the tree clearance but there was also debris and trash that needed to be removed. Staff requested up to $150,000 in spending authority to cover the cost of the contractor, dumpster rentals, disposal fees and other ancillary expenses. Mr. Rothert continued explaining that as the City had done in the past with other clean-ups, we were working with Burling to complete the work as the sole contractor by a 2/3 majority vote. Mr. Rothert added that some of the work was already done by using the previous spending authority as well as his own $15,000 spending authority.

Public Works Director, Mr. Justin Reeise, explained to Council that the two dumpsters that were at the Riverfront were full and he would have them switched out with empty ones and that he did not envision in phases with the clean-up.

Mr. Rothert brought up the question about the railroad and gave the update that the City was diligently working with them and the tree cutting company to get them here as soon as possible.

8.13. Resolution No. 439-22/23 Annual Support of Peoria Area Convention and Visitors Bureau

City Manager, Mr. Mark Rothert, presented the agenda item to Council requesting annual support of the Peoria Area Convention and Visitors Bureau. Mr. Rothert explained that the PACVB had been rebranded as Discover Peoria and works hand in hand with communities in its eight service area to create economic growth through sales and marketing efforts to bring more sporting events, meetings, conventions and leisure tourists to the our area. The resolution authorized continued annual support to the organization to maintain their marketing and support tourism in the area and in Pekin.

JD Dalfanso provided Council with an in depth presentation regarding their partnership with the City of Pekin and the Pekin Chamber of Commerce. Mr. Dalfanso discussed the total return on net tax and total direct sales revenue to date. Mr. Dalfanso continued discussing direct marketing efforts, their newsletter, social media, marigold calendar of events and the negative impact of COVID.

Mr. Rothert stated that discussion could take place about the Avanti's Dome with Discover Peoria as one area of growth.

Council discussed the business listed and how ESPN will be coming for disc golf.

RESULT:	**APPROVED [UNANIMOUS]**
MOVER:	John P Abel, Councilman

8.14. Resolution No. 440-22/23 Award 2022 Sidewalk Improvement Project to Illinois Civil Contractors, Inc. (ICCI)

City Engineer, Ms. Josie Esker, presented the request to Council to approve a resolution awarding the 2022 Sidewalk Improvement Project contract to Illinois Civil Contractors, Inc. The project was to remove and replace sidewalks, alley approaches, and associated curb at various locations within the City. Two bids were received with the low bid at $174,189.92 which was 6.5% above the Engineer's estimate. Ms. Esker stated that in reviewing the unit costs for the project, the bid seemed reasonable and responsible and staff recommended the award. Ms. Esker confirmed that this would not be the only sidewalk project completed this year and that more were to come.

RESULT:	**APPROVED [UNANIMOUS]**
MOVER:	Rick Hilst, Councilman
SECONDER:	Lloyd Orrick, Council Member

ANY OTHER BUSINESS TO COME BEFORE THE COUNCIL

City Engineer, Ms. Josie Esker, thanked Council for sitting through the ADA process and working with staff.

Councilmember Orrick stated that he had heard a lot of good information and ideas and was hoping that what staff presents would incorporate some of those.

Councilmember Abel announced that the Farmer's Market began the 2nd of June and is each Thursday as well as Super Cruise on July 29th & July 30th.

Councilmember Cloyd announced that the EV was flat and that it is the 50th year of the Marigold Festival. She would like to Marigold go National.

EXECUTIVE SESSION 5 ILCS 120/2 (C) 1. PERSONNEL AND (C) 2. COLLECTIVE BARGAINING

A motion was made by Councilmember Orrick seconded by Councilmember Nutter to move into Executive Session to discuss 5 ILCS 120/2 (c) 1. Personnel and (c) 2. Collective Bargaining at 8:33 PM. On roll call vote, all presented voted Aye. Motion passed.

RESULT:	**APPROVED [UNANIMOUS]**
MOVER:	Lloyd Orrick, Council Member
