LAURIE L. BARRA * MAYOR * PRESIDING**

PRESENT: COUNCIL MEMBERS, ABEL, SCHMIDGALL, MCCABE, AND BARRA

ABSENT: COUNCIL MEMBERS MASSAGLIA, BLANCHARD, AND HENDRICKS

The **Pledge of Allegiance** was led by Mayor Laurie L. Barra.

Roll was called. Council Members, Abel, Schmidgall, McCabe and Mayor Barra were physically present. Absent were Council Members Massaglia, Blanchard, and Hendricks. A quorum was present.

AGENDA

Motion by Council Member Schmidgall, seconded by Council Member Abel, that **the agenda be approved as presented**. On roll call vote all present voted Aye.

MINUTES

Motion by Council Member Schmidgall, seconded by Council Member McCabe, that the **minutes of the Regular City Council Meeting of February 25, 2013, be approved as written**. On roll call vote, all present voted Aye.

PUBLIC INPUT ON AGENDA ITEMS

Doug Arrowsmith, 1510 South 6th Street, addressed the Council in regards to the bid tabulations received for Solid Waste Collection. In representing the other 9 employees of the City's Solid Waste Collection Department, he spoke in support of the findings that the costs proposals submitted by Peoria Disposal Company (PDC) and Waste Management exceeded the comparison numbers of in-house garbage collection. He stated the employees live in Pekin and care about their jobs and the City.

Keith Gleason, President Teamsters Local 627, spoke in support of retaining the solid waste collection and it's employees in-house. It was noted both proposals made no commitment to hiring the current employees. Mr. Gleason indicated in 1979 when garbage was bid out those City employees lost years toward IMRF.

CONSENT AGENDA

Motion by Council Member McCabe, seconded by Council Member Schmidgall, that the **CONSENT AGENDA be approved as presented**. Mayor Barra presented the following for consideration of the Consent Agenda items by Omnibus Vote.

7.1 Proclamation: "Development Disabilities Awareness Month" March 2013.

On roll call vote, all present voted Aye.

COMMUNICATIONS, PETITIONS, REPORTS

SOLID WASTE COLLECTION

City Manager Joseph Wuellner advised that he had completed the review of the proposals submitted for the contracting of solid waste. He presented a spread sheet of cost from Peoria Disposal, Waste Management, and the City of Pekin's present expense. Outside vendors made no commitment to hiring the current employees or the issue of the City's current equipment. Addition cost of sewer waste was given. He recommended the savings to residents by keeping the service in-house. He suggested the issue of the cost of the service be addressed since it had been covered out of the declining General Fund for years. Implementing a garbage fee would be the most equitable method for generating income. He presented a table of various community charges and monthly amounts based on 12,000 units that included yard waste and recycling. Council Member Abel recommended a gradual increase to the amount to be charged. Council Member McCabe felt the City service was the best value for the cost. Mayor Barra felt seeking proposals was a good exercise to compare expenses. The Mayor expressed the need to implement a fee.

NEW BUSINESS

Motion by Council Member Schmidgall, seconded by Council Member Abel, that the **2013 COMMUNITY DEVELOPMENT BLOCK GRANT ACTION PLAN be approved.** Community Development Director Pamela Anderson presented the annual HUD required CDBG Action Plan. The document stated the needs, priorities, and plan for the upcoming fiscal year and performance measurements based from the Five Year Consolidated Plan. She stated the Action Plan was on public review from February 6 to March 7, 2013 and public hearing conducted on March 7, 2013. Council Member McCabe questioned the approximate \$81,000.00 administrative costs reported in the Plan. City Manager Joseph Wuellner explained the single employee personnel makeup and salary. On roll call vote, all present voted Aye.

ANY OTHER BUSINESS TO COME BEFORE THE COUNCIL

Council Member Schmidgall proposed that the City structure a Sustainability Committee with responsibilities of recommending environmentally sensitive design for construction. He offered sample language from the Town of Normal and asked that it be placed on a future Council meeting for discussion.

In the absence of three of the Council Members and others at previous meetings, he felt language should be designed for adopting an attendance policy that included potential corrective measures for excessive absences. He requested the matter also be discussed at a future Council meeting.

Assistant City Manager Darin Girdler reported on questions rising from the 5 year payroll cost budget numbers. He felt clarification needed to be addressed on pension and work comp cost. He advised the General Assembly legislative changes to the state-funded retirement system had nothing to do with the City pensions of Fire and Police and Illinois Municipal Retirement Fund. He stated that well-funded IMRF was not a state pension and could not be replaced with 401K funds or dissolved. Council Member Schmidgall stated the Police and Fire Pension Funds were funded by City Policies for 103% and 105% respectively. Mr. Girdler also advised the City's Workmen Compensation was provided through Illinois Municipal League Risk Management and affected by group lost history of all participants. The settlement of claims was handled by the organization's legal staff.

Doug Arrowsmith, 1510 South 6th Street, stated yard waste collection and recycling were savings on landfill costs. The City needed to continue education of the community on the benefits. He applauded the Council for the possibility of proposing a fee for funding the collection as most communities do.

Brandon Dentino, 2675 Allentown Road, stated he opposed a garbage fee.

Scott Jackson, 1410 Del Ray encouraged the public to attend the Community Theater group's production of "Dinner Plans" which had played at Andy's Dinner, the Miller Senior Center, and scheduled for April 6th at CJ's Café and April 27th at the Pekin Public Library. Corporation Counsel Burt Dancey addressed Mr. Jackson's question regarding the use of eminent domain for West Campus demolition. He clarified that power to seize property was for a "public purpose" use and not clean up of demolition. Forcible taking of the property would be very expensive.

Dale Kuntz, 5 Fox Point, read his address to the Council titled "May Reason Prevail in May"

Tim Golden, 2104 Alhambra, addressed the Council on the issue of the condition of West Campus. He questioned the staff on matters of the demolition permit and possibility of restitution from a performance bond. Mayor Barra asked that he meet and direct questions to staff members outside of a Council meeting. Council Member Schmidgall felt the need for an active approach to reduce the City's liability regarding the safety of the partially demoed area and structure. Attorney Dancey then advised the Council Members that the City was monitoring the negotiations between the owner Mr. Huff and the perspective buyer Mr. Price. Council's direction had been not to contribute taxpayer money into the project.

Roger Greer, 601 Prince Street, informed the Council that years ago Meister Brothers Heating and Air Condition Company had been interested in the West Campus project.

No further business to come before the Council, motion by Council Member Abel, seconded by Council Member McCabe to adjourn. Unanimously approved by voice vote.

COUNCIL ADJOURNED AT 6:30 P.M.

**PROCEEDINGS OF A SPECIAL BUDGET WORK SESSION MEETING
OF THE CITY COUNCIL OF THE CITY OF PEKIN, ILLINOIS,
HELD IN THE COUNCIL CHAMBERS OF CITY HALL
111 SOUTH CAPITOL STREET
ON MONDAY, MARCH 4, 2013 AT 5:00 O'CLOCK P.M.
LAURIE L. BARRA, MAYOR PRESIDING**

**PRESENT: COUNCIL MEMBERS, ABEL, BLANCHARD, SCHMIDGALL, HENDRICKS,
MCCABE, AND BARRA**

ABSENT: MASSAGLIA

Council set a work session to discuss the FY 2014 Budget at the meeting of February 25, 2013. Notice was properly posted and Council received notice of the special meeting on Friday, March 1, 2013.

The Pledge of Allegiance was led by Mayor Barra.

Roll was called and all Council Members were physically present except Council Member Massaglia. A quorum was present.

AGENDA

Motion by Council Member Abel, seconded by Council Member Hendricks, that the agenda be approved as presented. On roll call vote, all present voted Aye.

NEW BUSINESS

FY2014 BUDGET

Mayor Barra stated the purpose of the work session was to discuss jointly with staff the expenditures of the departments in order to arrive at a budget to present for Public Hearing at a later date. The Mayor advised Council the budget was a guide not a hard document. Some of the department numbers would be discussed at the meeting and the remainder would be presented at the second work session scheduled for Monday, March 18, 2013.

Council Member Blanchard felt reviewing capital expenses and major purchases rather than line by line would be advantageous. He preferred to look at a bigger picture and give guidance to staff what issues needed to be addressed. Discussion followed on the process to follow.

Assistant City Manager Darin Girdler had distributed the proposed \$70,834,803.42 budget which indicated a deficit of \$695,107.52. Council Members asked questions and made comments on the Administration, Legal, Clerk, Human Resources, IT, Treasurer, Fire, Police, School Bus, and VMF budgets.

Comments heard:

- Inconsistent method of reporting salaries, vacation, holiday pay
- Numbers needed to be monitored when over budget
- Remove deputy police chief position \$121,000.000
- Cut assistant city manager position
- Reduce police administration
- Compare in-house legal positions
- Salary and expenses of new IT employee questioned
- Requested treasurer provide reports well in advance of Council packets
- Eliminate fire station to reduce personnel cost
- Budget for planned new fire truck by setting aside \$200,000.00 for \$400,000.00 purchase (partially covered by \$121,000.00 deputy taken out)
- Encouraged consideration of a reformatted impoundment ordinance

- Introduced proposal for un-sworn uniformed police employee as code enforcement officer/reduce inspections department

Council Member McCabe made a motion to adjourn at 7:55 p.m. Motion did not receive a second and was withdrawn.

Council continued with Bus Department and Vehicle Maintenance Fund figures.

Council took no formal action.

No further business to come before the Council, motion by Council Member McCabe, seconded by Council Member Abel to adjourn. Motion carried viva voce

COUNCIL ADJOURNED AT 8:15 P.M.

CITY OF PEKIN TRAFFIC SAFETY COMMITTEE MINUTES
MARCH 1, 2013 @ 8:30 a.m.
CITY HALL CONFERENCE ROOM

PRESENT: Greg Nelson, Joe Wuellner, Kurt Nelson, Mike Guerra, Will Taylor.

Also present: Bill Scarcliff, Jim Kaminski, Lee Ann Wrhel.

Kurt made a motion to approve the meeting agenda. Will seconded. All in favor.

Will made a motion to approve the minutes of the February 1, 2013 meeting. Mike seconded. All in favor.

John Darnell, 304 Spruce Street, (309) 349-4168 was in attendance at the meeting. He has a concern with the way that 5th St./8th St./Willow St. meet. He is asking if the "Right Turn Only" can be eliminated in that location, especially at times when there is very little traffic. This configuration was put in place by IDOT and the turn restriction is their decision to make as this involves a state highway. IDOT is very strict with traffic control at intersections that are not 90-degree angles. A change would involve realigning the configuration. Joe will contact IDOT and discuss a possible reconfiguration with them.

Old Business:

1. Citywide Review of Narrow Street Parking Restrictions

Mike had presented examples of ordinances addressing permit parking. The ordinance from Providence, R.I. is the closest to what appears would meet the needs of Pekin. The common overnight on-street parking bans are from 2:00 a.m. to 5:00 a.m. A permit system could be considered so residents with legitimate parking problems would be able to purchase a permit for on-street overnight parking. Permits would be issued on a need basis and would have a very low fee (just enough to cover costs). Permits would be stickers with assigned numbers and displayed on the outside of the lower left corner of the rear window. Providence started with a pilot program to work out any issues prior to using it citywide. This would be a good idea. An area of town would need to be chosen as the test area. Mike and Jim will work together to draft an ordinance for review at the next meeting. Then the draft ordinance could be forwarded to City Council for input prior to presenting it to them for approval.

2. No Parking Request – St. Joseph Ct. at Haynes

This request went to City Council and did not pass. The council members would like the no parking restriction be limited to only the times needed (during school drop off and pick up times). Will made a motion to make a recommendation to City Council for "No Parking Here to Corner on School Days from 8:00 a.m. to 9:00 a.m. and 2:00 p.m. to 4:00 p.m." on the SW corner of St. Joseph Place at Haynes St. The motion was seconded by Kurt. All in favor.

New Business:

1. *Velde Drive – Traffic Speed*

The Speed Spy was put in place on Velde Drive. The study indicated that 10% of motorists were speeding 15 miles or more over the posted speed limit. This occurs most often from 2:00 p.m. to 11:00 p.m. Enforcement is already being stepped up with First and Second Shift Patrol doing traffic details on Velde Drive.

Around the Table

The Street Department is out filling potholes when weather permits.

Will had a question about traffic control signage at Deppert and Melanie. There is not enough traffic in that location to warrant signage.

Will had a request asking for signage to identify lane usage at the intersection of 8th Street and Broadway.

Respectfully Submitted,
Lee Ann Wrhel

PUBLIC INPUT/COMMENTS/QUESTIONS

Police Chief Nelson asked Dan Steinbach to attend the meeting. Dan is Avanti's Dome new Event Planner. He has a lot of outdoor activities he'd like to plan this year and was wondering what the Rules and Regulations are with the two liquor licenses Avanti's has. He stated Avanti's has 33 acres of land not used and he wants to have outdoor concert events and also use the corn fields for parking for these events. Dan asked about security – he has his own Security team and wondered about City of Pekin Police. Depends on how large of an event if he would have to have Pekin Police, usually 1 or 2 officers. Commission felt he would need to check with Ron Sieh, Building Inspector, on the parking issues. Liquor Commission would like guidelines and a plan of his events and then discuss at a future meeting.

2% Food and Beverage Tax

Discussion: Liquor Licenses that are delinquent are The Cantina/Robert Shults, High Octane Saloon/Jeff Nizzia; which are both out of business. Ol Dad's Place/Jeff Nizzia and Goodfella's Pub & Pizza, Dennis Mullen are late for their December and January returns. Certified letters were mailed out informing them of their 2% Food and Beverage late returns. Linda Ritchason, Administration sent the letter out certified on Friday, February 22, 2013. The Dugout Sports Bar came in on 2/27/13 and paid. Another letter from Treasurer Jim Wolf was mailed out on Thursday, February 28th informing them of the importance and penalties of paying their 2% on time each month. Jim will follow-up with a phone call. Commission directed Attorney Sue Bosich to draw up a draft complaint form with fines and penalties and this will all go through the Tazewell County Court House. Payments through the Tazewell County Court House with 21 days to pay before going to Court, then will have to pay fines, court fee's, etc. Attorney Bosich to send out the form to Ol Dad's Place and Goodfella's Pub & Pizza. The late 2% Food and Beverage Tax can be used as an offense when determining how much the fines and cost will be and the Liquor Commission can bring them before them in a Hearing if they continue to be late in paying.
